Giant killers to represent Port Moresby again

Peruka gets down to Earth

• Peruka

NATIONAL Capital Rugby League President, Tau Peruka is determined to make himself known to all the players in his league.

And starting next week, he will start his 'get-to-know' campaign by actually going to the clubs' training ground to meet the players and to introduce himself.

Speaking to League News Mr Peruka said at their training grounds, that he hopes to meet as many players as possible.

"I would like to know all of them personally if I can," he said.

The NCRL president's move is in a bid to establish direct communication links between the league officials and the players.

"Too many times, league officials lock themselves up in their executive boxes and do not care about the players. If they show any concern at all it would be just to the big name players," he said.

Mr Peruka said, he wanted to change this attitude.

"I want the players to know that I am interested in them", he said.

It is hoped that the 'get-to-know' campaign will rouse the players' interest more and they will be able to put more into the game.

PORT Moresby Rugby League selectors have retained the first thirteen (13) that walloped the visiting Gold Coast Giants last month, for the National Panasonic Cup series.

Changes have only been made on the reserves and the show player Arnold Tivilet was dropped and reserve winger, Joe Ben slotted in his place. Reserve prop Peter Peng was also dropped from the 17 man squad that was announced on Monday night.

From the original Port Moresby squad that prepared for Giants, Moi Ganiga, and Lucas Agi were not considered. Richard Wagambie who did not play the Giants

was named in the reserve rank for the series. Philip Boge, one of the try scorers in the Giants Moresby game will be a shadow player.

The full 17 players are, Mathias Kitimun, Arnold Krewanty, Moe Morea, Clement Mou, Joe Ben, Stanley Haru, Tony Kila, Gideon Kouoru, Haoda Kouoru, Arebo Taumaku, Mark Ipu, Michael Matmilo and Robert Jakis.

The reserves are, Richard Wagambie, Jeffery Haoda, Alphonse Umba and Gesau Gebob. Boge and Robert Kubak will be shadow players.

The squad will be preparing for the South Wales Country team who defeated Balmain Tigers 26-18 and 18-16 in two trial matches played so far this

year.

The game will be played on the home soil, and under lights on Tuesday, March 22. The winner of this game will proceed on to play on the Brisbane Combined side at Lang Park Brisbane on Friday, March 25.

The training schedule for the city side is yet to be decided. Port Moresby Rugby League secretary, Thomas Tekri, told RLN that President Tony Huai will meet coach Clive Clarke and other officials to decide upon the training schedule later this week.

Meanwhile Port Moresby are once again expected to do well in this outing to maintain their record against visiting teams from Australia. With home

crowds behind them, they should not have any problem disposing of the NSW Country outfit.

New South Wales Country has also announced a 17-strong squad to play here.

Coach Ron Pilon knows what it is to play here as he was the coach of the Riverina side that unsuccessfully toured here last year. This time Pilon will be making sure that Port Moresby do not get away lightly.

Pilon is expecting former Easts combination of Kevin Hastings and Rocky Laurie to lead the youngsters. He said the team will be meeting in Sydney on Saturday, March 19 to have a training run before they fly up here on Sunday.

• A Rabbits player made airborne courtesy of these Taraka Wests players, in a Morobe Country League match last weekend. Taraka Wests defeated Rabbits 28-2.

NSW Country to test Moresby

COUNTRY coach Ron Pilon is delighted with the team selected for the National Panasonic Cup qualifying match with Port Moresby.

The Country team was chosen after the maroon and golds defeated Balmain 26-18 and 18-16 - in two trial games at Carrington Park, Bathurst, last Saturday night.

Pilon said the team would meet in Sydney on Saturday, March 19, have a training run, and fly to Port Moresby on the Sunday to prepare for the Tuesday game.

The winners of this match will oppose Combined Brisbane in a second qualifying game the following Friday night.

"The only player in the 17-man squad to have played in Port Moresby is prop forward Mick Lewis, who was in the Riverina Division side which visited there last season," Pilon said yesterday.

"I was coach of that side and know how difficult the conditions are and have been able to pass this on to the players.

"But it won't be as oppressive playing there in our own summer, we won't be going from our winter to their tropical heat."

Pilon said playing the trials against Balmain has given Country their best start to a representative season in years.

"In past seasons we have gone into our first National Panasonic Cup game cold with a team of players without a game under

their belts and in most cases, unknown to each other," he said.

"At Bathurst we saw 30 of the top players going round in two games against top competition and the selectors were able to put together a very good side for the Moresby game.

"I am very happy with what they have given me.

"With Port Moresby beating Gold Coast-Tweed at the weekend our game with them should be a beauty.

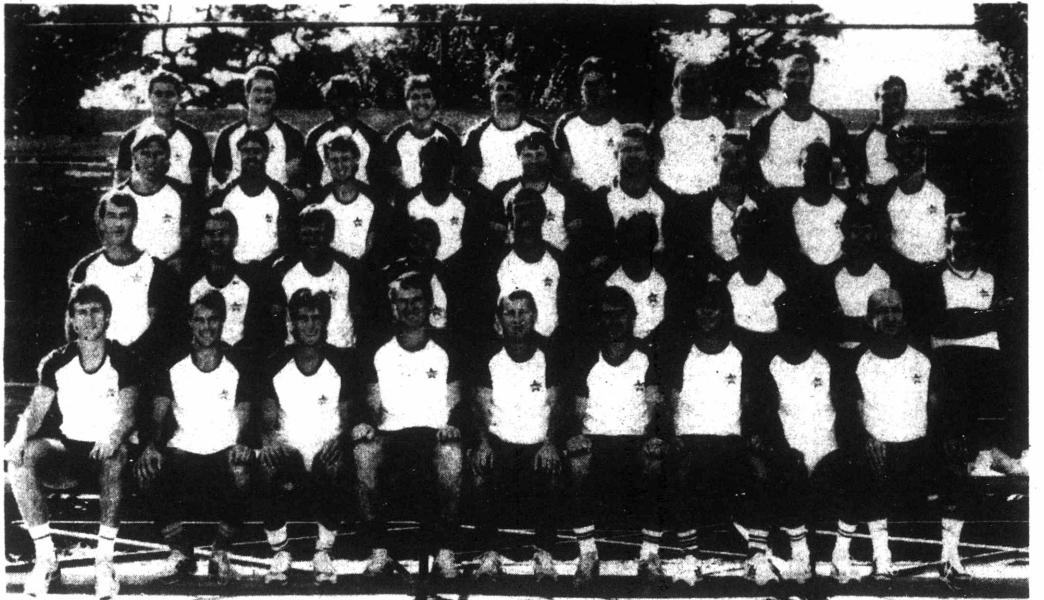

"I've warned my blokes that it won't be easy up there."

Pilon said having experienced players, like captain Rocky Laurie, at five-eighth, and Kevin Hastings, at lock, in the team makes it that much easier to contest a game.

"Rocky is a good leader who reads a game extremely well while Horrie's kicking game and ability to dictate the trend of play, are big plusses," Pilon said.

"This pair played together at Easts and know each other's play.

"Laurie also played along side halfback Tony Hinton with North Coast divisional side so they are no strangers."

The country squad, back row, from left, Michael Clements (Terrigal Wamberal), Steve Waugh (Woy Woy), Errol Mehmet (Wyong), Mark Mayne (Gunnedah), Kevin Hastings (Woy Woy), Terry Bender (Kurri Kurri), Col Cavanagh (Yenda), Chris Cumming (Aberdeen), Tony Hinton (Taree Old Bar); third row, Todd Anderson (North Newcastle), Ken McIndoe (Milton-Ulladulla), Danny Stammers (Blayney), Bob Carney (Dubbo CYMS), Alex Krause (Darlington Point-Coleambally), Billy McAnally (Trangie), Anthony Campbell (Turvey Park), Peter Gerbadi (West Tamworth), Gary McGuire (West Tamworth); second row, Bob Ryan (trainer), George Trudgett (Lower Clarence), Gary Gardner (Singleton), Ray Thorpe (T.L. Lakes United), Ron Pilon (coach), David Ivanoff (Narrandera), John Pearson (Dubbo CYMS), Neville Elwin (Temora), Trevor Smith (trainer); front row, Greg Brentnall (assistant coach), Terry Dardengo (Lismore Marist Brothers), Tom Fowler (Warilla), Mick Lewis (West Wyalong), Ron Lanesbury (manager), Rocky Laurie (captain), (Inverell RSM), Terry Broadhead (Oakdale), Duncan Ward (Nyngan), Ted Johnson (assistant coach).

Boroko Hotel sponsors NCRFL

BOROKO Hotel has announced the criteria of its sponsorship package of the National Capital Rugby League for this year (1988).

In a letter to the league president, Mr Tau Peruka, the hotel manager, Mr David Brigden said the sponsorship package was K400 for the league's pre-season competition.

"One hundred kina

will be presented to the league on a monthly basis during the season proper for the promotion of individual players during matches played during the months," the letter said.

The package also allowed the league executives a room in the hotel for its weekly meetings, conducted on Tuesday.

At its meeting on

Tuesday (1/3/88), the first at the Boroko Hotel, the league decided that the monthly K100 donations would be awarded to players who won the 'players-of-the-month' awards.

It also agreed that the K400 sponsorship for the pre-season competition will be divided among the participating seven clubs, in accordance with the

pre-season point ladder.

In his letter disclosing the sponsorship package, Mr Brigden said, although activities spelt out in the package were all the hotel could undertake, he would individually approach his colleagues within his hotel's groups of companies for the possibility of further sponsorship.

NCRFL to maintain Kone Tigers ground

National Capital Rugby league will pay Kone Tigers Rugby League club K100 every month for the three labourers who man the grounds and other expenses involved in the upkeep of the ground.

Kone Tigers Club paid the three labourers a sum of thirty kina each on a monthly basis.

Club secretary, Mr Kevin Murphy told the NCRL delegate meeting last week that if the league was going to pay the same fees to the labourers, the other ten kina every month would go

towards other expenses such as fuel for the lawn mowers, and water.

He also agreed that a portion of the gate-takings will go to the Kone Tigers Club, to help maintain the grounds.

Club delegates at the meeting expressed concern over the lack of toilet facilities at the Kone Tigers ground.

However, they were told that the Kone Tigers club toilet would be made available.

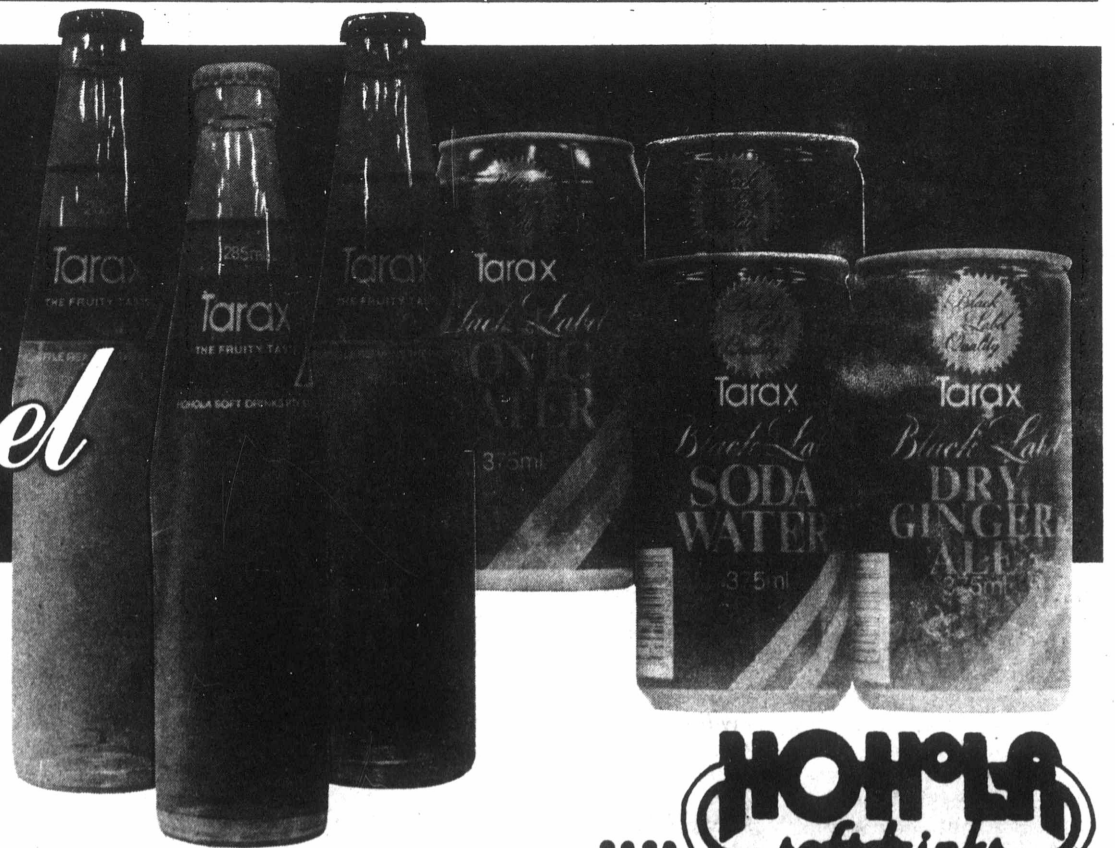

There are three sheds supposedly meant to be toilets on the ground, but these were unserviceable because water had not yet been connected.

PORT MORESBY Rugby League clubs should end the pre-season trials on a high note this weekend.

On Saturday, West should demolish Magani, after the crocodiles tasted their first defeat at the hands of the much more aggressive Brothers outfit. West, still trying out their players, will certainly not take this game lightly.

The Kouoru Brothers combination of Gideon

and Haoda will certainly set up strings of tries and run rings around their opponents as they usually do. Big Henry Miro, Steve Haro and speedster Don Tore should produce enough force to immobilise any Magani moves.

Air Niugini and Tarangau should put on a thrilling show as Saturday afternoon's main fixture. Air Niugini so far has registered a loss and win in their last two outings against Brothers and Magani respectively. Obviously if they maintain the form they showed against Magani, they should not have many problems in taming the powerful

Eagles.

Air Niugini with their new recruits, Wilfred Mai, Nohokau Lohia, Seri Morea and fullback David Harry have added enough power to start firing this season. If Kumuls, Kepi Saea and captain Tony Kila appear in the Saturday line up, then they should topple Tarangau.

Tarangau on the other hand is the side that does not play around. Under coach Clive Clarke they are one of the teams threatening others in the city for the premiership flag this year.

Tarangau has been successful in its recruiting and will certainly have force to cause upsets.

With big Ben Bire, Joe Madidu, John Ben Moide, Yer Bom, pivot Gesau Gebob and sneaky half Walter Taule they should certainly turn the tables on Air Niugini.

In the Sunday afternoon main fixture, Hawks should once again dose DCA side. DCA, who are trying out their new blood, are all new to the city competition and are slowly recovering. Hawks, however have not showed mercy to any team lately and DCA should be easy prey. In their first outing they drew with Magani and demolished Panthers last weekend. They should easily topple the inexperienced DCA side.

Taraka West dominates Morobe Country

TARAKA Wests maintained their lead in the Morobe Country pre-season competition when they defeated K United in the main fixture of the third round at Taraka West on Sunday.

The win did justice to their sponsors ARC Titan who had just handed the club a new

set of jumpers last week.

Fullback Mathew Marabo scored a try in the first half and hooker Hendrix Lowate scored another in the second half to seal the game in Taraka's favour.

West have recruited well from the Lae League and their per-

formance so far has indicated that they will be the team to beat this year.

The forwards of Lowate, Jerry Bio, Jacob Waruta, Gairo Rabu and John Pakau played consistently to shut off the United attacking machinery.

Their attacks repeatedly split the United

defence but could not finish off the moves.

Five-eighth Joe Abem also had a good game, co-ordinating his team's moves and setting up play.

United had earlier been predicted to take out the game but they could not keep their word.

Their points came

from a try to Kelvin Nenema in the first half. Team mates Amagabe and Norry Bohage played a blinder.

In the other games new team Rabbits blitzed Ten Miles Brothers 30-2 and Kifa Eels narrowly defeated Fire Works 14-12.

Gold Coast Giants future in doubt

THE Gold Coast Tweed Giants who have just completed what seemed to be a successful tour of Queensland and Port Moresby do not seem to have their backyard in order.

Big Manly buy, Ron Gibbs is reported to be reconsidering his K80,000 contract with the club but Gold Coast will only release him at a price - K100,000.

Last week Manly revealed that they have not been paid the transfer fee for Gibbs and fellow Manly forward Chris Close. If this is true then Gibbs and Close are free agents. They are on the "market".

Giants chairman Bob Hogan maintains that transfer fees have been paid to Manly and other Sydney clubs.

But that is not the end of their problems. Last week the management of the club revealed that they would

obtain a bank loan to meet their financial commitments but they have not been able to do so.

The Giants seem headed for a promising future in the Sydney league with former "greats" Bob McCathy, John Saddler, Ken Irvine, and the legendary Greame Langlands to co-ordinate their activities.

But disaster seems to have struck early as this Rugby League Week report indicates.

MARCH 87: A stunning takeover of Tweed Heads Seagulls Club by a "rebel" group casts doubt over the NSWRL's introduction of a Tweed Heads outfit as the 16th team in the 1988 Winfield Cup.

APRIL: Seagulls chairman Vince Hage rejects any likelihood of a Tweed team entering the Sydney premiership in 1988, but offers 1989 as a possibility.

JUNE: The International

consortium obtains a license and offers Canterbury secretary the job of general manager. Moore turns them down.

Souths general manager and NSW State of Origin manager Terry Parker looks set to take on the general manager position. But the deal falls through.

The International Syndicate takes residence in the Sydney Hilton to interview 33 players for signing. Only five are netted.

NOVEMBER: A row develops between Giants and new sponsor, Oz Rock hotel. It culminates in the withdrawal of the sponsorship and threat of legal action over the design and the use of the Giants jersey.

FEBRUARY 88: Reports of a cash shortfall means the Giants cannot honour transfer payments by the February 19 deadline.

Rumours surface of Gibbs' dissatisfaction with the

Giants and by February 22 he asks for a release from his contract.

It is disclosed the Giants took out a \$500,000 bank loan for signing players.

Gibbs is the only player who has indicated that he is not satisfied with what the Giants have given him and he wants his contract revoked.

But the Giants, who were in Port Moresby two weeks ago, seemed to be a happy lot.

Coach Bob McCathy was pleased with the performance of his charges despite their 28-22 loss to Port Moresby and was confident that the Giants would settle in the Sydney premiership.

We will have to wait for a few weeks more to see if the job started by Gibbs and assisted by the Port Moresby team will take its course. Good luck Giants.

Defence full steam ahead

Defence showed this, last Tuesday night, when they demolished reigning champion DCA 38-6. And on Wednesday night they drew with powerful Tarangau outfit 16-16. The game could have gone their way, had their kickers been more accurate.

None of the four tries, scored by Oscar Oxap, Nelson John, Mathew Dawi and speedster Arnold Krewanty was converted. Tarangau on the other hand converted two of their three tries to draw the game.

According to Defence head coach, Joe Yore the team that played Tarangau on that night was his second best outfit, his first choice team dosed DCA on the Tuesday night game.

Yore only slotted in Joe Kure, Krewanty, Gaius Kula and Nelson John in his line-up against Tarangau to lead the youngsters.

It was all a Tarangau affair during the first two quarters. Tarangau big guns Ben Bire, Yer Bom, Joe Madidu and John Ben Moide continuously rampaged the Defence line.

On two occasions Bom and Ben Moide set up good tries from the blinder for their winger to score.

Defence only fired back a few minutes in the third quarter. Good ball work from Kula, Kure, Dawi and young half back, Joe Boino saw a try from Oxap. Good fast ball handling took Tarangau by surprise when Nelson John went in for Defence's second try. Both attempts to convert went begging.

Defence's third try was a burst from young prop, Mathew Dawi.

In the dying stages of the last quarter more fast ball handling saw Kure set up Krewanty to run in the final four points for the 16 all equaliser.

The inclusion of big prop Ben Wakore in the third quarter shut out the Tarangau attack. Wakore is making a come back after laying-off during the 1986 and 1987 season.

The other youngsters who showed great potential were, Dawi, Boino and hooker Keni More.

Defence should register their

second win tonight at the expense of Magani. Magani under former Defence coach Rob Cochrane tasted their first defeat in the hands of Air Niugini last Sunday.

Defence will have the advantage of a fast backline to run rings around slowly recovering Magani. With experienced players like Krewanty, Joe Ben, Kula, Nelson John, Kure, Alex Togola, Lucas Agi and big Isofa Falaniko they should run out victors with a big score.

And on Sunday morning they should fight out evenly with equally determined Kone Tigers. Tigers however, may not have the right ingredients against the soldiers.

This game will also be a thriller as both sides are under the experienced hands of Joe Yore and Steve Malum.

Kone Tigers with the return of Michael Matmailo, Jeffery Haoda, Alphonse Umba and five eighth Stanley Haru should have enough power to hold back the fit soldiers. However I will tip the soldiers to take this game as well.

Raiders pip Bulldogs for Gerehu Touch Flag

RAIDERS took out the Gerehu Touch Rugby Premiership when they caned the more fancied Bulldogs, 9-8 at the Gerehu Sports Stadium on Saturday.

But veteran Bulldogs kicker Peter Kaeka will not be forgiven for a long time to come. Kaeka failed to pot a penalty within easy kicking distance a minute before fulltime which denied his side the win.

With a record crowd of spectators, Raiders played thinking football to outclass Bulldogs.

And Raiders have the boots of Haoda Jackson to thank for the win. He kicked a field goal in the latter stages of the game after the scores were tied 8 - apiece.

Half-back Mike Jackson got the ball rolling when he potted a penalty goal for Raiders 10 minutes into the game after Bulldogs were penalised for not retiring the five.

However Bulldogs retaliated with a Peter Kaeka penalty goal

that brought the game to a deadlock.

Raiders managed to kick two penalty goals through Mike and Haoda Jackson to lead 6-2 at half time.

The only try of the match was scored in the second half when Bulldogs skipper Koake Hairi created a gap and snuck through to score.

Kaeka converted and Bulldogs looked set to take out the game. But an error towards the end of the game saw Haoda kick a penalty and then the field goal for the win.

Raiders supporters invaded the field after the final whistle to congratulate the players.

Raiders missed a double victory when the reserve grade side lost to Poolside Roosters 6-0.

A crocodile on the mend

PORT Moresby West's injury ridden centre Francis Morola will be back on the field this season - but not until after the Easter break. However Francis will obviously have to work twice as hard to get back into the star studded Wests "A" grade side.

So from now until Easter Francis will be concentrating on regaining the form that made him a Wests regular "A" grader last season.

Nick named "white lined face" and characterised by his uncontrollable dreadlocks, fans remember him for his ability to stretch out of seemingly impossible situations to create try scoring opportunities for his team.

Determined

Morola told RLN that it does not matter where he starts, he is determined to make it into the Wests A grade side this year.

"From now until Easter it is hard work at the gymnasium" he said.

Francis missed the chance to appear for Wests in the Port Moresby grand final last year when he fractured a bone in his forearm in a club match against Tarangau.

He had just recovered from a fractured collar bone he sustained in the 1986 grand final. Francis also nursed rib injuries in the 1984 season.

He will start wherever the coach places him and work his way up to the A grade.

"There are many promising young players in Wests this season and I will have to work extra hard to get graded," he acknowledged.

The misfortune of missing the Port Moresby grand final last year did not make him remain

idle for the rest of the year. Francis has been actively involved in the organising of Bulldogs Touch-rugby club during the off-season. In the 1986-87 off season Francis played for PTC in the NCD Public Service Rugby League and was one of the stars in PTC's grand final win.

The 25 year old Lese Oalai father of two started his rugby league career in 1979 with the Poreporena off season league competition in Port Moresby. He was in the Halagu side which was coached by former Southern Zone utility player Heni Heni. In 1980 he played for his school, De La Salle Bomana in the U60 kilogram division of the schoolboys competition.

The following year he had his first taste of playing senior football when he played for the Kum Tigers third grade side in Mt Hagen. One of his Tigers team mates is the current Dr Jim Jacobi Player of the Year, Simon Moi.

He furthered his first grade experience with Tigers in Lae whilst a student linesman at the PTC training college.

Francis joined Port Moresby Wests in 1983 and has been a crocodile since then.

"I will finish my league playing days in the black and white jersey," he said jokingly.

Francis has a lot of respect for DCA particularly his opponent Mea Morea. "Morea is a player any A grade coach would love to have in his "A"

grade side. He's got speed, stamina and courage, the trademarks of a good centre. And he always gets his man regardless of the size.

"DCA always play as a team and teamwork is the contributing factor for any team to succeed."

DCA defeated Wests in the last two Port Moresby grand finals.

Imitates Mal

Morola's idol is Kangaroos centre Mal Maninga. "I like the way he plays and I have always tried to imitate him," Francis said.

He attributes part of his success with Wests to his wife Brenda. She allows him to play is always understanding and is always there to give him every support.

Like every other league player in the country, Francis dreams of wearing the Kumul jumper in the not too distant future. "In fact that has always been my dream since schoolboy days". However his priority now is to get in the Wests A grade side.

Francis and Brenda have two girls, but they do not have any plans for them now in the sporting world.

"But if either of them get involved in any sports, I will ensure that they get all the support I can give them," Francis concluded.

• Morola downs a DCA opponent during a club match in 1986. Inset Morola at work.

Boroko too good for Bomana National Capital

REIGNING Premiers Bomana were humbled by underdogs, Boroko 22-14 in the opening match of the National Capital league pre-season at the Kone Tigers ground on Sunday.

Boroko displayed good support play and capitalised on Bomana's mistakes to win the game. Bomana were made to look like novices throughout.

However Bomana's performance on the day could be excused as the side was still re-organising itself after many of its senior players left for greener pastures.

In another upset Korobosea thrashed an equally determined Hohola side 26-18.

Korobosea with Thomas Pupun dictating play at half back played percentage football to contain the sleek Hohola outfit.

Hohola showed glimpses of its yesteryear form but only had an experimental side on the field. They have lost many of their players to the Port Moresby league too.

Korobosea drew first blood when prop Ali Kauta barged his way through the Hohola defence and set up centre Paul Ako for a try.

Hohola replied minutes later

when fullback Union convert John Gamani crossed over at the corner. Lock Bani Kamola collected the extras and Hohola led 6-4.

Kauta however denied Hohola the lead when he snuck through the tight Hohola defence to score a try. Gamani replied immediately and Kamola raised the flags again.

Korobosea led 14-12 at the break after a Pupun converted try to Paul Ako.

The second half was all Korobosea. They shut off Hohola attacking machinery and sent in Pupun and Kauta for converted tries.

Hohola could only manage a converted try.

In the last game of the day Saraga held new team Tokarara at bay with a 24-12 win. Tokarara could have done better with co-ordinated and thinking ball play.

Saraga had too much experience and out-gunned their opponents.

"PS" Country tames Defence Wewak

COUNTRY'S good form and tactics gained them a 39-16 victory over Defence in Wewak's pre-season league finals held over the weekend.

The game brought an end to the league's pre-season competition. It was a game that brought the witnessing crowd cheering from the beginning to the end. Unfortunately for the soldiers, they had to walk off the field with their heads low with 5-10 minutes remaining.

The heat was on for Country when Defence sneaky winger Yall Pagan scored a wide-out try in the first 5 minutes into the game. His try did not go unnoticed as team mate, Ivo Seo again found the try line to score yet another successfully converted try to lead by 10-0.

Country then retaliated

when big forward Charles Ofoi scored the opening try to be converted by their ace kicker Paul Labu. Country trailed Defence 10-6 but big prop-Alex Anis made his way through the Soldiers defence to score another try to equalise.

In the second half Ofoi scored his second try to be converted by Labu to be in the lead but not for very long. Defence retaliated sending one of its heavy forwards to touch down on the tryline bringing the score to 16-all.

The Defence downfall started when Country's sensational winger, Robert Ason scored a runaway try by outrunning his opponents to score right under the post. The try was easily converted and took Country to the lead with a 22-16 score. Following the kick-off, Paul Labu kicked a field goal to take Country to a lead of 23-16.

Leo Kipu added another

try for Country, 27-16 when towards the last 20 minutes of the game Robert Ason came in with three (3) successive tries none of which was converted, bringing Country to the final score.

Country's slackness in the first half of the game was due to a lack of coordination among players. However the players managed to get their heads together as the game progressed, controlling their ball handling and tactics to come out the winners.

On the contrary, the Soldiers lost some of their good players due to other commitments that they have. However from its performance, Country's stamina was at its best.

In the other finals played, Defence defeated Royals in the Reserve grade and in the Under 19 finals, Royals came out the winners over Wharfies.

Alotau Alotau Re-emerges

ALOTAU League is heading for the big time this year.

Under new president Michael Kopana the league has affiliated with the Papua New Guinea Rugby Football League and is all set to kick off its pre season competition on the 12th and the 13th of March.

The six clubs from last year have re-affiliated. The clubs are United, Hivolele, Tigers, Raiders, Tarangau and Bay Cabs. The league hopes to introduce a junior competition this season to meet PNGRFL requirements.

President Kopana said that the instruction was for the league to start an U19 competition. But that is impossible as there are not many potential U19s in Alotau now. Kopana hopes to substitute the U19 division with an U18 division.

Alotau league also hopes to send a representative side to Popondetta later this month for the Popondetta/Alotau combined side to play in the country trials in Port Moresby.

A combined Country side will then be selected to play against Port Moresby for the Southern Zone selection trials.

The only problem facing the league at this stage is the shortage of referees. Last year the referees association had 14 registered members but only six ever refereed games.

This year the league hopes that this problem will be overcome and a smooth season will be experienced.

The league president is also confident that Alotau league will be considered to participate in the Cambridge Cup Tournament later this year.

Alotau league has just entered the PNG league arena but should be able to stand its ground and produce class players.

Madang Hawks, to beat this season

MADANG Hawks seem headed for another successful season. They have won all the pre-season games and are on top of the pre-season points ladder.

League president Stanley Pil said that the other clubs are slowly getting back to form.

He said one other club that seemed to have settled is Brothers. Pil said that the club is more organised than before and is now playing in a more controlled and disciplined manner.

Last year's runners up Air Niugini has not reached the form that

took them into the grand final last year. But most of the club players are students at the Divine Word Institute and are still settling into their studies. The club should get back its form as soon as the students have settled into school.

The Madang League

is into its 4th week of the pre-season and clubs are still adjusting new players from within and outside of Madang.

President Pil said that with the influx of players to Madang the league is hoping to have a very competitive season.

North Solomons ANG flying high

THE North Solomons rugby league pre-season is in its third week and premiers Air Niugini has established itself as the team to beat.

Last week they handed strong finishing Souths a narrow 14-8 loss.

This weekend they will be meeting new team Tarakum and should emerge easy winners. Tarakum offered no resistance against Wests last Sunday.

League secretary Peter Sepe said that the pre-season will continue for the next three weeks with the play-off on the 27th of March. The pre-season final will be on the 3rd of April.

Last year's minor premiers Sea Raiders had a tough game against East, just scraping through

for a 8-6 win.

In the main game this weekend Raiders will take on Souths and will definitely be in for a hard time. Souths let Air Niugini slip through their fingers last weekend but will make sure that Raiders do not get away this time.

In the early game this Sunday last years premiership runners-up Easts will be in for a roasting in the hands of Wests. Wests demolished Tarakum 41-14 last weekend and if Easts take this game lightly they will have no mercy from their other extreme.

Sepe also revealed that the junior competition will commence with the premiership race. This season each club is required to sponsor a junior team.

Muruks gallop away in Kimbe pre-season

Kimbe

New team Muruks are the team to beat in Kimbe League this season. With 4 weeks remaining in the rich (Kimbe Standards) Walala Cup pre-season tournament Muruks have so far been undefeated and look

set to win the tourney.

The Walala Cup sponsors have increased the prize money for the tournament. The winners will now be getting K2000, an increase of K1000 from last year.

With Kimbe's only local Kumul and Brothers defector Darius Haili in the side,

the league novices have moulded into a formidable outfit. His combination with another Brothers convert Apelis Maniot have kept the Muruks above their opponents.

Their biggest test will however come up this weekend when they take on another undefeated team

United.

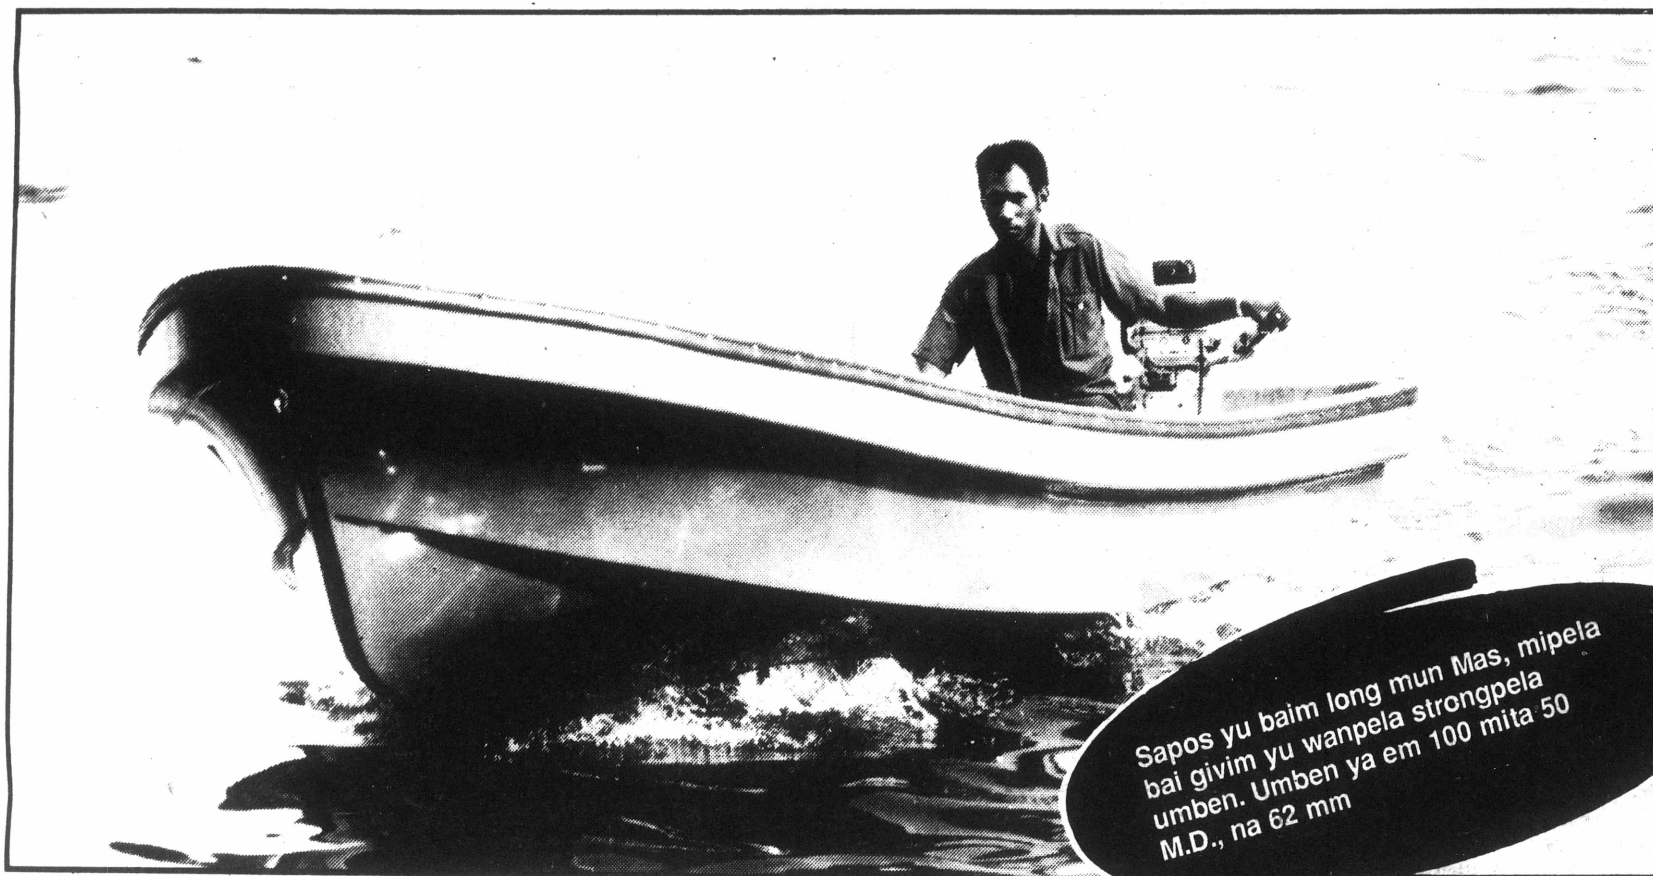

United is the other team that has a Kumul in Thomas Rombuck. Rombuck was imported from Lae this season. They were the runners up in last year's Kimbe premiership race. This year they have vowed to capture the trophy that has eluded them for so long.
