# ANYBODY IS BETTER THAN PRICOLA & MAYA

The election of 2 Councilmen will be on Tuesday April 12, 1966. Ken Morgan and Mary Rebollar are the 2 candidates running against Pricola and Maya. If you want to get rid of Pricola and Maya for increasing your taxes, wasting the taxpayers' money, and not helping in the collection of the "occupation tax" from the big farm corporations which have their offices in Brawley, YOU HAVE NO CHOICE BUT TO

VOTE FOR KEN MORGAN & MARY REBOLLAR

Many of you voters were too young so that you do not know about the depression of the 1930's. Millions of people wanted to work then and could not get jobs. The misery and hardship were terrible.

At the present time a similar situation is occurring in Imperial County. Of course it is not as bad as in the 1930's. This is a time of affluence in the United States but people who work for wages have trouble getting work in Imperial County. If they get work, their wages are below the level of other workers doing similar work in the U.S.

PINKLEY'S PROSTITUTED PRESS by not printing a correct story of what happens at the Council meetings of the City of Brawley, has brainwashed you so you do not know how Pricola and Maya make it hard for people to get work.

Do not forget that Pricola and Maya were elected mainly by the vote of the residents of the Eastside who do chiefly farmwork. These residents are suffering greatly because they can not get jobs. If they get work, the wages are so low that they still suffer greatly.

PRICOLA AND MAYA HAVE DONE NOTHING TO HELP THE PEOPLE OF THE EASTSIDE GET WORK. THEY ARE TRAITORS TO THE PEOPLE WHO HELPED TO ELECT THEM.

Now as to you people who live on the Westside of Brawley and work for wages. Pricola and Maya also have prevented you from getting jobs and getting higher wages when you work.

All of you should go down to Calexico in the morning and watch Mexicans who live in Mexicali cross the border and work at jobs you should have. Or if you have similar jobs, you would be getting higher wages if the Mexicans from Mexicali did not offer to work for lower wages.

All who are in these types of work or industries are suffering from the competition of the Mexicans who live in Mexicali:

Holly Sugar Company	mechanics	truck drivers
U.S. Gypsum Company	carpenters	tractor drivers
Cotton Gins	bricklayers	cowboys
Cattle Feed Yards	construction workers	Saleswomen
Auto Repair Shops	sales help	painters
Restaurants	farmworkers	mothers' helpers
Shed workers	cleaning women	etc., etc.

On October 4, 1965, Dr. Yellen proposed a Resolution to the City Council. This Resolution told how the Mexicans who live in Mexico and are called "green carders" were taking the work away from Americans who were doing farmwork and also non-farmwork. The Resolution asked the PRESIDENT OF THE UNITED STATES to stop the Mexicans from crossing and working in the United States.

You citizens are advised to go to the City Hall and ask for the minutes of the Council meeting of October 4, 1965 to see the full text of the proposed Resolution. But Charles Warren does not give the discussion. But if you go to the Brawley Library and look at the Brawley News of October 5, 1965 on the front page you will see an article entitled "COUNCIL DUMPS RESOLUTION BY DR. BEN YELLEN". This is one of the rare instances where PINKLEY'S PROSTITUTED PRESS tells the truth as to what happened at a Council meeting. It describes how Pricola made a speech saying that he wanted the Mexicans to come across the border to pick tomatoes so he could pack and ship them from his shed.

PRICOLA EVIDENTLY DOES NOT KNOW THAT ALL OVER CALIFORNIA TOMATOES ARE BEING PICKED BY PEOPLE WHO ARE NOT CROSSING THE BORDER EACH DAY. HE DID NOT TELL HOW THESE MEXICAN BORDER CROSSERS WILL WORK FOR SUCH LOW WAGES THAT PEOPLE IN THE U.S. CAN NOT WORK FOR BECAUSE THEY CAN NOT MAKE A LIVING. DO NOT FORGET THAT THESE BORDER CROSSERS WORK AT OTHER JOBS THAT ARE NOT CONNECTED WITH AGRICULTURE.

Pricola and Maya who claim to represent the people of the Eastside voted not to stop the Mexicans from Mexicali from crossing the border and taking your jobs. Pat Williams and Woody Adams, the other 2 Councilmen also voted against the Resolution.

So you voters can now see that Pricola and Maya should not be elected. You of course do not know if Ken Morgan or Mary Rebollar will help you get work. But it is like going to a Doctor. If you go to a Doctor and you do not get any relief from your illness, you change Doctors. You try a new Doctor to see if he will cure you. So it is in politics. Pricola and Maya vote against you getting work, getting higher wages for your work, waste the taxpayers' money, cause you to have higher taxes and do not force the big farmers with offices in the city to pay their "Occupation Taxes".

SO YOU MUST MAKE A CHANGE. ELECT MORGAN & REBOLLAR.

Now you businessmen and merchants know that if people have work and make good wages, they will patronize you. You are afraid to say anything in public because you know the big farmers and their allies the bankers, etc. will make reprisals against you. BUT WHEN YOU VOTE, NOBODY KNOWS HOW YOU VOTE. This is the only chance you have. You know it is unfair that you merchants and businessmen who are having poor business, should be made to pay your "occupation tax" while the ranch corporations with offices in town like the Elmore Co escape their "occupation tax". THESE BIG RANCHES MAKE VERY GOOD INCOMES. WHY SHOULD THEY NOT PAY THEIR TAXES?

Then there are you people who are retired and have a pension or small income. Pricola and Maya have been wasting the taxpayers' money. You are forced to pay higher taxes. Pricola and Maya are the stooges of the big farmers. They do what the large ranches want them to do. So your pension or little income does not go as far.

VOTE FOR KEN MORGAN AND MARY REBOLLAR. Anybody is better than Pricola and Maya whose record shows that they exploit the residents of Brawley for the benefit of the big ranches. This Council election is very important. If Morgan and Rebollar are elected, at least YOU WILL GET A NEW DEAL.
