# At last! You can keep cool... and quiet!

## SANYO BELIEVE AIR CONDITIONING SHOULD BE FELT AND NOT HEARD!

Up till now the vibration and noise made by conventional air-condition units has been a problem everyone has put up with, in order to keep cool. Sanyo's unique, rotary action compressor has changed all that because ...

- The super smooth rotary motion drastically cuts down on vibration and noise.
- With fewer moving parts it's also more efficient and reliable.
- Being more efficient, it is cheaper to operate.

# Madang Hawks face K500 fine — in default — no game

by Arthur Hetherington

**LAST weekend the hot headed Hawks again held up the start of play in Madang's RFL competition.**

This time the Hawks' demonstration was far removed from their previous more peaceful exhibition.

The conduct of the enraged Hawks, who did not all appear to be sober, quickly cleared the official stand last Saturday.

Then advancing behind a barrage of abuse and crashing Coke bottles, Hawks took over the public announcement system, bashed around the furniture and attacked the referee's notice board and demanded to

know why the league had not agreed to their wishes.

This breach of the peace or outright assault appears to be occasioned by the Tarakum A grade team running out in their new green and gold Seiscon Delta uniform.

Hawks, who claimed absolute ownership of the green in the Madang league, want the league officials to order Tarakum to cease and desist

from wearing green uniforms. And if that upsets one of football sponsors then Hawks just don't seem to care and suggestions have actually been made that Seiscon Delta should be approached for another K2,400 donation as their first gift was not good enough.

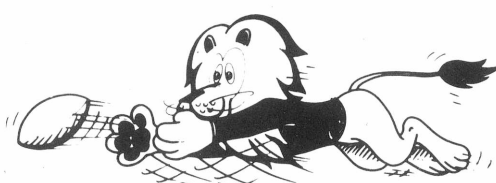

Hawks officials have been hurt at an earlier league meeting when it was agreed that Tarakum could use their new

green uniform — except of course when they played against Hawks. But some Hawks, led by coach Joshua Giru are not happy with this decision and in their letter to the league the Hawks talk of legal action, but before Hawks do that they may have to face some legal action themselves.

League president Michael Puio did try to talk over the problem with the tumultuous Hawks. But

when Hawks wanted a definition in writing of "Hawks Misconduct" and denied doing wrong, president Puio felt that he had no other recourse but to present the matter to the league judiciary so Hawks may well be up for a K500 fine.

In addition the president has written to local police commander requesting extra police to be on hand this coming weekend. For under league rules, if Hawks do not pay any fine levied on them, Hawks do not play football. But all other clubs do have the right to play and spectators expect the right to watch a full game in peace.

## LETTERS TO THE EDITOR

### Referees must be fair

Dear Sir,

I refer to an article which was published in the Post Courier Wednesday May 29th "Rabaul Two off line." I would like to question why the senior referee made the decision to call the main game off between NGIP Muruks

and Brothers in Rabaul on the 26/5/85.

It was clear that the player for Brothers, Nana Auna, went out for ten minutes in the sin-bin. He did not refuse.

Referee James Daple said that the Brothers players also played rough football.

However, I can say he was not controlling the game. He was against Brothers supporters yelling abuses at him because he was one-sided. The supporters pay the gate to see to support our clubs and also the game and the referee in action. So Mr Daple, please

be fair when you make your decision and do not make unfair decisions and also do not go against club supporters.

Brothers fan,

Tomaringa, Rabaul

# VANIMO-REFEREE ASSAULTED AND GAME DISPUTED

by Mark Martin

**DEFENCE** survived their first loss to a blood-thirsty Sea Eagles side before the game was called off ten minutes into the second half in the Vanimo league at the weekend.

The match was called off just after referee Eko Mason awarded a try to Defence which several of the Sea Eagles players disputed. The referee was assaulted.

The game was probably the best ever seen in Vanimo and was a true grand final spirit from the start.

Twenty minutes into the game both sides could not keep play in their opponent's territory for as long as five minutes. Moving up quickly after the play the ball was probably the order the coaches of the teams gave the men as they were already up on the man before the ball could be passed away.

Defence backline, the best in the competition, were always pinned down by Chris Robin, M Lukong and Joe Bion and so could not complete any moves their playmakers P Peni and H Tarak had devised.

Forwards up front were always into each other keeping their supporters on their toes with bone crushing tackles and exchange of punches when the chances were given.

However, that kept the referee fully alert and so Daniel Maski and Sese Morea were sent off to spend time in the sin-bin.

Sea Eagles opened up the scores with M Lupo who successfully kicked a penalty conversion after Defence were caught off side in front of their own uprights.

Play seesawed and then Defence were again penalised for some rough play and M Lupo made no mistakes in posting in another two points for his team to take an early lead 4—nil.

With seven minutes remaining before the break Defence started to throw the ball wide in order to avoid Sea Eagles quick-up-to-the-man play and so managed to create a few breaks and took play right up to within ten metres of the Sea Eagles try line.

While the Sea Eagles were recovering Marinki Otto made a last minute dash to score a well deserved try for Defence and with H Tarak's conversion Defence went on to lead 6—4 at the break.

After the break both teams played hard looking for openings. However, Sea Eagles lighter forwards L Kilibel and D Maskim made a clean break but the backs could not finish off.

Defence capitalised in the tenth minute when replacement winger Western Edwin picked up a loose ball and scored at the corner which was disputed and resulted in the game being called off.

The game was later awarded to Defence as they were still leading 6—4 at the time of the incident.

In the other game, Tarakum recovered from their bashing by Defence last week to narrowly defeat a much improved Hawks side 14—13.

However Hawks had to play one man short for a good part of the second half after Donatus Silo was sent off the field for continuously playing a rough game. It is also believed that Tarakum fielded a couple of unregistered players.

If last Sunday's games were any indication and if Brothers cannot improve to last the 80 minutes then Sea Eagles will not have any trouble defeating Brothers in the early game.

In the main game, Defence are tipped to thrash Hawks in the main encounter at the weekend in Vanimo League.

## Talents! Rabaul Telling Factor

by Ku Veve

**AN EXPERIENCED** and over-confident NGIP Muruks got crushed by a young but talented and determined PTC East side in the main rugby league match in Rabaul on Sunday. The game, which was a true test of experience against talent and determination, was witnessed by a crowd of over 700 people who packed the Rabaul league ground.

PTC, showing determination to prove their talents against a more experienced Muruks side, kept play in their opponent's half for the first twenty minutes as they defended ruthlessly to unsettle their heavier but unfit Muruks. They moved up quickly together as a team and executed punishing tackles that effectively paid off by frustrating the Muruk line up and forcing them into making silly passes.

Muruks skipper Peter Jimmy tried desperately to settle his boys from the back line but his efforts were further frustrated by runners who tried to crack the PTC defence single-handed.

The Muruks forward was in a complete disarray against the young PTC boys as they hammered them with solid and punishing tackles and quick defensive style of football.

PTC was awarded a penalty after the entire Muruks forward was caught offside in their own half and Bolten Pelly easily converted a penalty to give PTC their first two points on the board. PTC went straight into attack again from the kick-off and skipper Jeffrey Darius made one of his many strong

## PTC Easts 12 crushed Muruks 4

damaging runs into Muruks' territory with the support of Romalus Woa, Alexi Anis, Bolten Pelly and Joe Wins. He played the ball to Wins who dummied and made a long pass to Taupa Worin who also knocked on and winger Demas Victor quickly recollected to dive over the try line wide for PTC's first try.

Muruks took the field in the second half, a more settled team compared with their first half appearance.

They applied pressure and came close to snatching the lead several times through Gerson Apelis who made a break and nearly went in for a try but the ball was fumbled and they lost a vital try. Muruks second chance at snatching the lead came when Joe Rudolf, the second half, after serving ten minutes in the sin-bin went over for a clear try wide-out but referee Demas Gigimat ruled a knock on after consulting touch judge Tau Momoru and Muruks looked a desperate side.

PTC East went into attack again and Mano Pupun, who had an outstanding game for PTC, made a strong break for the try line drawing to one side the entire back line and quickly switched play inside to set up Tevita Levi who was running free for a try under the post and Edward Malari converted giving PTC their win of 12—4.

## Tarangau dump Cartran Bro's... ...and Air Niugini baffled Royals-Hagen

by Myles Nyluf

**A More determined Tarangau team brushed aside resigning premiers, Cartran's Brothers 12—4 in the first game at Rabiamul Oval on Sunday in Mt Hagen.**

Tarangau's sleek football work and superb backup paid off with two converted tries by hooker Richard Pomba and second rower Hank Linken. The conversions were taken by five eighth Tom Pani who was very instrumental in the Eagles win well backed by prop James Kond.

Brothers, however, managed two penalty kicks from Paddy Kongopa who tried his best all day for the bretheren. Score: Tarangau 12, tries T Pomba, H Liken and goals 2 T Pani for Tarangau.

For Brothers 4, 2 goals P Kongopa.

In the second game a well mobilised Wally Royals led by nippy half back Tom Sevelove caught competition leaders Air Niugini chasing them all over the field in the first half.

However, in the second half, Air Niugini realised their errors

and a good break from inside centre Bale Malon raced up a the flank and off-loaded the ball to winger Towin Waringa who raced away for a centre try.

In the next fifteen minutes of the half saw Air Niugini's second rower Bobby Ako, who busted his way through the Brothers forward pack, then set up a brilliant pass to hooker George Marki who put another try for the airliners. Kicks by halfback Colin Bahilo took a one point lead with only twelve minutes remaining.

However, Royals retaliated with a try from halfback which was unconverted to lead 15—12. With eight minutes remaining Air Niugini's skipper somehow managed to steal the ball from a Royals' player five metres from their try and made his way through baffled Royals line to score which the referee awarded.

Air Niugini lead by one point against 16—15. With only seven minutes remaining before full time, Royals walked out in protest and a complaint is being lodged to the judiciary committee.

## International referee course outstanding success

**INTERNATIONAL** lecturer referee, Nick Best of Australia, was elated at the result of the International Referee course held in Goroka recently.

Twenty-nine participants — twenty-three to receive an international accredited pass on their knowledge of the laws of the game of rugby league, three to receive restricted tickets passes and three participants under the required 75% pass mark. The Minogere Lodge resounded with the noise of congratulations on Saturday night as the referees received their TNT attendance certificates.

Two referees actually achieved 100% results, they were: Moses Tolingling from Mendi and Joel Pak from Rabaul. Keith Collins the national coaching director said this course reflected credit on the director of refereeing in PNG, Mr Ray Stewart and referee president, Graham Ainui, on their selection of participants and thanked TNT for their part in sponsoring the course.

He also thanked Sports Aid foundation for their help and pointed out that the next area for education on the rules of the game would be the spectator.

# WOMEN GETS COACHING CERTIFICATE

WHO SAYS rugby league is a men's game? At least a couple of Papua New Guinean women have since disputed this particular point. The latest is the wife of Gulf provincial secretary Poliap Sigamata who was accredited

with a preliminary coach's certificate after a week-long coaching clinic at Kerema.

by Jack Metta

The National Director of Coaching, Keith

Collins, said it is good to see that women are starting to show keen interest in the involvement of the game rather than watching from the sideline.

"She may have been the first in the province, but we have had a couple of females attend coaching clinics at the National Sports Institute who were students enrolled at the Goroka Teacher's College."

Collins said Ms Sigamata has also shown interest in refereeing and has made an assurance to attend such a course if it is held in Kerema.

Of the 28 people enrolled on the course, 25 including Ms Sigamata, passed their courses and were accredited with preliminary coaching certificates.

## Spiders kill Lae League giants

LAE LEAGUE'S giant-killers, East Spiders showed that their win over Consort Brothers last week was no fluke when they caught competition leaders Wopa Tigers in their web 22-10 for an impressive win in Sunday's main game.

by King Posa

The Spiders-Tigers match was a torrid affair which kept the 600 spectators thrilled all throughout with superb tactical pressure football which was more a preview of a grand final clash.

The game controlled by referee Dennis Ome started off at a furious pace with play makers like Julius Cassey, Simon Elap, Alphones Malala for Tigers, Peter Paghao, John Hoyota, Delu Siune and Robert Soro setting the pace for their teams.

East's winger Deveni Gini opened the scoring ten minutes into the game with a successful penalty conversion right in front of the uprights when referee Ome penalised Tigers for a forward pass infringement.

However, his opposite Bonny Cassey replied minutes later when he showed a

clean pair of heels to East's defenders by outspringing all after him to score a centre try which Alphones Malala successfully converted to put them in the lead.

The game seesawed furiously with Delu Siune's East's forwards in Peter Roy, John Hoyota and Miria Ume battling in out with their lighter opponents in Freddy Mai, Titus Kofoe, Lawrence Koko, John Beata and Harry Tambui.

East five-eighth Oscar Peter's backline in rugged centre Robert Soro, Tibong and full-back Saki Otio evenly matched Simon Elap's stalwarts in Moafa, Kanina and star full-back and skipper, Julius Cassey.

Tigers fast style of play also landed them in arrears when they were penalised twice within kicking distance of the uprights which saw East's boot specialist Deveni Gini sail the

ball over twice for his side to equalise the scores 6 all before the match break.

East's second rower Peter Roy, who has been playing consistently for his side, opened the second half scoring when he caught the Tigers flat-footed to go in for an uncovered try to put them in the lead 10-6 for the first time.

Former Tiger, Robert Soro in East's black and white colours, played a leading aggressive role in the centre, displayed some fast footwork belieing his burly size followed through minutes later to ground his own bomb under the uprights.

Five-eighth Oscar Peter made sure of the easy two-pointer to widen their lead 16-6.

Adding insult to injury, tragedy struck the Tigers when their toll of injuries increased, weakening their defence and seriously affecting

their attack which Spiders easily capitalised on.

In the 25th minute Tigers come out of their doldrums to send in winger Bonny Cassey in the far left for his second try — the Tigers last, which Brothers Julius failed to convert.

East's forwards sealed the Tigers fate when they used their superior weight to win the scrummage and send in Lucas John for an easy try which saw bewildered Tigers watch helplessly.

Oscar Peter bootied home the easy conversion for Spiders to snare the Tigers 22-10 in their tight webbing of 80 minutes pressure football.

Siune, Ume, Roy, Paghao, Soro and Kutata stood out in weaving Tigers fate while the Cassey brothers Julius and Bonny, Titus Kofoe, Simon Elap and Esau Balilai tried hard to claw them out of Spider's web.

## league Mettas

THE ALLEGED unsportsmanlike behaviour of the Gulf politician Leo Lavaua at a recent league outing in Kerema is certainly unbecoming of a man of his standing in the community. His outburst has put a lot of Keremas to shame. This column for one condemns his attitude and behaviour and demands a public apology to all concerned. Sports such as Rugby League is an arena where unity rather than regionalism can be promoted and encouraged.

As such, politicians in their capacity as leaders and in their respective communities ought to know better.

Besides many a sporting body have grown up and survived on their own initiatives and hard work without government support and funding.

IT IS not fair for all those involved in the administration of the game to be told that their involvement is not required in Kerema.

Surely Lavaua is aware that a lot of Keremas who have earned their reputation as some of the country's top players played in other settings of the country under the administration of non-Keremas.

For those reputed Keremas, it is a blow to their pride and integrity to know that their politicians are not helping to promote the code in their home province.

I can frankly admit this because I am one of those Keremas.

ANOTHER thing which is becoming a cause for concern is the behaviour of an increasing number of club officials during rugby league matches throughout the country.

Their behaviour simply cannot be tolerated because as club leaders they should be the ones who should be setting examples.

Fair enough, if they are not happy with certain decisions made by referees during matches or decisions imposed by their respective leagues, there is a set of procedures and avenues open to them to aim their grievances?

Rugby League cannot be the greatest game of all if such behaviour and unsportsmanlike attitude persists in the code.

ON THE lighter side of league, DCA's coach Barry Wilson exhibited two gestures of sportsmanship after Sunday's matches in Port Moresby. First he bought comp leaders Wests a case of ale for a very commendable performance against Magani and soon after proceeded to do a strip tease act for the guest who attended the after game drinks. That's letting it all hang out, Barry! Good on ya, sport! FORMER Brothers club president, Dr Sali Kinawa recently set up a private practice at the Waigani squash courts building along the road to Morata. He welcomes league players seeking medical advice as well as being available to clubs in Port Moresby to attend to their medical needs. The phone number is 25 1440 for inquiries.

NOTICED that Rugby League is attracting the diplomatic community. Indonesian ambassador Soepomo was seen doing the round in the grandstand at the weekend.

HEARD on NBC — Ski and skiing pronounced as sky and skying. Hope its not setting the pace for a PNG version of the Australian Okkaim.

Take care

Jack Metta

## 'I tip Magani'

ON SATURDAY this weekend, Tigers meet Waliya — wet weather or dry in Kiunga. Tigers are out, with coach S Carruthers drilling the side into a top unit and skipper Martin Paining co-ordinating his men on the field. Tigers will be difficult to beat.

by Ian Kakarere

Waliya, on the other hand have a backline which can do the damage but their forwards must fire first to give the backs the ball for a win. My tip is that if it is very wet Tigers will walk over Waliya but if it is dry the battle will be a thriller.

On Sunday Magani will meet SP Country. The two arch rivals will be out to prove a point Magani has lost two games in a row and want to be back on the winning list.

SP Country want to erase their memory of their 56—16 defeat by Magani in round four. If Magani wants to win their game they must fire from kick off and keep firing for the next eighty minutes.

SP Country must play sensible no-nonsense football if they want to contain Magani and my tip will be Magani to win in a close game.

Last Sunday afternoon the high school oval was wetter than the Fly river, snorkels and flippers would have been more appropriate than football boots.

It was so wet it was hard to write out the team sheets and also the match preview.

However, in the A grade game, SP Country went out to redeem itself and they played sensible wet weather football to defeat Waliya 14—8.

In the reserve grade, SP Country had an upset win over Waliya to the score of 12—4.

In both grades SP Country was determined to win and played accordingly, Waliya on the other hand appeared to be disinterested.

The Kiunga A grade competition is heating up at the end of round four which was last weekend. There is only seven points difference between the top and bottom teams. Tigers won all the games in round four and look set to finish off round five and six in the same manner.

Waliya, it appears, does not like playing in the wet and in Kiunga the chances of not having wet weather game are very remote.

SP Country are back in full swing and are still a threat.

Magani can play brilliant touches of rugby league football but lapses in concentration and fitness has let other sides win.

Who's to be the minor premier in the Kiunga's league will be anybody's guess.

## Niugulf Rules

### The West!

by Joseph Kau

IN THE main match of the weekend Niugulf completely annihilated West 22-nil. West had no answer to Niugulf's onslaught and skipper S Galowa must be wondering what he said.

Galowa was reported to say last week that his boys would walk over Niugulf, refused to comment after the game.

Niugulf's forwards J Tuaka, Miaru Lele, I Sevese and Eka Mohoa were in top form and completely dominated the front. Masterful tactician Haro Eveiseese ruled the backline and at times when West looked like they would break through Haro was there to stop them.

Haro opened the scoring when he bumped off a Wests player to dive under the crossbar. E Mohoa converted for Niugulf to lead 6-nil. Niugulf managed to add another two points from a penalty kick to lead 8-nil at half time.

After play resumed Niugulf sent in J Tuaka and Eka Mohoa to score. J Tuaka's try was converted. Ten minutes from full time halfback Avai Lele was replaced by Don Sigamata who neatly set up K Forowa who dived over to put the finishing touches to the game.

What went wrong with West is yet to be analysed. They had

most of their regulars on and won a lion's share of the scrums.

Niugulf, however, played well with I Sevese and H Eveiseese shining. D Sigamata, for the few minutes he was on, played a blinder.

West had triers in H Sevese, S Galowa, U Taviri and Farapo Kavoi. Scrums went to West 18—6 while the penalties favoured Niugulf 13—9.

Scorers: Niugulf 22, H Eveiseese J Tuaka, E Mohoa and K Saroa tries, Eka Mohoa 3 goals.

West nil.

#### Preview:

This weekend S Miro should give Brothers a tough match, and if underestimated could over-run Brothers.

If John Gaudi and the Tekoro brothers, Epe and Kaiia, are let loose Brothers will be in for a hard time. Brothers have the

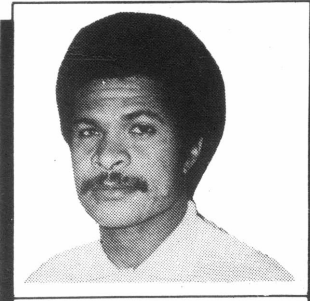

heaviest pack in the competition and are good starters but never seem to have the stamina to finish out on top.

Eka at halfback, as well as being one of the best halves in the competition, is reliable with his wares, he has not been able to play up to the twenty minute mark lately and this is what S Miro will be aiming to do, to make sure that Eka is off the field as soon as possible.

West should get another hiding this weekend from competition leaders K Laho. And in present form nothing else can be thought of.

Kouri and K United will work out an evenly contested match. L Heaho and L Laura will be calling the shots for K United while K Louroru to master mind the Kouri onslaught.

Niugulf will gain two easy points even if Mala Mos turn up or not.

### from the EDITOR'S desk

THE SEISMIC shifting of teams on the ladders of their respective leagues is slowly beginning to intensify as the race for the top four spots heightens.

With at least eight games left to be played, the bottom teams are also on the war path.

A good example would be the East Spiders and the TDE Royals teams in Lae who have lately been giving the top teams a bit of rethinking over their brand of football.

Other leagues throughout Papua New Guinea are also warming up and on the whole I think it will be a great year when all the grandfinals are about to be played.

Last week's match at the Lloyd Robson Oval in Port Moresby between Kool Magani and RLC Paga was a sloppy match.

It was a wonder Kool Magani ever won the game. Three players spoil Kool Magani's performance and determination to play a good exciting game.

At one stage James Kaupa and Tore Mitaharo were in the sin-bin at the same time. It may sound funny but we must realise that it means that the 11 players on the field have to cover for the two missing and that takes a lot of effort.

The halfback overdid his bit of fun and when this is done it surely irritates the spectators.

Spectators pay to see their teams on action and not irresponsible players who spoil their team's morale.

Where is a the real no-nonsense Kool Magani team which the fans want to see?

## Measuring Mass (Weight)

Oh, that must be really heavy!

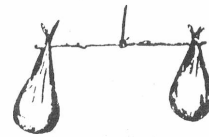

How heavy an object or thing is depends on its weight. Weight is a measure of the extent to which gravity pulls it.

In the early days, man tried to decide which of two stones was heavier.

This led to the first simple machine for weighing. How do we decide which is heavier?

This led to the balance.

Early units used by Egyptians was the **STONE**. Babylonians used some seeds or grains. These seeds were used to measure light weights. These are used even today by some pharmacists and goldsmiths in some countries.

Now we use units of measurement that are standardised. The units to measure weight is the **KILOGRAM (kg)**.

Smaller units usually used are milligram (mg) and gram (g)  
1kg = 1000g  
1g = 1000mg

To measure very heavy things the unit used in the **TONNE (t)**  
1t = 1000kg

Cars and utilities weigh 2,3,4 tonnes depending on their sizes. This huge truck may weigh up to 10 tonnes

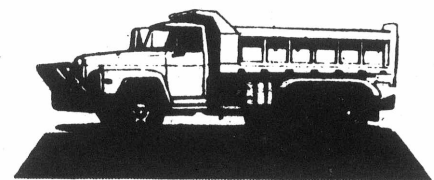

Here are some examples of things we buy by measuring weights.

Cold Power 500g

Nestles Espresso Coffee 50g

The pupils should be given activities:

Feeling the weight of known masses

Comparing two objects and deciding on the lighter or the heavier one

Estimating the weight of objects by lifting  
1kg...2kg.. 500g...

Looking for different machines used to weight things at different places

**NOTE:** The difference between mass and weight has not been discussed. It may be too early in grades 5 or 6.

## JOB APPLICATIONS

### (1)

IN the next four weeks we will look at trying to get a job. There are not many jobs around today so its important to:

1. know where to look,
2. understand the "Positions Vacant" column in your paper,
3. decide which job to apply for,
4. write a good letter of application for the job you want.

This week we will look at where to look.

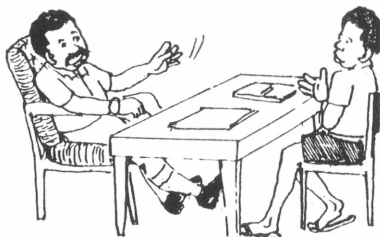

### JOB VACANCIES

You can find out about vacant (empty) jobs in various ways:

- through the National Employment Service (NES)
- from a friend
- from newspaper advertisements.

#### A. The National Employment Service (NES)

The NES officer will be able to tell you all about the job in simple language. He will tell you if you should apply for it.

#### B. Friends

Your wantoks can probably also give you useful information, and in your own language.

#### C. Newspapers

Newspapers also have lists of job vacancies. You can usually find the lists of jobs at the back of your newspaper under the heading:

#### POSITIONS VACANT

The job advertisements are usually in English. They tell you a little about the job, and a little about what the company wants. You must decide to apply for the job, or not. Here are some typical job advertisements:

#### MECHANIC

Christian Leaders Training College of Papua New Guinea (Inc) (CLTC) requires a mechanic to be based on our campus at Banz WHP.

The Position requires

- A qualified Tradesman
- General experience with both Petrol and Diesel engines
- Leadership ability
- Christian commitment

CLTC is an Interdenominational College involved in both Biblical and Agricultural training for the peoples of both Papua New Guinea and the South Pacific.

Applications to the  
Principal  
CLTC  
PO Box 382  
MT HAGEN, WHP.

#### SALESMAN

wanted  
Port Moresby

Must have minimum Grade 10 education, 2 years experience route selling.

Current Class one driving licence — Ph 25-1294 for appointment.

#### 2 CLERICAL POSITIONS

are available for recent grade 10 graduates.

Please apply in person with copies of certificates to our office in Port Moresby between Wednesday January 30th and Friday February 1st.

The Accountant 21-1133

**RELIABLE** honest PMV driver. Must have 6 years experience in Port Moresby city. Current licences and good reference. Work 7 days a week on profit sharing basis. Mail copies of your references and your application to: PO Box 47, Port Moresby.

**A PART TIME WOMEN** is required as a Merchandising Representative in Port Moresby. A current drivers licence is essential and must be educated to grade 10. Phone 21-3231 for an interview.

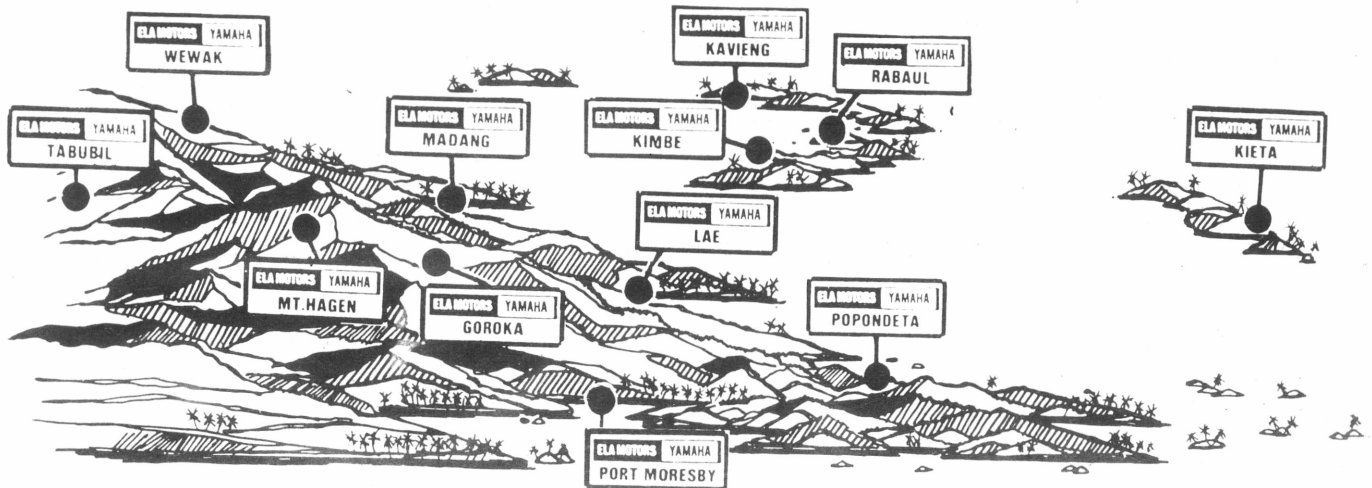

1. What do the letters 'NES' mean?  
2. Which job vacancy is in Mt Hagen?  
3. Which job asks for good references?

**Manubada cleans Raukele's backcourt**

By Kila Nao

PORT MORESBY volleyball competition leaders Raukele were dethroned by the much more determined Manubada side two sets to one in the main game of the A grade match on Sunday.

SManubada, led by skipper Haris Raka and John Ali, were the computer setters for

their side's win. Both men played tirelessly, setting the ball for powerhitters Solo Kila, Heni Laho and Hure Vagina spiking and blocking defensively and gave no space for the Raukele men.

Raukele with the inclusion of Ronald Karo from Tabubil playing his first game with Vali Alu, Vicky Kila and Jack Dick the Manubada down with their power play and enabling Raukele to win the first set 5-15.

The break for Manubada came in the second set when Kila Raka and Vagina gave their side the lead with powerful spikes and some clever placings that unsettled their opponents. The big birds, seeing their opponents slow movements, kept the pressure on and went on to

win the second set 15-11.

The final set was anybody's game with both sides playing defensively. Raukele's Ronald and Vicky Karo strike off from the start took the lead early and at the change over led 8-6. Again both teams fought evenly with the scores at 14 together.

Breaking of service became vital, neither of the sides nor players scoring points, at some stages the ball was kept alive for four to five minutes. However, a time out for Raukele called by coach Kila Oli also changed their luck and Manubada just managed to edge them out 17-15.

In the womens early match University gave some volleyball lectures to the undermanned KAK Raiders sides. Better ball

handling and a very good combination from powerhitters Viru Aeava, Sandra and Jenny Wamala displayed class volleyball in the first set, earned their win and should have repeated the same dose in the second and third sets.

The students went on the rampage with skipper Junelyn Larsen and Paula Dadami firing from all directions turning the table around their way winning the second set 9-15 and 9-15 in the third set.

The main encounter between Sunkaro and Interior Delight women was called off because of bad light. And in the main game on Saturday Hoods overwhelmed odds in recording its victory against Interior Delight by dusting them two sets to one.

Hoods' best players were Nelson Kila, Laka Kila and Karona Augerea while Lawrence Pukali, Tony Maina and Gilbert Karukaku stands out for Interior Delight.

## Lae Soccer Review

by Libro

TALL Borabora striker Giyae Gwane's 4 burst of 6 goals smothered Lae Tech girls 6-nil on Sunday in Lae womens first division soccer.

Borabora led 3-nil in the first half and continued the onslaught in the final half-putting the team to lead the competition with 8 points losing no games.

Lae Tech, who looked no way dangerous, played mediueme football with no sense of determination.

Gware, outrunning defence plus mesmerizing ball control scored 2 goals in the first half from right foot, added another two in the final half from this time, left foot. And thats a kind of player, Lae coach will be after for the Lae

women side in the forthcoming national title in Lae.

In other matches, Mt Essie drew 1-1 with Lutheran Youths in what looked like to be youths game. However, Mt Essie came strongly in the second half and scored and equaliser after Youths led 1-nil in the first half.

Margaret Anio stood out for Youths — Mt Essie match, beautifully distributing the balls for the striker and defending solidly.

Admiralty was stripped naked 2-1 by 2 Igam in probably the upset match of the weekend.

Admiralty loosing their first game, could not stand the continous onslaught of the soldier girls for 30 minutes.

Igam led 1-nil in the first and pushed for

2-nil lead into the second half. The consolation goal for Admiralty came in just before full time.

In Saturday's matches, University won on forfeit against Mitif and Buresong also won an forfeit against Biwampi.

Lae will host the 4th Woo Textile National womens tournament in October 12th/13th.

Preparations are underway, however only 4 centres are confirmed. They are Simbu, Moresby, Goroka and Lae.

Another 4 centres should make the tournament more exciting and good for the code.

Any centres who have enquires please ring Andrew Waho — (PNGFA) secretary on 255477 or James Kabi LFA executive Officer on 422321.

PRESIDEN bilong Vanimo Soka Asosiesen i no amamas long PNG Soka Federesen.
