Korobosea is 1986 National Capital League Premier

by KENA'E KA'AU

KOROBOSEA became the 1986 National Capital League premiers when it downed "people's favourite", Waigani 18-14 at the weekend.

The game started at a furious pace with neither side making any headway until the 16th minute, when after some good lead up work by Alisen Taiyo and Iksen Jim, "Simple" Benny Aunama

raced away to score. Jack Yanaga converted for Waigani to take the lead 6-0.

However Waigani could not keep up the momentum and allowed Korobosea into the game when big centre J Tom barged his way in to score and the conversion by Sina Komu equalised the scores.

Korobosea furthered its score two minutes later when player-coach Badi Dou,

realising that he had no marker after being tackled, made a quick tap, drew his man and offloaded to winger Nathan Joel who surprisingly ran around Yanaga to score at the corner.

The final points of the half were scored in a similar manner when "Stiff" Morasi Ghuy palmed off a few would-be Waigani tacklers and found Simon Kopape who again ran around Ya-

naga to score below the uprights. A conversion attempt was unsuccessful and Korobosea walked off leading 14-6.

Waigani outscored Korobosea in the second half 8 points to 4 but individual play more than anything else robbed it of the premiership.

Scorers in the second half for Waigani were a try to Tauglass Nenemba and two

goals to Yanaga whilst for Korobosea old timer Paul Pora justified his inclusion in the side by scoring a try.

Waigani obviously missed the services of blockbusting Gasup Apiao and Negia Agebigo, due to religious commitments, however had Waigani played as a team in the second half the end result would have been different.

Badi Dou at halfback

was the pick of the Korobosea mob and was ably assisted by Muli Kera in the backline and Ghuy and Jeffry Gendoia up front, whilst for Waigani Taiyo was in the thick of everything.

Match referee Wally Ainui thought Waigani could have won the game had it kept up the pressure after the first try but left it too late. On the standard of play he said, "It has improved a

lot since I was here last time in 1984."

Kumul skipper Bernard Waketsi who witnessed the game and also presented the premiership trophies was impressed with the standard of the games played especially the defence of both teams.

Korobosea has now qualified for the first round of the Cambridge Cup games and I wish them luck.

"D" DAY FOR SPIDERS

Start of the match that made history in the league books of UPNGRLA, and also the books of the two teams.

Blue Spiders end Medics' winning run — UPNG league competition

by RAYMOND AUGUST

IN the main game of the UPNG rugby league competition played at the university field No.1 on Saturday in Port Moresby, Blue Spiders became the first team in the competition to down the unbeaten Medics side 8-4. The score was also the lowest in the competition's record. Both teams displayed a very high standard of rugby league football.

The win by Blue Spiders made it equal first with Medics on top of the points ladder, sharing 10 points each.

From the kick off both sides defended very well. Hard runs by Medics' Anton Wal, Motien Bringfried, and Joe Garap and company came to no avail as the Spiders' solid web proved too strong.

Blue Spiders also came down hard on the medical boys.

The onslaught was led by Boniface Aglai, Robert Lutulele, Dilu Siune and Joseph Irai with Mark Par at the helm as five eighth calling the shots.

However, Blue Spiders gained little ground as Medics held its defence very tight. Both sides were breathing down hard into each other's neck when, in the 25th minute, a classic move by Spiders' backline saw their blockbusting skipper Alphonse Umbo brush aside several Medics' players to touch down under the uprights, to bring the score to 4-nil.

The easy conversion attempted by Dilu Siune failed.

Medics Joe Garap tried desperately to lead his boys into the Spiders' tryline area but failed and by half time the score remained 4-nil in favour of Blue Spiders.

In the second half, after both teams received strong talks from their coaches, they took the field with great determination to win.

From the kick off both teams again put up strong defence and strong runs with neither side giving way. After battling it out for 20 minutes rugged second rower Dilu Siune for Blue Spiders made a good break in the Medics 25 metre line to set his winger Bernard Kulap to dive over the score, bringing the score to 8-8.

The conversion by Siune failed leaving the score as it stood.

Both sides still kept up their solid defence and strong runs until the last minute when a small gap at the corner of the Blue Spiders allowed Medics' winger David Sine to dive over the Medics' only try. The conversion attempt by Kauve Pomat missed and Medics trailed 4-8.

Best for Blue Spiders were Boniface Aglai, Dilu Siune, Mark Par, Joseph Ba Irai and skipper Alphonse Umbo while Anton Wal, Joe Garap, Motien Bringfried, Timothy Pyaku and David Sine tried hard all day for Medics.

In the other two games played in the afternoon Southern, with the filling in of former Kumul winger Volu Kapani, was able to brush aside a strong determined Lae United side.

Playing their usual style of open football Southern was able to run in three tries, one converted and two unconverted plus a successfully penalty kick while Lae United scored two tries, only one was converted.

Southern won 16-10 bringing them equal second with NGI on 7 points each. In the other match of the day NGI, under the command of lock forward Bart Hahis, surprisingly downed Northern 24-12.

'Grand fight' ends Madang season

by MICHAEL KANAKO

THE Madang rugby league grand final match between Redscar Brothers and BP Panthers came to a standstill 22 minutes into the game when a fight erupted.

Madang rugby league president Peter Yama said the game was cancelled. It is now up to the executive to decide outcome of the match.

He said that it was a disgrace to the Madang league as players fought in front of the spectators when they should show good sportsmanship.

He also apologised to the premier of Madang, Mr Andrew Ariako and other important guests and the public for the bad show by the players.

Both teams were competing for the John Gosiba shield. BP Panthers were leading 22-10 before the incident.

Redscar Brothers, lead by former Kumul skipper Gabriel Kuk, broke the first three minutes impasse when the promising and energetic halfback Leslie Patoro intercepted a loose ball on the Panthers backline and touched down for the first try.

Brothers' winger Arnold Kapal scored one conversion kick out of two attempts.

His Panthers' counterpart Sam Erol had three successful conversions out of five.

Under the guiding hand of another former Kumul Willie Waluka the cats displayed some excellent ball work for the first 15 minutes. John Manalau evinced some hard tackles for Panthers.

Ben Tubavai scored the second try for Panthers.

The game was so hard and the imported Lai referee was on full alert for errors. Referee Dennis Home award five penalties to Panthers due to some faults on Brothers side.

Tonane Apelis scored another try for Brothers while Panthers skipper, Waluka, retaliated with one for his team, minutes before the siren went for half time.

Nicko Delilai the cat's outstanding winger for the afternoon encounter, was thrown off the field when he made an attempt to score a try inside Brothers' territory.

Best for Brothers were Patoro, Kapal, Stanley Pil, Apelis, Kuk and David Ericho while Erol, Delilai, Waluka, Adu Timbing, and Willy Bagore shone for Panthers.

In the early encounter Royals edged out Tigers 20-18 in the reserve grade.

DCA BATTLES ON

The rich Cambridge Cup competition holds K5,600 for the winner to take all.

by HENRY MORABANG

THE clash of Port Moresby rugby league superpowers Kis DCA and Hobart West has ended the Port Moresby rugby league season. Kis DCA dumped Hobart West 22-8 last Sunday.

But the war isn't over for Kis DCA. DCA now march on to another great battle of rugby league in the country. And that is the Cambridge Cup.

West not only lost its premiership title but also the prestigious Cambridge Cup crown.

West's bid to retain the Cambridge Cup failed when they were proven to be only second best in the Port Moresby rugby league scene last weekend by a determined young DCA team.

After defeating Hobart West, Kis DCA now automatically qualifies to take part in the

● DCA captain Tara Gau is carried around the Lloyd Robson oval after his team downed 1985 premiers West last week.

Cambridge Cup race.

Cambridge Cup committee member, Kevin Murphy, said, "It's not a defending cup. If winner of the cup is defeated in its respective league then it should be automatically out of the race. It cannot take part in the Cambridge Cup."

Murphy said the Cambridge Cup is the competition among the premier clubs in the country.

There will be 16 premier clubs in the country taking part in the cup countdown. That is the highest number of clubs playing for any particular sport in PNG.

The first round of the Cambridge Cup will begin on September 21.

The chairman of the Cambridge Cup, Ivan Rau, has confirmed that the prize money in the competition totals K20,800. Again it records a large amount of money to be paid to sporting teams as prizes in the competition.

The Cambridge Cup battle will run for four weeks. The winner of the first round receives K600 while the loser gets K400.

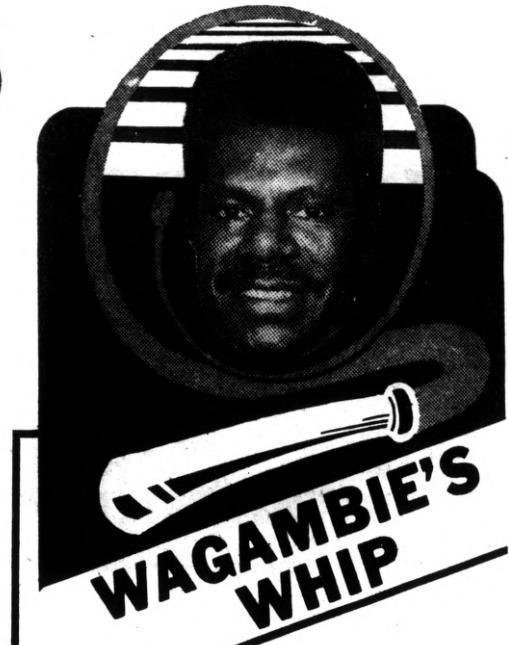

The second round winner receives K800 while the loser gets K500. In the third round and the semi finals, the winner claims K1,200 while the loser grabs K600.

In the grand final the winner scoops up K3,000 while the loser gets K1,000. So the team that wins each of the four games in the Cambridge Cup gets K5,600.

The Cambridge Cup will be interrupted by the World Test when the Kumuls will take on visiting Kangaroos on October 5 in Port Moresby's Lloyd Robson oval.

The Cambridge Cup grand final will be played in Port Moresby on October 19.

DCA was too good

KIS DCA is Port Moresby's rugby league entertainer for 1986. Kis DCA was just too fit and too good for the defending premiers Hobart West. Their defence was so hard to penetrate that the once mighty crocodiles could not gain too much ground.

Up front young prop Goroa Ovan, Kin Gau, Ganiga and skipper Arebo Taumaku were very hard to stop when they were in possession. Arebo was especially very instrumental in breaking down the West defence line and creating opportunities for his young backline. Coach player Tara Gara seems to go from strength to strength as the years go by, he kept up pace with his younger counterparts.

In the backs Piraka Koivu at five-eighth was the master tactician with his bootlace tackles and quick breaks from the set play to get Mea Morea and Dairi Kovae going. Mea Morea was in top form as he repelled attacking moves by West forwards Henry Miro, Tati Ivara and Celcius Kose. The man who should receive a special award from the Kis DCA side is speedster Mikes Arere for the two tries he scored.

In the first half of the game the scores were locked at 6-6 in favour of West and, with about 10 minutes remaining, Piraka Koivu shot a long pass cutting out several players to Mikes who out sprinted West's cover defence to run 40 metres and score DCA's second try and his first.

About six minutes into the second half with the scores at 10-6 in favour of DCA, Arebo Taumaku made a good break down the field and passed to Mikes who pushed off his opposite number Pukari Ovasuru from 20 metres out to score under the post.

In my opinion that try was the last straw for West; as all the sting was taken out of the crocodiles. Dairi Kovae had the last say when he cleverly sidestepped his way through about six West defenders to score DCA's fourth and last try of the match right under the post. With the successful conversion DCA came out the winners 22-8.

Hobart West was very disappointing indeed and played well below their best. They made far too many mistakes and quite often they lost balls in tackles or threw passes that went astray. DCA always capitalised on these errors and so made West defend all day. The forwards were very mediocre and looked as if they had no interest in the game.

The backline that was supposed to be the fastest in the competition did not live up to that reputation. Even Pukari was no match for Mikes Arere. It's a pity that Don Tore did not play, perhaps he was injured. Don is a very classy winger and could have done wonders for West.

On the whole West made far too many mistakes and did not look as if it was interested in winning.

DCA rightly deserve the win and I congratulate one of my old cronies Tara Gau for his achievement and also his young team. I know they will be worthy contenders in the Cambridge national club championship. For West they can take sweet revenge if the two meet up in the finals of the championship.

The crowd that was there started going through the gates at 9am and the place was full to the brim by 11am. The grand final was the best in many years, the outcome of the game was taken by supporters in the true spirit of the game. There were no physical confrontations or damage to property. That was marvellous and I commend the supporters of the greatest game of all to keep it that way.
