Barbara --

I did discuss this ad with (and show the copy to) Shannon Bradley, Lynn Burnstan, Shannon Anderson, Abi Barrow, Andrea Moser and Tanya. I actually don't think you saw the copy - I think our conversation was to let you know who was the contact, but all these other people did, and unfortunately the catalog has gone to print at this point. I will fax you a copy of it though. The contact listed is Andrea Moser, and she will take RSVPs for it. Shannon Anderson and Bruce Dunn are planning to market it in their class, and we'll do a flyer for them to hand out. The ad is place in the Business & Management section of the catalog and referred to in the CONNECT ad at the front of the catalog. I hope that answers your questions about the copy.
