Dear Mrs. Gline: *Craft*

Enclosed find bill for \$5.00 for repairing roof. We repaired ten to fifteen different places on roof where the clotheslines are which damage was done by persons walking on the roof.

Would recommend that the entire roofs of all buildings be remopped with hot asphalt and resurfaced with gravel. If it is possible for you to do it at this time it will save the expense of you putting on an entire <sup>new</sup> roof within the next year or two.

Very truly yours,

B. H. Custer Roof Co.

Mr. Ed. Fletcher, Jr.,  
1020 9th St.,  
San Diego, Calif.

Dear Sir:

At the suggestion of Mrs. Craft, at 224 No. Isabel, I am writing you regarding the vacuum cleaner at that address. This machine has had ten years of hard use, and in spite of the new parts it has required in the last two years it must now be completely rebuilt or else discarded.

The armature has burned out and owing to the extreme wear on the commutator and shaft, it cannot be rewound, thus necessitating a complete new unit.

Owing to the age of this cleaner I would hesitate advising its rebuilding, and suggest either a new machine or a good rugged rebuilt.

We can supply you with the new Motor Driver brush Eureka (the most economical and efficient machine made) at its low introductory price, less your apartment owner's discount, for \$48.00, payable in 90 days or \$53.00 on a year's contract at \$5.00 per month.

If you're looking for a good machine for less money, I have a new Eureka Standard, selling regularly for \$44.50, which I won last week for sales effort, that I can sell you for a cash exchange price of \$25.00. Excepting the Motor brush Eureka, this is one of the most powerful and trouble-free machines made.

I have also a selection of late model Hoover and Premier Duplex cleaners, completely reconstructed and guaranteed for one year's service for as little as \$15.00.

I am furnishing the house a machine to use until I hear from you, and hoping to serve you further, I am

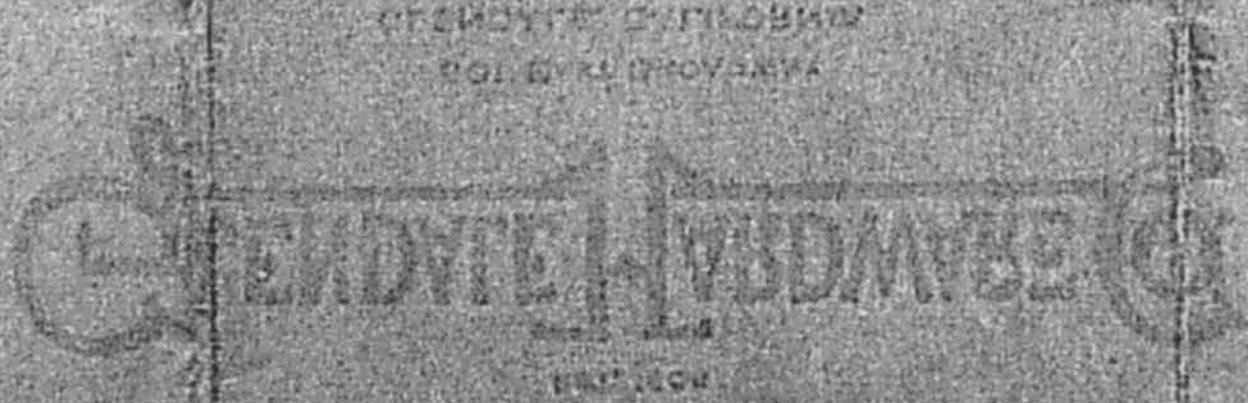

Sincerely yours,

## TAKE NOTICE

If you give the Railroad Company a clean receipt for damaged goods you do so at your own risk. We are **NOT RESPONSIBLE** for goods broken in transit. Broken goods should be refused or a full description of breakage made by the Agent on expense bill. If this is insisted upon, full damage can **ALWAYS** be collected from the Railroad Company. We will assist in any way possible.

All our goods are receipted for by the railroad company in first-class condition. If damaged in transit, make claim on railroad company. Do not ship them back.

Owing to the advance in freight and drayage rates we suggest to you when returning burlap for credit, to send by parcel post instead of by freight, which will be more expedient, less inconvenient, and probably saving considerable loss of same during transit. We credit burlap only when received. To save trouble and loss kindly **ALWAYS INSURE SAME.**

## SPECIAL NOTICE

Do not credit yourself with burlap from our invoice until you have received credit memorandum showing return of same.

Unless otherwise instructed, we use in packing all our mattresses 40' burlap at 10c per yard, but give credit for amount returned, freight prepaid.

Send bill and shipping receipt for burlap returned. Will give credit for burlap only that is used in packing our own goods. **RETURN CHARGES MUST BE PREPAID.**
