NEW technology to serve you better

**IDD
to the World**

**DIGITAL
Clarity and Speed**

For all telecommunication needs in Papua New Guinea, Telikom gives you world class quality with the newest and best technologies available.

You simply can't get better anywhere.

Think of it, International Direct Dialling to the world gives business immediate access to international markets, and friends can be in touch immediately – distance no problem.

Our upgraded digital exchanges mean that voice calls and computer links get through quickly, accurately and with more clarity than ever before plus all the convenient extras like call forwarding, ring back information, wake up calls, and abbreviated dialling.

We are now on the brink of the cellular phone revolution. A phone you can carry anywhere and use on the move. Imagine the convenience of immediate access to customers and contact with friends anywhere, anytime.

All part of the new technology brought to you by the new Telikom because now we're really talking.
