Cuyamaca Water Co,
San Diego, California.

Dear Sirs,

Enclosed find check for \$5.85 for payment for August water on the Lemon Grove property, also find check for 75c for payment of the enclosed bill in which you have made a mistake. By referring to an opinion and order of the Railway Commission filed August 17, 1914, decision No. 1738, case No. 631, you will find that a minimum monthly payment during use of 75c, is the rate; therefore the excess charge of 50c a month which you have collected from me is due me. Kindly refund same,

and oblige,
Yours very truly,

Mrs. Helen M. Stoddard,

Lemon Grove, California.

Dear Madam:

Answering your letter of September 3, 1914, in which you enclose two checks, one for \$5.85 and the other for 75¢ for the payment of water for the month of August, 1914, we enclose receipts herewith.

In reference to the water bills that you have been paying on the south 10 feet of Lots 2, 3 and 4 of Block 7, Grable's Addition, and which you have been paying this company at the minimum monthly rate of \$1.25, will say that we are making out a list of consumers in these subdivision tracts, and whatever payments have been made, the same as your own, you will receive due credit and statement will be sent you very shortly.

Yours very truly,

CUYAMACA WATER COMPANY.
