Hello Dickson ~

I came across this recording
and thought you would like
to have it.

I just finished
my piece for your "festschrift."

(strange that they choose a
German word for your celebration
issue!) — and am very happy
with it ~ would like to send
you a copy right now!

(impatient soul that I am) rather
than wait until Crayon publishes it.

~ Ah, what to do ????

with much love and best
wishes for you & Ann,
