Dear Miss Bowersox:

Many thanks for your letter of the 16th.

We are in no great hurry to find additional help before either the 1st or 15th of September, and so the question arises whether <sup>you</sup> ~~we~~ would be in a position to make a decision now, say for the 1st of September. If you feel free to do so now, then it would perhaps be a good idea to discuss these things while I shall be in the East next week. Could you drop me a line as soon as you get this letter, addressed to me at the King's Crown Hotel, 420 West 116th Street, New York City, and let me know your telephone number? I will try to call you then and see if we can arrange a meeting. If you can not be reached over the telephone, then I would suggest that you call me in New York, collect, at the King's Crown Hotel (University 4-2700), Monday, February 2, or else Saturday, January 31, in the morning before 9:30 A.M.

Sincerely yours,

Leo Szilard

Dear Dr. Szilard:

Again I thank you for your kind interest and effort to reach me, but again I must give a negative answer.

Due to the circumstances under which I am working, I am not able to make a decision for next year (September) until the end of June or the first of July.

I sincerely hope that my reply will reach in time.

Very truly yours,  
Jeanne Powersox

Dear Miss Bowersox:

We have been in correspondence with each other <sup>in</sup>  
~~since~~ January, 1948, and I am writing at this time  
to ask you whether you would be interested to take  
a position (research assistant) with our Institute.  
If you will let me know whether you are interested  
in principle, I shall let you know about further  
details.

Sincerely yours,

Leo Szilard
