I wonder whether you are

Our group here assembled
is the ~~[illegible]~~ group in the
worlds ~~ent~~ history that has
been trying to ~~be~~ build the ~~[illegible]~~ tower of Babel
~~[illegible]~~ we are trying is a rather well
in the reverse of Babel
the first tower

We here in Church are trying
~~to build~~ to do the
reverse we try to
bring heaven to
the earth — because
~~I am sure~~ as they
say "peace is heaven
on earth"
~~Our efforts are~~
~~[illegible]~~

~~We are suffering have~~
~~Unfortunately we are~~
~~suffering this~~

Unfortunately our group
is suffering from the
after effects of
the first attempt
to build a tower of
Babel × At that time
God confused our
languages and to
this day they have
remained confused.

~~What we are~~
We are bitterly in
need of a common
language. What

~~should have~~
should this common
language be ~~?~~ =
As you know I go
always out of
my way to ~~please~~
make ~~my~~ friends easy for
~~the~~ Russian friends
~~and happiness~~
even at the ~~cost~~ ~~of~~
~~expense of expense~~
~~choosing their~~ ~~language~~
difficult for ~~me~~ my
friends
~~Russian~~ and ~~my~~ English

Therefore I propose
as the common
language "basic
english". ~~The~~ Russian
~~friend~~ need thus
only remember
2000 words, whereas
Americans and
English ~~must~~

love to remember
10000 words which
they must not use. —

TRUST

~~The Russia~~ Our Russian
friends have made
a strong plea for
mutual trust.
If they mean by
that that the Amer-
ican people should
trust the Russian
government then
I must ~~say I can't~~ —
~~Having rather disregarded~~
~~[illegible]~~
~~[illegible]~~
any
~~[illegible]~~ Russian friends.
adopted, secret by saying
~~What~~ I must say
~~His~~ His. " the Rus

people do not trust
their own government.

How can you expect
them to trust
anyone else's
government?

We shall however pledge
ourselves ~~not~~ to do what
we can to increase
mutual trust. I have
thought to this subject
for ~~some~~ a long time
