Dear Doctor Szilard:

I believe you requested that the enclosed be returned to you.
Dr. Salk was grateful for the opportunity to review it.

In getting ready to leave on vacation I came across something
else that I was to send to you several weeks ago. I am chagrined
to find I have not done so, and it is going out under separate
cover. I am sorry but I am sure the delay will have no bearing
on the course of history.

Sincerely,

Secretary to
Jonas E. Salk, M. D.
