THE UNITED PARTY

LOCAL AND COMMUNITY GOVERNMENT

The United Party will work to:

- ** Strengthen the operations, existence and effectiveness of Local and Community Governments.
- ** Establish a Parliamentary Committee to review operations and problems affecting Provincial Governments with emphasis to minimise wastage of funds and permit efficiency and productivity to exist in bringing development and service to the rural communities.
- ** Encourage and improve revenue raising powers and measures of Community Governments and Local Government Councils through communal involvement in commerce.
- ** Ensure that Provincial Governments have adequate expertise and organisation required, adequate and assured sources of revenue over which they have control and responsibility.
- ** Ensure that Provincial Governments possess meaningful control over natural resource developments in their Provinces.
- ** Encourage Provincial and Community Governments to fully assist in rural developments to bring about self-sustaining small scale economic activities including:
 - * Administering all such funds for rural development.
 - * Promote the use of Rural Technology and Training to ensure most effective use of funds for the purpose of creating employment, etc.
 - * Constant liaison with National Government.
 - * Increasing production in the Rural Sector so as to ensure that communal and individual business opportunities are created, the necessary infrastructure is developed to communities most willing to contribute and to ensure that less developed areas and communities are involved.
 - * Through Health, Education, Housing and other programmes, provide village people with improved living conditions and better knowledge of Government assistance and facilities available to them.
 - * Insist on the use of prison labour to undertake public works for the benefit of the Rural Sector in such a way as to promote development of the Rural Economy (See National Youth Service).
- ** At all times encourage a spirit of trust and co-operation between National and Provincial Governments, particularly in areas where they have differing obligations.

THE NATIONAL ECONOMY OF PAPUA NEW GUINEA

The United Party is committed to:

- ** Ensure that Papua New Guinea Economic Policy objectives are constantly reviewed realistic economic Independence through growth in the next 10 years.
- ** Ensure that all such policy objectives are implemented to the maximum, equally to all regions of the country in order that the majority of our people in the Rural Sector can meaningfully participate in some form of economic activities, and to promote income earning in the next 10 years.
- ** As a top priority, abolish the National Investment and Development Authority, and in its place amalgamate all existing Statutory Boards into one body to be known as the Permanent Investment Board of Papua New Guinea to promote investment incentive and streamline current bureaucratic procedures.
- ** To complement the Permanent Investment Board, the introduction of the Bonding System shall be made whereby foreign investors are required to pay the State a bonding fee between K50,000 and K500,000 depending on the type of business, and upon payment of such fees the National Government shall grant Permanent residential status. This will eliminate some of the insecurity experienced by genuine investors and to ensure that those foreigners only with money can invest and enter the country.
- ** Ensure that all political decisions made must bear long term benefit to the economy of the people.
- ** Create a stable environment in making the Private Sector become the main area of employment in the country, so that the economy is able to yield the Government all revenue it needs to pay for the services which our people demand and to which they are rightly entitled.
- ** Initiate new policies in encouraging Papua New Guineans in establishing small scale manufacturing industries with strong emphasis of reducing dependence on imports in the next 10 years.
- ** Recreate stronger trading links with neighbouring countries in the Asia Pacific Region for better services and high resultant real per capital income.
- ** Encourage realistic training of Nationals to capably take over operations and management positions in the next 10 years in major companies operating in PNG.
- ** Encourage offshore borrowing so as not to reduce the capacity of the banks within the country to lend to new and existing Papua New Guinea enterprises, while multi-national companies wishing to venture into investments worth K10 million or over will be required to bring their own finance.
- ** Extend the current Government guarantee scheme to the Agriculture Bank and other financial institutions to provide Nationals with options of obtaining funds for economic development.

AUSTRALIA versus THE REST

PROBABLE MATCH DUE JULY 23 or 26

By Benny Bogg
Staff writer of Rugby League News

WITH France out of the World Cup race came a number of questions that must be settled among the other rugby league nations.

One of the big questions is what to do about the programme which has France as one of the participants in the cup series.

The other question is whether the other four remaining nations should carry on the series or call it null and void and let the International Rugby League Association come up with a new idea when the member nations meet in Port Moresby on July 9 or 10 this year.

From Sydney the secretary of the International Rugby League Association, Bob Abbott told RLN that the whole programme will be reviewed at that meeting in Port Moresby.

It has been known for sometime now that Australia is planning to do away with one test events and concentrate with the competition in the land down under.

And Mr. Abbott said the international body has been working on the idea of having Papua New Guinea, New Zealand, England and France form a rest of the world team and challenge Australia in 1988 as part of the Bicentennial celebrations.

The probable date for the match would be July 23 or 26 in Sydney.

The talk of having the rest of the world against Australia is being toyed with by Australian rugby league greats and here below is an extract from RLW by RAY PRICE in Sydney.

THE Australian Rugby League should call off the one test non event against New Zealand — and replace it with an Australia v The Rest promotion at Parramatta Stadium.

If they are going to have a 'one off' match they should make it just that. And use it to better the code's public relations and donate a percentage of the gate takings to a leading charity.

One test against New Zealand is a waste of time. It is about as eventful as a grand final replay an anti climax no one

wants.

I don't think any of the Aussies could get themselves keyed up for such a nothing test and the Kiwis, less Mark Graham and Graham Lowe, won't be able to prepare themselves to anything like the extent of the past two seasons.

We play the Kiwis all the time. They should have beaten us in the three test series of 1985 and proved worthy opponents again last year.

But if you can't have a fair dinkum series against them, why bother at all just for the sake of filling in a gap left by the unavailability of the Frenchmen. Put on something different altogether, Arko. At least something that is going to attract a bit of interest — if only for its novelty.

I know there is talk of having a match against the Rest of the World as part of the Bicentennial celebrations in 1988. But why wait? Or why not have a game this year and next?

It would be a fantastic spectacle, like the old days in rugby union when matches between test countries and the Barbarians used to pack the crowds in.

And you'd have to use Parramatta Stadium — it's closer to the centre of the Sydney population area and a lot more intimate than the big, round Sydney Cricket Ground.

We'd have a great contest. And Graham, who has told New Zealand to go jump, would play (he'd be my captain) and Graham Lowe, the most qualified man to coach the side could also be brought back to the international scene.

My World 13 would be: Joe Lydon, Darrell Williams, Garry Schofield, James Leuluai, Henderson Gill, Ellery Hanley, Clayton Friend, Hugh McGahan, Mark Graham (c), Lee Crooks, Kevin Ward, Kevin Beardmore, Dane Sorensen.

And have Papua New Guinea and France representatives as reserves.

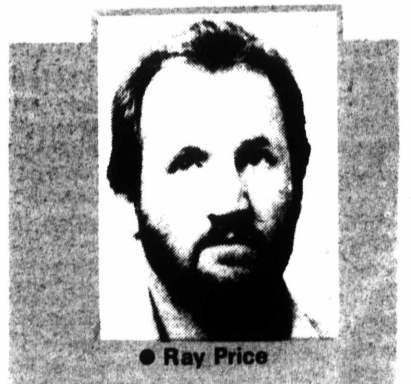

It would be a great promotion for the game. It's a pity it won't happen, and instead we'll all be bored by a dreary one hit wonder against the Kiwis where nothing is at stake and no-one really cares.

WHO IS OZ IN LEAGUE

COMMENTARY

by **BENNY BOGG**
Editor of Rugby League News

In football professionalism means a lot. And many great football characters fight legal battles and spend sleepless hours forming plans for attack against their opponents with millions of dollars awaiting them as their prize at the end of all these hardships.

Among the five big nations of rugby league Australia is used as the yardstick for professionalism. That is quite true for England where blokes like Joe Lydon, Darrell Williams, Garry Schofield, Ellery Hanley, Des Drummond and a bunch of other guys have at one time or another played in Australia for the sake of gaining experience and a few quick bucks.

It is also true for New Zealand that Australia has more in the professional era than them. Eastern Suburbs' Hugh McGahan would have been in New Zealand if the competition there was as strong or stronger than it is in Australia. And who can explain better the feelings of the Kiwi's captain Mark Graham (who is also playing in Australia) when over the controversy surrounding former Kiwi coach Graham Lowe told New Zealand to go jump...

For those Englishmen and the New Zealanders who play football for the money Australia has everything they dream about. It has the competition where one rubs shoulders with the world's greatest players. It has easy and better living conditions for professional players than those in England and New Zealand. To play in Sydney means that you are the best and that is what the Frenchmen and Papua New Guineans are trying to do today — get to Sydney and play.

Now this brings to my mind something I saw in one of the Australian papers when Ray Price (Australia's infamous footballer) said a few words as his own opinion about Australia, rugby league and further on something about Papua New Guinea.

Commenting on the one test which New Zealand is scheduled to play against Australia before coming to Papua New Guinea instead of the PNG—France affair later this year Pricey said this.

"The Australian rugby league should call off the one test non-event against New Zealand—and replace it with an Australia v The Rest..."

Pricey said that the one test is a waste of time and puts in a proposal for Australia to play against a world side. The world side would comprise England and New Zealand with France and Papua New Guinea on the bench full time.

Pricey is right in his thinking that everything on rugby league centres around Sydney and Australia. He implies that the current World Cup series is a waste of time for Australia. And I think he is sitting in a better position to judge that right now. Pricey as a commentator for radio 2UE in Sydney concentrates on rugby league in Australia and around the world. He probably is the next best man after Australian rugby league chairman, Ken Arthurson to seek advice from them on international rugby league.

For Australia Pricey said in that opinion column of his "We will have to play New Zealand. It is a pity. We'll all be bored by a dreary one hit wonder against the Kiwis, where nothing is at stake and no-one really cares."

For New Zealand the test match means plenty. If New Zealand wins then Australia will try harder to get their honour back.

For New Zealand, Papua New Guinea and France and most probably England there is great competition in rugby league and with that is the big interest and challenge. People will pay to go watch football if there is a chance of winning against New Zealand, France or England. Who would go to see Australia beat PNG 64 — 12?

Here then I hope to say, let Pricey talk about Sydney and Australia. In PNG let us go on playing. We have great competition against the other three rugby league nations. Lets keep growing with these other rugby league nations where there is better chances of coming out level or on top of them. We are not yet professionals. But we are getting there.

One day we will be there and I believe Pricey will be around still to see the day PNG beats Australia in an evenly fought out match.

Womens' top four teams are shaken

by **Raymond August**
Special to Rugby League News

THE Port Moresby Women's seven a side competition hit peak last weekend as four top teams in the competition were stretched to the limits.

In the four main games, Haus Bilas continued its winning spree while opponent Nissan Rebels flunked

its test again. The full time score was 2-0.

Niugini Lloyds in the next battle of the fittest and greediest won its fight against slow runners Finance. Niugini Lloyds from Kaugere won 1-0.

Rockets drew with DHL Works 1-all and PTC also levelled the

score with equally skillful Rooster 1-1. All the matches played at the UPNG sports ground last Sunday collected a favourable crowd.

In the Haus Bilas Nissan Rebel game, the match started off with both sides defending and attacking well until after some 10 minutes when Konio broke loose in an assault

movement to score wide.

In the next half Haus Bilas continued its devastating moves and scored another point from a try by Konzi. The rest of the game was given to Haus Bilas to defend its two points. It did very well.

Niugini Lloyds Kaugere recorded another win last Sunday when it defeated Finance 2-0.

The match was a very close struggle but the fitter and best side won. Evaea Aua scored one try for Kaugere and Theresea Jack the other.

The PTC versus Roosters affair was seen as anybody's and it ended up with a tie to both teams. Maria Eginka went in for PTC and Theima Samual touched down for Roosters.

For the Rockets and DHL Works match the final was nil-all. And what more can be said about the clash apart from both putting up great defence until full time.

Scores of other matches are:

Customs 1 drew with Elcom 1. Medics 10 (forfeit win) defeated Vikings 0. CC Bullets 10 (forfeit win) defeated Bulldogs 0. Transport 0 drew with Stilas 0. DCA 2 defeated Logo Energy 1. Mirikuro 2 defeated PTC 0. Harbours 10 (forfeit win) defeated Finance 0. Roosters 4 defeated Nissan Rebels 0. Haus Bilas 2 drew with DPM 2. Kaugere 4 defeated Rockets 2. The classic rain game at UPNG

by **Raymond August**
Special to Rugby League News

THE rainy conditions made the university competition even more interesting last Sunday as Norths and United fought out an even tussle to a nil-all score at fulltime.

In the first half both teams hit the field with determination and such skills and courage as can be seen anywhere. The barging, hard, straight up the middle runs and bone crushing tackles would have resulted in several tries if only one team handed out the punishment. But last weekend it was different.

Norths under the captaincy of Mathew Piamok defended very well while United's captain Supanga with fearsome forward Fred Alu led the team headlong into attack all through the match.

United's big prop Noki Peng and Harvey Bill played a superb game but such classic play was let down by lack of backup play and sluggish moves from the backline.

Several times Peng, and that goes for Bill as well, raced the ball ahead in some fine clean break through the Norths' defences but found himself alone and out of breath.

Someone from the crowd shouted "throw the ball around" and if United had done just that there could have been some form of score on the scoreboard at fulltime.

Norths' tireless forwards Francis Howi and

Bill Diware did very well in the frontline. Hard runs was Norths' order of the day. But slack backline caused delays in ball handling and the two teams drew nil-all.

In the second half Norths' Piamok kicked some excellent bombs into United's territory but Benson Damaru and Bono Damela were always on the ball first for United. United's Poponowa Danny, Peng and Bill gave their best for their team while in the Norths' team Divare, Howi and Piamok shone out from the rest.

In the other match of the day Mark Par masterminded his team, Blue Spiders, against NGI and defeated NGI 12-10.

Medics recorded another win last Sunday by defeating Souths 10-4. Medics' best were Anton Wal, Marabe Dagina and Kauve Pomat.

The unpublished results of UPNG rugby league during matches in the week before last were as follows: NGI 24 defeated North 14. Medics 2 defeated Blue Spiders 0 and Souths 12 dumped United 4.

An eye opener

KIUNGA

by IAN KAKARERE
Special to Rugby League News

THE first round of the Kiunga rugby league 1987 season was a real eye opener for the spectators.

In the main "A" grade game last Sunday, the newly formed Brothers club thrashed Magani 24-8.

In the first half, Kiunga Airport Motel (Kam) Magani, in their new red and green jerseys were at full throttle.

Kam Magani five eighth Willie Jagara was setting up play for his backline resulting in right wing Bamoro Olewale and outside centre Buge Wamu each scoring unconverted tries.

Brothers' only first half score was when left wing Leonard Marisa scored an unconverted try in a corner.

Kam Magani led Brothers 8-4 at halftime.

The first 20 minutes of the second half was perhaps one of the best displays of backline movements with the brethren scoring three quick tries by inside — centre Oscar "Oksie" Oksap, outside centre Makeso Nago and five eighth and skipper Tom Penny.

Hooker Willie Vele converted Penny's try.

The Magani defence was literally shot to pieces by Brothers and the Magani attack was mowed down the Brothers' defence led by halfback and tackling machine Cornell Daipo.

Brothers' speedster and right wing Kapona Boga sealed the game by outpacing the Magani defence for a try. Hooker Vele added the finishing touches by kicking the conversion to have the final score at Brothers 24 defeating Kiunga Airport Motel Magani 8.

In an early "A" grade, United and Wali West provided the spectators with a heart stopping 18-all draw.

Both sides played open football, with top class backup and support play, and the fans witnessed a game in which the leader changed five times.

United's outside centre Steven Garo drew first blood when he scored a try after classic rugby league backline movement. United's young up and coming fullback Senam Wakia converted to give United a 6-0 lead.

Wali West warhorse and second rower Ware Sokram went on the rampage to score a try unconverted try.

But in game where tit-for-tat was the rule, United five eighth Billy Seove equalised the score at 18-all with a try.

Final score: United 18 drew with Wali West 18.

Tour plans change

THE PNG rugby football league executives made a minor change to the itinerary programme for the Kumuls' tour of Europe in October this year during its annual meeting held in Lae last weekend.

Speaking from Lae on Tuesday, the vice president Mr Brian King said that the executive proposed to change its tour programme from France.

In the original programme was to have five games with the French Roosters. But the change, if approved by the French national league officials, would only allow PNG to have three of those games instead of five.

Mr King said that the reason for the change was due to logical reasoning that PNG should cut down the number of days for the tour and harmonise with money it was allowed to spend.

In another discussion at the meeting, Madang and Rabaul received the nod from the executive to participate in the national competitions. Full story on page 6.

Angry ref lashes out

PORT Moresby referee Jerry Martin has hit out at reports than an application from the Public Servants rugby football league requesting his services on their tour of Cairns has been rejected.

Mr Martin could not confirm reports that the president of the Port Moresby rugby league referees association Mr Cliff Kowih had rejected the application on the grounds that it was submitted too late.

However, Mr Martin said that the application to release him for the tour was accepted by the referees association at its general meeting on April 3. And whatever Mr Kowih had revealed regarding the matter was only personal. Mr Kowih could not be contacted for comment.

Port Moresby refs vote Tom Pelis

IN other developments, the Port Moresby rugby football league referees association moved a successful vote of no confidence ousting the executive in a special general meeting on Monday.

When moving the motion, reasons for the motion were cited as being the lack of concern by the executive in

the progress of the referees. One angry member was heard to say that the president was so concerned about his beer.

However all the old executive members were returned when the new election were held. The only change was the election of Tom Pelis as the president. Cliff Kowih the former president was surpris-

RUGBY league in the small border town of Vanimo has shown great improvement, as was evident during the pre-season, which kicked off a week ago. The league was expanded with the inclusion of new club, Works. Vanimo league now has six clubs with teams in "A" and "B" grade.

The league secretary, Mr Jack Mandari revealed that the league games had shown great improvement and the performances of the teams had given the followers their money's worth.

The league has also appointed referees and a match committee to take charge of the games this season. The other clubs in the season's

competition are Brothers, Hawks, Defence, Sea Eagles and Tarakum.

In the games played last Sunday, Hawks thrashed mighty Brothers 52-20 and newcomers, Works walloped last year's runner-up Sea Eagles, 30-14. Defence and Tarakum who were scheduled for a game, did not take the field.

Works club, comprising mainly of former Sea Eagles players has shown that it will be a team to be reckoned with and will be giving the other established teams a good run for their money.

Defence will be another team that is expected to make its presence felt this season. And with many experienced players on the side, will be going into the field this season to win.

Twisties extends its sponsorship to Madang Bros

MADANG'S Brothers club now has a new sponsor.

Twisties has extended its sponsorship of the Port Moresby Brothers club to include Madang.

Area sales manager for Twisties, Paul Aisir, on Tuesday presented Brothers president Granso Barnabas with a check worth K2,000 to clinch the two year contract.

Brothers is the only club in Madang to be sponsored by an outside business house. Mr Barnabas said although he approached Twisties fairly late he got a very good response.

Unlike the Moresby club, Brothers in Madang is a major force.

Last year its "A" grade team entered the premiership but lost to Panthers. It is doing well with all its three grades this year, Mr Barnabas said.

The club has been strengthened by players from Souths. (Souths are not playing this year.)

Former sponsors for Madang Brothers was Redscar.

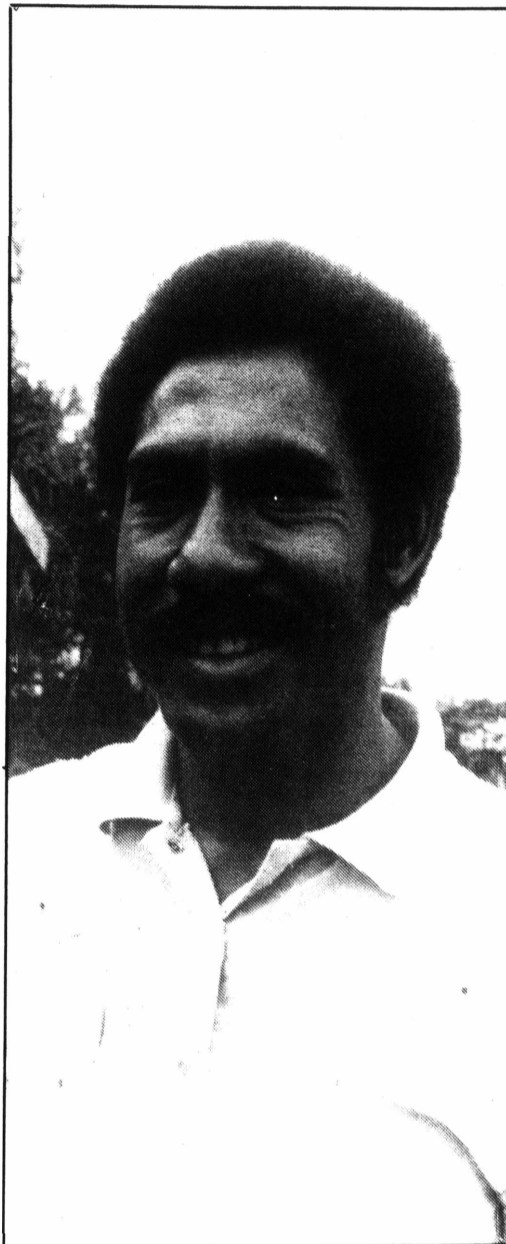

Panthers win Unagi Shield

SOUTHERN Siko Panthers, the clear favourites of the 1986-1987 off season David Unagi competition won the Unagi Shield plus a rich prize of K500.

A total of K2,000 was spent by Mr David Unagi in sponsoring the off season competition when the money was divided up among all clubs ranging from the top of the ladder to the lowest in both the "A" and "B" grades.

The second highest prize money of K200,000 in the competition went to Furike. And Grassroots being the side with the third highest points received the third major prize money of K150.

In the "A" Reserves Nagakofu was the clear winner taking out the major prize.

PANASONIC

The Northern Territory side wants to win

by Henry Morabang
Staff writer of Rugby League News

THE Northern Territory side will surely give Port Moresby a run for its money when they meet this Sunday at Lloyd Robson Oval in Port Moresby.

Port Moresby should not expect on easy win this time. The Northerners are up to take revenge for their loss last year.

The Panasonic Cup series countdown between Northern Territory and Port Moresby is expected to be aggressive and tougher than last year's.

Speaking from Darwin, secretary Steve Balch said Northern Territory was equipped with a group of young players with experience.

Unfortunately Northern Territory only retained three of its players from last year's squad. They are Don Firth, Steve Packer and Archie Tanner.

Among the other squad members — one of the travelling reserves — is Jack Norris a Port Moresby born player.

Secretary Balch rated Norris as "one of our best utility forwards". Mr Balch said the squad would be under the care of experience coach Brian "Chicka" Morton.

The full squad is as follows: Firth, Jeff Burr, Jack Bannorman, Mark Hunt, Packer, Michael MaCarron, Raphael King, Robert Manwarring, Graham Smith, Rickey Finn, Tanner, Niel Jameson and Don Pecchey. Reserves: Henry Burgess, Norris, Charlie Tapim and Chris Chan.

Its good news for Madang and Rabaul

by HENRY MORABANG
Staff writer of Rugby League News

MADANG and Rabaul are now members of the Papua New Guinea rugby football league family.

Their fate had been discussed at the general meeting held in Lae last weekend. Both leagues were suspended from the national body because of their late payments of affiliation fees last season.

RLN contacted the PNGRFL secretary Martin Adamson but he denied reports that Madang and Rabaul were now genuine members of PNGRFL.

However, the Madang president Stanley Pil told RLN that he was one happy man after the ruling made by the PNGRFL meeting.

It was from last year's administration

that Madang got axed, he said.

There were a few heated arguments during the meeting as to whether Madang and Rabaul be accepted as members of PNGRFL or not.

Mr Pil said Kimbe and Bougainville league disagreed with the ruling. In the argument, they had decided to hold a secret ballot which showed that Madang was accepted in as member with 16-15 in favour of Madang.

The jubilant president said most of Highlands league supported Madang and Rabaul. And it was logical thoughts that saved Madang.

Mr Pil said, now that Madang was in, he would work hard to raise the standard of football and upgrade sporting facilities.

He said he believed that Madang had one of the best rugby fields in the

Northern part of the country.

"Madang has the best facilities in the Northern zone but it was through poor administration that Madang's public relations in sports took a nose dive."

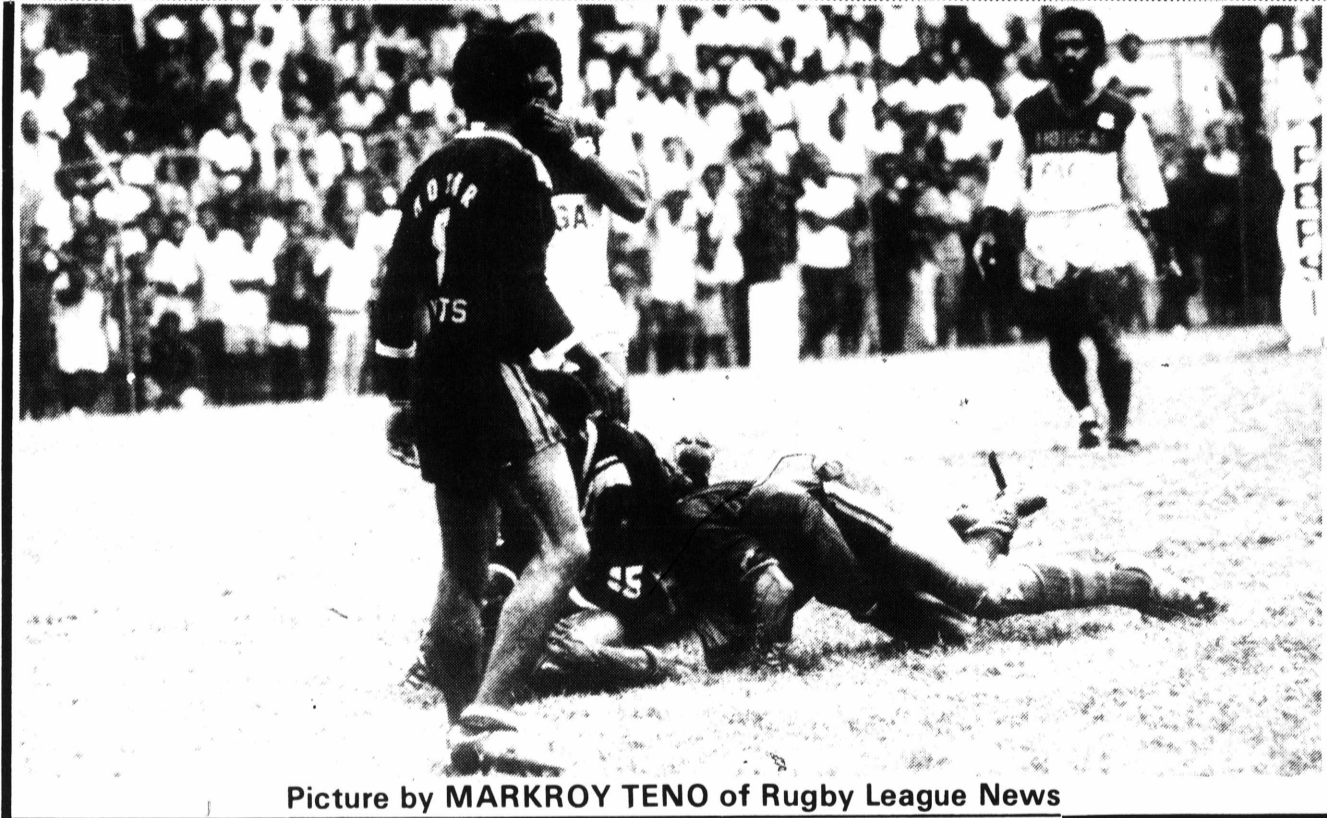

Meanwhile Pil's counterpart in Rabaul also expressed happiness over PNGRFL to allow Rabaul into the national league body.

The Rabaul league secretary David Hastings said, "it was really great news for potential Kumuls."

Before the "case" young players said the slack administration had deprived them their chances of becoming Kumuls. But now the door had been opened.

Now both leagues were heading for a brighter year this year.

THE SUNDAY WEST LOST TO PAGA

Meet the Port Moresby boys

Robert Jakis — The most damaging forward in this line-up. If he creates a link with Gideon Kouoru, should be the trumpcard.

Mathias Kitimon — seasoned campaigner, making a comeback ... has a pair of safe hands and is a methodical attacker.

Mala Soi — making his debut; was in the Wopa Tigers team that lost to DCA in last year's Cambridge Cup grand final.

Luke Auro — Making his debut as a forward, used to be a flashy centre.

Bernard Waketsi — "Aging" but still going on as strong as ever.

Koivi Pirika — finally the selectors have realised this man's potential; slippery when in procession and a work horse defender.

Tati Ivava — The "iron man"

Gideon Kouoru — Powerhouse — will be missing his right hand man, brother Haoda; will create havoc if he gets similar support from Robert Jakis.

Dairi Kovae — "Dux" should be the dux in this encounter.

Kepi Saea — A little man with a big heart; should justify his selection with another blistering performance.

Arnold Kerewanty — minute; but is very pacy, the smell of the opponent tryline will draw him onwards like metal attracted to a magnet.

Moale Nou — An unknown quantity. But if the selectors three of the best around made him their No 7 he should do well.

Roy Heni — The world's No 1 rated rake, what else can we say.

Joe Tep — The other of the Defence "bouncers", should keep up to his title.

RESERVES

Michael Matmilo — One of the best support players around the place.

Wata Sauna — An elusive winger, by trade; could be an ace in the original 13.

North Solomons' giant wakes up at last

NORTH SOLOMONS' sleeping giant Royals registered two competition points at the expense of its rival club West in front of a capacity crowd by thrashing them 30-18 points. Royals ran into the field as the favourite team of the day.

Royals were first to draw blood when centre John Lucas crossed over for the first try under the uprights.

And John Willy made no mistake in booting the conversion.

At the halftime, both sides started their fireworks which forced the game to be played in the centre of the showground.

Royals' stalwart George Sine led the backline with the assistance of Safex Puipui, Peter Bomai, John Don Simbu, import Paul Suine and "Men at Work" Bob Timints who demoralised the West defence.

Royals backline although without the services of John Tangina and Peter Miriki, stood and scored all five tries.

Willy John "StenoKid" made his presence felt when he intercepted a West silly pass in Royals tryline and went for 100 metre dash for a touchdown near the uprights.

Royals' other tries were scored by young promising centre Kenneth Lingur and fullback Rendol Bernard.

John Willy successfully converted six out of eight attempts.

West on the other had, should blame themselves for lack of team co-ordination which forced them into committing many common errors.

Prop Tom Kuanis Zion and John Kints tried their best for West.

Young Ben Tints put up some eye opening football however his backline was unorganised.

On Saturday, Air Niugini went down to a younger side led by explosive fullback Paul Katuna.

Air Niugini looked the better side of the day however silly mistakes ended the day for them with 18-16.

In the early encounter, glamour team Sea Raider went down to most improved Souths 26-12 points.

Waine scored a try to tie a knot for Kundiawa

by Lindsay Ongapa
Special to Rugby League News

A try by replacement second rower Jerry Waine, five minutes before fulltime saved the day for Waghi Eagles for a much needed draw against pre-season premier Sika Brothers in the main "A" grade match of Kundiawa rugby league competition.

Down by four points before fulltime, Waine a former Port Moresby Defence club player, collected the ball from a scrum formation 10 metres away from the Brothers tryline and barged his way through Brothers defenders for an equaliser. If only the conversion was successful, Eagles would have come out the winning side, however due to the muddy condition, the conversion attempt was unsuccessful leaving the score at 22 all.

The game was a real fight in which Sika Brothers and Eagles played superb football and put the spectators on their toes all throughout the game.

Play seesawed for the next 20 minutes until Brothers centre Bal Numapo made a good break from a 25 metre line for a centre try converted his own try and brought the score to 10-0 in favour of Brothers.

Eagles after getting themselves organised, sent outside centre Thomas Luana for an unconverted try. This try added a bit of morale among Eagles' players and another unconverted try was scored to bring the score to 10 all. Eagles were penalised 10 metres in front of their tryline and Numapo had no problem potting a penalty kick to take the lead. Halftime score was Brothers 12 and Eagles 12.

Second half was a repeat performance by both teams, as they tried desperately to find gaps to score tries. Brothers after a good ball work sent their outside centre for an unconverted try to take up the lead at 16 points to 12. Eagles put up a strong defence, but then were penalised by the match referee for not keeping five yards and Numapo for Brothers converted the penalty to bring the score at 18-12.

Eagles retaliated and saw Waine make a

MORESBY'S PANASONIC LINE — UP

Panasonic cup biodata Page 6

by Joseph Kau
Staff writer of Rugby League News

The Port Moresby squad for this weekend's National Panasonic Cup game looks all set to repeat the dosage they meted out to the Northern Territory team last year.

Coach Steve Malum said that this year's side was fairly balanced. "The backline comprises a lot of new faces, but they should be able to carry out the task expected of them."

Malum said that the side could have been no better.

The flanks are well covered with speedsters Arnold Kerewanty and Mala Soi manning the fort. Both were making their debut, but had previous experience playing pressure football and should live up to expectations.

Centres Dairi Kavae and Kepi Saea are probably the best available centres in the business and their combined moves should see them overtake their opponents on the day.

The three-quarters, Loivi Pirika at five eighth and Moale Nou at halfback were

RLN'S looks at the Port Moresby team for this weekend's National Panasonic Cup match against Northern Territory.

relatively new to the business. However their form more than anything else has justified their selections and top performances are expected from them on the day.

The forwards consists of a mean looking bunch in the likes of Robert Jakis, Roy Heni, Joe 'Tip' Tep, Luke Auro, Bernard Waketsi and Gideon Kouoru. Expect for Kouoru and Auro, the others played against the Northerners last year. Kouoru in particular will be dangerous on the bust and if he links well with Jakis, will spell double trouble for Northern Territory.

Finally on the last line of defence will be the ever reliable Mathias Kitimon. Kitimon is a reknown defender and should be able to put up to any tricks the Northerners may employ. His ability to

read the game will be an additional asset to the team.

The reserves Michael Matmilo, Wata Sauna, Tony Kila and Tati Ivava are capable replacements. Of the four, Kila and Ivava were in last year's National Panasonic Cup squad.

Skipper Heni was hesitant to say outright about the prospects of the team but he did say that although there were many new faces in the side, particularly in the backline, the experience up front should pave the way for the backline to click.

The Port Moresby side will be coached by Steve Malum. Malum will be assisted by the Sydney City Firsts coach, John Peard, who his up here on a Pepsi sponsorship. The trainer is Sam Susuve and the manager is Thomas Tekri.

Wabag is alive and kicking

by Alphonse Tanne
Special to Rugby League News

HERE in Wabag, rugby league is truly well and alive. However matches are too frequently halted and not allowed to end in the normal acceptable manner... But nobody is complaining as this is rugby season Wabag style.

We still play it hard maybe harder compared to other centres and occasionally mixed with that unnecessary extra muscle but then rugby league here is not a body contact sport but a body collision sport.

Everybody enjoys watching our games here with club supporters eveready to participate whenever a opportunity presents itself, be it exchanges of abuses amongst supporters or taking the field to take sides when a scuffle erupts. Our competition would rate the most colourful and unpredictably eventful in the land maybe second to the soccer matches played by the different villages on Manam Island, Madang.

Brothers reaffirmed their favouritism for this year's flag with a gritty draw against Tarakum in the late weekend matches. The game was once again called off with exactly 15 minutes remaining when Brothers supporters insulted the match referee who sought refuge amongst the supporters.

In the first game Magani earned its first competition points against the Tigers. Notable omission for the Tigers was their Mr "Energy" Toksy Nema to fall easy prey for Magani to win 12 points to 6.

The final game between Hawks and Yab East was forfeited to Hawks when East failed to field a team.

In the other developments Wabag now has a registered referees association headed by Sonny Kopyoto as president, Kale Garap the secretary and A Tanne the treasurer.

A total of 10 referees have been registered with the PNGRLF referees' association but they are still waiting for their uniforms.

National Capital games rescheduled

NATIONAL Capital league games for this weekend have been re-scheduled so that loyal followers could be given a chance to view and support the local side in the National Panasonic Cup game.

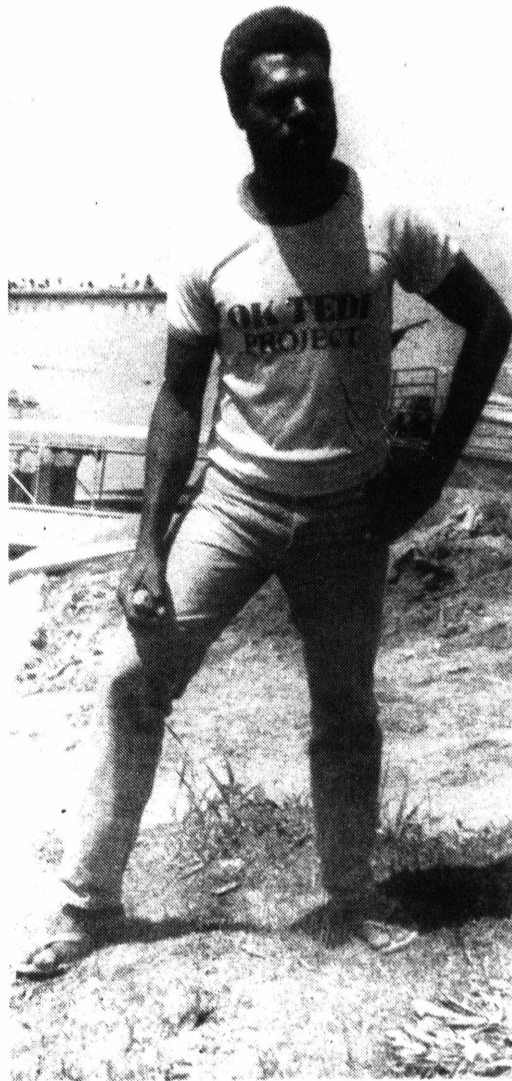

The draws remain the same but the senior firsts games have been shifted to Saturday. Saraga will meet Korobosea in the first game at 1:00pm. At 1:30pm Morata takes on Hohola and in the main game at 4:00pm Bomana will battle it out with Waigani.

All the U17 will be played as scheduled on Sunday April 12, but the U19 games on Saturday will instead kick off at 10:00am.

KIMBE was nominated as the hosting centre for the Islands zone trials on May 9 and 10.

The final announcement was made in the general meeting in Lae last week.

Previously, Rabaul was appointed as the hosting centre but now PNGRFL has ruled that Kimbe would be the hosting centre.

President of Kimbe Gerry Luru told RLN

that the decision made by PNGRFL was justified, because the Kimbe league had already spent K10,000 to upgrade and prepare facilities for the zone trials.

Mr Luru said most island zone league's pressured that the trials should be held in Rabaul. But Kimbe league convinced the PNGRFL to stage it in Kimbe.

He said "We have good reasons to persuade PNGRFL to host it in Kimbe. First of all, Kimbe had taken 12 months in advance in preparing the grounds. The other one was, Kimbe league spent quite a lot of money to prepare the grounds for the trials."

Rapidly improving throughout 1984, he

However an ankle injury forced him to miss many games and when he returned could not perform up to

But this year fully recuperated, Lucas' performance reflects in Uniteds impressive pre-season record.

Lucas said that he liked playing in the forwards because, "Mi hangre long bal" he puts it in Tok Pisin.

KAVIENG LEAGUE BOUNCES BACK

KAVIENG rugby league bounced back to its normal course after a few hold ups by the Muruks club.

In a combined statement, released this week the league president Peter Yagama and secretary Vincent Tutu said that Kavieng was looking for a brighter season this year.

Mr Tutu said Muruks club was the sole cause of the setback in the Kavieng league.

He said after settling their dispute of payments, Muruks seemed to be one of the stronger contenders for the premiership this year.

It seems that other teams should take precautions when jogging out to the field.

Muruks with its veteran representative footballer, Romaliu Wa promised to grab the premiership this year.

Another club which should be a threat during the season is Tarakum.

The Kavieng glamour team, Tarakum with two representative footballers Patrick Piwi and John Nambe, vowed to grab the premiership title.

Mr Tutu said "all four clubs are expected to display great football all throughout the season and it would be hard to make any predictions as to who is set for the title."

In other developments, the league executive has finalised a report that all games will have to be played on Sunday as of this weekend.

Draws for all grades

Snafu v Brothers
Muruks v Sea Eagles

The first game starts at 10am.

TOP ● One of Paga's mean machines, Bernard Waketsi powers up-field, attempting to fend off West's Tati Ivara.

INSERT BOTTOM ● Rampaging Hobar West forward, Tati Ivara loses the ball as he is tackled by Paga's Bernard Waketsi around the bootlaces and Jacob Tumala on top. Paga won this tussle and the game as well, 18-10.

INSERT

TOP ● Twisties Brother winger, Daniel Piskul leads his Defence opponents as they scramble for the loose ball. The muddy conditions limited scoring opportunities from both sides with Defence emerging 10-6 winners in the end.

BOTTOM ● Defence and Brothers players rough it up in the quagmire.
