Dear Sir:-

We have a claim that has been assigned to us by the Del Mar Mercantile Company amounting to \$133.63 plus \$14.80 interest, or a total of \$148.43, for groceries purchased from the Del Mar Mercantile Co., in September, October, and November, 1917.

Will you please either send us a check for same or will you make some arrangement with Mr. W de Waard, who claims to own a concrete mixer, to allow a credit for rental of same to apply on this account? This will be greatly appreciated.

Our understanding is that the Holland Construction Company owns the concrete mixer, but Mr. W. de Waard says that he owns it. However, the Del Mar Mercantile Co., is owned by Messrs. Batchelder, Gardner, and Fletcher, and they are the innocent parties who sold groceries to you and the account should be paid.

Anything that you can do to expedite matters will be greatly appreciated.

Yours very truly,

GUYAMACA WATER COMPANY,

P-x
