Mamma's Pet.

ISN'T THAT SWEET? HOW LOVELY!
TOO CUTE FOR ANYTHING!

These are the exclamations of delight and surprise with which the ladies (and gentlemen too) greet our elegant

Souvenir.

We would like to take up a four page circular in telling you the beauties of this work of art. Suffice it to say that it is a handsome banner 11 x 29 inches, executed in twelve different colors in oil, worthy a prominent place in any parlor, and depicts the sweetest little three-year-old "tot" that ever shed joy upon a mother's heart, and is most appropriately called "Mamma's Pet." Nothing we ever had has created such a genuine furore among those who have seen it, as this our latest and we think our best.

During the months of **JUNE** and **JULY** we shall present one of these Beautiful Panels with every \$1.00 worth in orders of \$20.00 and upwards—that is 20 Panels with \$20.00 &c. We will not be responsible to our patrons for any of Mamma's Pet after the 1st of June. We advise all to send in their orders at once. We will commence giving out this Beautiful Panel on the 14th April.
