

Media Advisory, Fifth annual Division of Engineering Research Review

April 21, 1986

TIME: 8 a.m.-4:30 p.m. Reception to follow

DATE: Tuesday, April 29, 1986

LOCATION: UCSD Center for Magnetic Recording Research

REMARKS: Each year the Industrial Liaison Program at UCSD sponsors a day long seminar for local representatives from business and industry to discuss the latest engineering research at UCSD. Attendance is by invitation only, but members of the media are invited to sit in on the conference. If media representatives wish to attend the luncheon, they must RSVP to Marilyn Wilson, Director of Corporate Liaison, (619) 452-2776.

A copy of the program is enclosed.

For more information contact: Paul Lowenberg, 452-3120
