Alu sets PNG record

By Henry Morabang

Staff reporter of the Rugby League News

WEST's Alu Poka Kila set a new record of individual scoring in PNG by defeating the old record by one point last Sunday.

The nuggety 23 year old outside centre broke the old record by scoring all Hobar West's points in their 22-18 victory over Nissan Tarangau at Lloyd Robson oval last Sunday in Port Moresby.

Poka scored four tries and kicked three

goals to beat the long standing record set by former Kumul winger of Magani, Votu Kapani on 21 points.

According to PNGRFL administrator's office Mr Kapani had scored seven consecutive tries one after the other in one of the games played against his team Magani in 1981. (note: points were counted on three points per try).

If the points were counted as four points, then Kapani would have been the highest sole try scorer in one game in PNG.

It would not be a surprise if Hobar West fans should host a party for Alu Poka. Otherwise why not have an annual holiday on 29th March — in honor of Alu Poka Kila.

In Australia Terry Lamb topped the goal scoring of 26-16 against Western Suburbs in Belmore last Saturday night. He defeated the old record of 20 points set by goal kicking forward George Taylforth.

Lamb scored four tries and kicked five goals to grab the win for his team.

The encounter between West and Tarangau was not really a thriller as it was expected.

Tarangau was a better side of the day but simple common errors from players gave the game away to Hobar West.

The big birds should be congratulated for giving West a real run for its money.

On Saturday DCA registered its first win over Hawks 28-10 while Paga thrashed Brothers 35-12 after their defeat by Tigers a week ago.

HOBAR West's and PNG record setter Alu Poka Kila seen tackled by Daroa Ben Moide in the recent match against Tarangau. Alu scored all tries and kicked goals to ground Tarangau 22-18.

Collins was a rare person

COMMENTARY

by Joseph Kau
Staff reporter of the Rugby League News

Well maybe the physical absence of Keith Collins could in some way put back for a couple of years what he had started. That is the feeling now being expressed by many in the league circles.

I for one was saturated by this feeling topped with the feeling that gross injustice had been done.

Keith could not even hurt a fly so why end his innocent life so early and in such a way. We even had to shift our frustration to the policeman who was supposedly driving the vehicle involved in the incident that took Keith's physical presence away from us. But the friend who drove us from the memorial service to the club house drove a point home when he said, "Even if Keith was alive with two of his limbs missing from the accident he would not hold anything against anyone."

That was the material the late Mr Collins was made of. Those type of the human species are rare in this modern era and indeed he will be hard to replace.

But on the brighter side many who have known Mr Collins intimately, are on one hand experiencing a vacuum in their lives while on the other hand we now should strive harder to reach the goal that Mr Collins had set. Now our own man should be able to lead on from where Mr Collins left off.

Mr Collins could not have wished for anything less and his immortal being would only rejoice if this idea materialised.

So, now the onus is on us coaches and referees who have had the honoured privilege to participate in courses run by Mr Collins, to carry on the good work Mr Collins was doing.

Colleague Barry Wilson at the memorial service touched another aspect of Collins' life when he recited something that he experienced with him a few days before his death. "We were watching a tape of disabled athletes performing and at the finish of the tape and with tears in our eyes Keith cried out, "We never try harder."

Friends and foes likewise in rugby league and sports as a whole, know that a cry of Mr Collins' "We must try harder than the last time". Now we must use the saying as our motto as we pick up and give it another go. And as Mr Oscar Miller of the NSI ended his eulogy of the late Mr Collins at the memorial service, I wish to say also, "Go thou and do likewise".

Death is nothing at all...

by PNGRFL

Taken from the prepared (service sheet) programme for the late Mr Collins Memorial Mass (in Port Moresby).

I have only slipped away into the next room. Whatever we were to each other, that we are still. Call me by my old familiar name, speak to me in the easy way which you always did. Laugh as we always laughed at the little jokes we enjoyed together.

Play the game, smile, think of me, pray for me. Let my name be spoken about the place and without effort. Life means all that it ever meant.

It is the same as it ever was; there is absolutely unbroken continuity. Why should I be out of your mind because I am out of your sight? I am but waiting for you, for an interval, somewhere very near, just around the corner.

I am only just a prayer away. All is well. Nothing is past, nothing is lost. One brief moment all will be as it was before, only better, infinitely happier, and for ever — we will be one together with Christ!

Referees — stand firm on your rulings

Sir,
Can you allow me a space in your paper. I would like to express my concern on what I witnessed last Sunday(29/3/87). The game was played between Bomana Royals and Saraga.

The game was really a thriller by all means. From the start to the end spectators really enjoyed the games. However there were repeated late punches and tackles on which the match referee should have taken appropriate action but turned a blind eye.

This resulted in Bomana's

props Tokali and John Supa being carried of the field with head injuries.

In another incident some Saraga supporters stormed the field and assaulted a Bomana player.

The match referee maybe was blind on some occasions that day.

Please, referee stand firm on your decision when controlling the greatest game of all.

Simon Kerekere,
Bomana fan.

To be or not to be...

... that is the big question Madang faces now

By **HENRY MORABANG**
Staff writer of the Rugby League News

MADANG's fate to be or not to be a member of Papua New Guinea Rugby Football League (PNGRFL) topped the agenda list for discussion at the League's annual general meeting in Lae at the weekend.

Among other agenda items PNGRFL executives have yet to appoint a team manager for the Kumul touring party to Europe later this year.

It was believed that all other positions in the Kumul tour of Europe have been filled.

PNGRFL's head office in Port Moresby did not say what other items are to be discussed in the coming meeting.

The spokesman and the acting secretary of PNGRFL Martin Adamson said the agenda was supposed to be a total secret and it would only be revealed at the meeting.

However the president of suspended Madang league Stanley Pil is still lobbying for support to get Madang into the national body.

Mr Pil told RLN that Madang could become an associate member, however it would try to get support from other leagues to get in as a full member.

Mr Pil said Madang had many potential players and if it could not become a full member, players would be deprived of their chance to play representative football.

President Pil said, "Now Madang is set to make 1987 a big year under my administration.

But we will have to wait and see the outcome of the meeting at the weekend."

Meanwhile his counterpart in Rabaul, Graham Shuttleworth told RLN too that, "Rabaul has done nothing wrong. She is a great supporter of PNGRL."

Mr Shuttleworth said the PNGRFL executives had already agreed that Rabaul should be a member of the national body. But they (the executive) have to endorse it in the general meeting to get the opinions of other affiliated members.

Rabaul had paid everything; registration, affiliation and at this point of time Rabaul is trouble free, he said.

Unpredictability

It makes Kiunga games inviting to spectators

by **Ian Kakarere**
Special to Rugby League News

UNPREDICTABILITY as the late Keith Collins said is what makes rugby league the greatest game of all.

With the season proper kicking off this weekend in Kiunga unpredictability is going to make 1987 season a great season.

One of the causes of this are the players. Many players are either working with Ok Tedi Mining Ltd or are members of the disciplined forces.

Shifts and assigned tasks can cause some players to miss games. If there are large numbers of ships tied up at the Ok Tedi wharf then many of the players employed at the wharf, like Magani's Willie Jagara and Eugene Eugeni for example could be working 16 hour shifts missing both training and games.

Tight work schedules on Ok Tedi construction projects can also have players who are working on the construction section working for long hours.

The very nature of the duties of policemen and soldiers means that they might have to miss out practices and games.

The situation is frustrating for coaches who have to try to field the best possible team.

Consequently, the performances of teams is erratic and if anyone wants to bet on competition matches he'd better have second thoughts.

This unpredictability is however the factor that is pulling in fans to the Kiunga Sports Oval each weekend.

If the pre-season is any indication league fans will be entertained by close tight games with the result only being decided by the final whistle.

Even Kiunga's unpredictable weather will not deter the fans.

Some weekends are wet and muddy while other weekends are dry and dusty. The weather can be pleasantly cool or it could be hotter and more humid than a mumu pit.

As for a tip for this weekends games there is none because it is not easy to predict.

However I can predict that league fans will be treated to some very entertaining rugby league. At the time of going to press this weekend's draws are not available.

Simbu Brothers stampede Hawks

by **Lindsay Ongapa**
Special to Rugby League News

KUNDIAWA rugby league season proper kicked off on March 29 with six clubs paid up with their affiliation fees and two yet to pay.

League president Thomas Tumun has expressed concern over the delay in payment by the two clubs. These clubs are East and Eagles. Mr Tumun said the deadline for the payment of registration fees was on March 29.

The clubs that have paid are: Brothers, Royals, Souths, Tigers, Hawks and Works.

However on Sunday rugby fans in Kundiawa were well entertained when Simbu Brothers and Hawks opened the game in their colours.

Hawks went on to the field as favourites led by captain/trainer Kelly Eari in green and gold jersey. From the kickoff whistle both sides went straight into each other.

It was a testing period in the first 15 minutes of play as both teams tried to wear out it's defence. Brothers led by Kumul centre Bal Numapo, captain Gore Kaupa and his charges withstood the heavy attack as Hawks threw the ball around to find gaps in Brothers defence to score.

It was during this stage that Hawks' prop, Siune Poka barged his way through for the first try. A conversion attempt was unsuccessful,

leaving the score 4-0 in favour of Hawks.

Play seesawed for 25 minutes, when Brothers realising that they were in trouble sent D. Kaile for an unconverted try. This try brought in some team spirit as Brothers threw the ball around to register another try. By this time Hawks were leading 16-10 five minutes before half time. Two quick tries by Brothers put them on the lead as they went out for half time with the score remaining at 16-20 in favour of Brothers.

Meanwhile pre-season premiers Simbu Brothers were presented with a shield donated to the Kundiawa Rugby League Association by the national Parliament speaker Mr Brown Sinamoi.

During the presentation, witnessed by a small crowd of rugby league followers at Dickson's field, Mr Tumun thanked Mr Sinamoi for his generous contribution of a shield to the association.

He said it was the first time that a pre-season trophy was presented to the premier team.

And he urged all teams taking part this season to play good football and promote the code in Simbu.

Results: Brothers 44 defeated Hawks 26; Royals 44 defeated Tigers 14; Works won by forfeit because one of the two teams Eagles and Easts did not turn up.

Malum's cubs are ready to belt Hawks

by **Henry Morabang**
staff writer of Rugby League News

THE in form young Kone Tigers side will bounce back on the winning trail when they meet lowly rated Suckling Hawks in the main fixture on this Saturday in Port Moresby.

Last weekend Tigers could not contain the fitter soldiers and went down 30-16 in the main game on Sunday.

There is no one to blame for Tigers loss because Defence had proved far superior with team and ballwork. They really outclassed the young Tigers pack.

This weekend Tigers will easily wallop Suckling Hawks when they keep up the same pressure as they did previously in their last victorious game.

Hawks with its promotion competition during the main league break last year helped to polish up the team. Tigers should beware and not take Hawks lightly.

Hawks had proved worthy of mentioning when it gave other teams their run for their money.

Tigers is a promising team. Its bunch of youngsters sure do have a bright future. If they think seriously about the team 1987 could certainly be Tigers.

Coach Malum said, "Tigers is a team of youngsters. This is my first year to mould the boys. Otherwise Tigers should be a team to reckon with as the season marches on."

In other games on Saturday DCA hopes to register its second win against East this weekend.

● Steve Malum

DCA with promising Kumul five eight Koivi Pirika in the promising room should easily pave the way for his mates to cross over for tries.

DCA camp looks very quiet at this stage. It's fans probably wonder why DCA is lying low for so long.

DCA stalwart Arebo Taumaku, Kin Gau and coach player Tara Gau will lead the assault against the Easts.

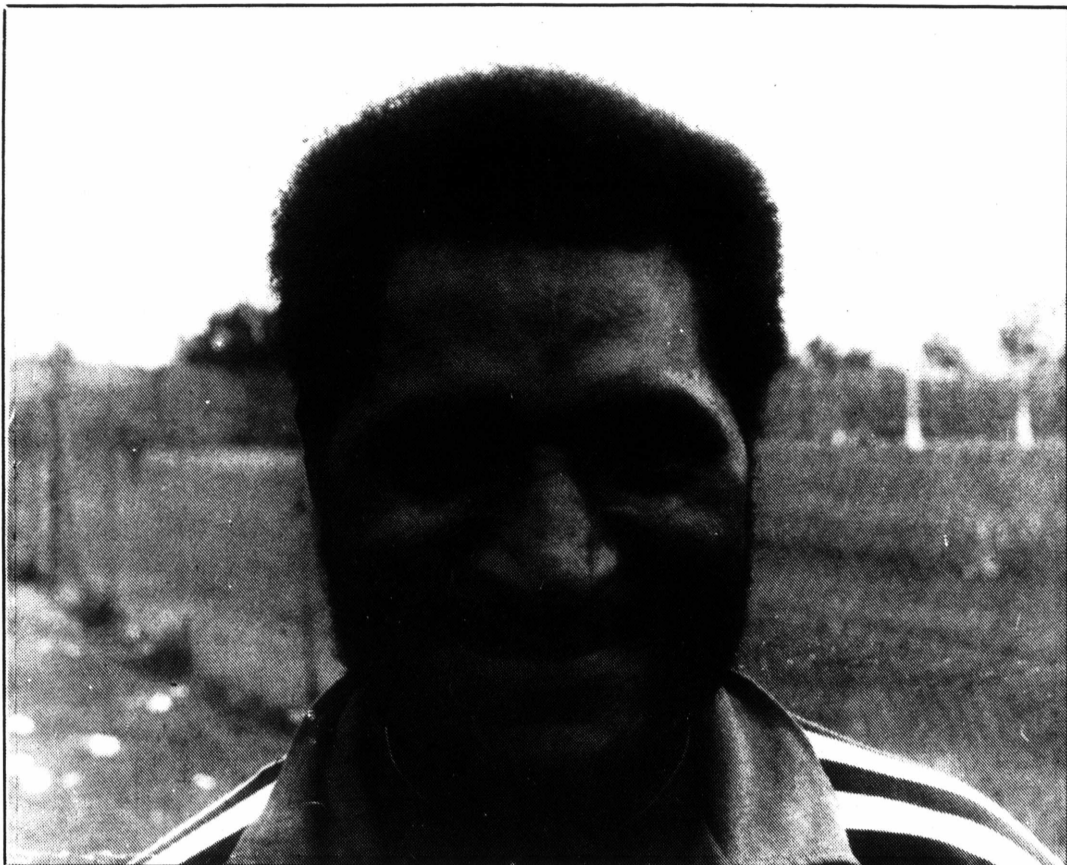

Easts should not be taken lightly because last weekend they held Air Niugini 22 all at fulltime.

It was Air Niugini who underestimated the strength of Easts that came to realise that Easts is no longer an underdog.

Well, DCA is back to form so DCA will beat Easts while Kone Tigers wallop Hawks.

□ **BADI DOU**

□ One of Lulum's mentors, National Capital, Country and the Kiwi busting Southern zone side's coach Badi Dou says... "with better coaching Lulum should make the Kumul side".

Lulum wants lock spot

by **JOSEPH KAU**

Staff writer with Rugby League News

HAVING tasted the thrills of playing in the local representative football the National Capital league representative side player Paulus Lulum is pushing for greater heights this year.

Paulus 23, from Keiya village in the Eastern Highlands province is the skipper and lock forward for the Morata senior side in the National Capital rugby football league competition. He works as a boilermaker with J D Hayes in Port Moresby.

His league career spans four years. In 1983 he started playing the Ginigolo junior side in the Port Moresby competition. In 1984 Lulum became a Tiger and with Kumul skipper Tony Kila as his coach made it into the Southern zone Junior side but did not play due to personal problems.

The switch to National Capital league was made in 1985 and it was the Waigani club that lost to eventual premier Bomana in the major semi-finals. Due to disagreements Lulum with other Waigani players moved out and formed the Morata "K" club in 1986.

It was in 1986 that Lulum finally made his representative debut firstly as a National Capital league player and ending up wearing a Southern jumper. Lulum is characterised by his suicidal runs up the toughest of defences and at times is a replica of his idol, Kumul Arebo

Taumaku.

He has played as a forward throughout his league career and has this dream of becoming a Kumul one day. However he will have to work twice as hard this season to make any impressions. The man who wears the jumper he would like to wear, is none other than Taumaku.

Taumaku and Roy Loitivi are the players that Lulum would like to imitate because he says, "Like me they do not have the weight or the size but have the ability to break the best of defenses".

In the National Capital league competition Bomana's Ray Karaki and Kuri Kangal are his most revered opponents. In his Morata camp Kariko Mai has been his best support.

His hobbies are going to church on Saturday, singing in choirs (he checks to make sure that I have written that down), cracking jokes with friends, swimming (unusual for a Highlander) topped by watching and playing rugby league.

Tony Kila, who coached Lulum in days with Kone Tigers says Lulum is a very good, hard running forward and if he can put his act together he should be able to displace some of the Kumul forwards. His National Capital and Southern zone coach Badi Dou said, "Paulus has the potential, he has tasted rep football and with better coaching should make a Kumul". Another critic Sam Bonner of the Bomana club expressed the same thoughts as Dou, saying if Lulum can get to settle the ball after he makes a break he should make the grades.

"Paulus has the potential, he has tasted rep football and with better coaching should make a Kumul,"

Wabag postpones games to mourn late Dennis Kepore

by HENRY MORABANG
Staff writer of Rugby League News

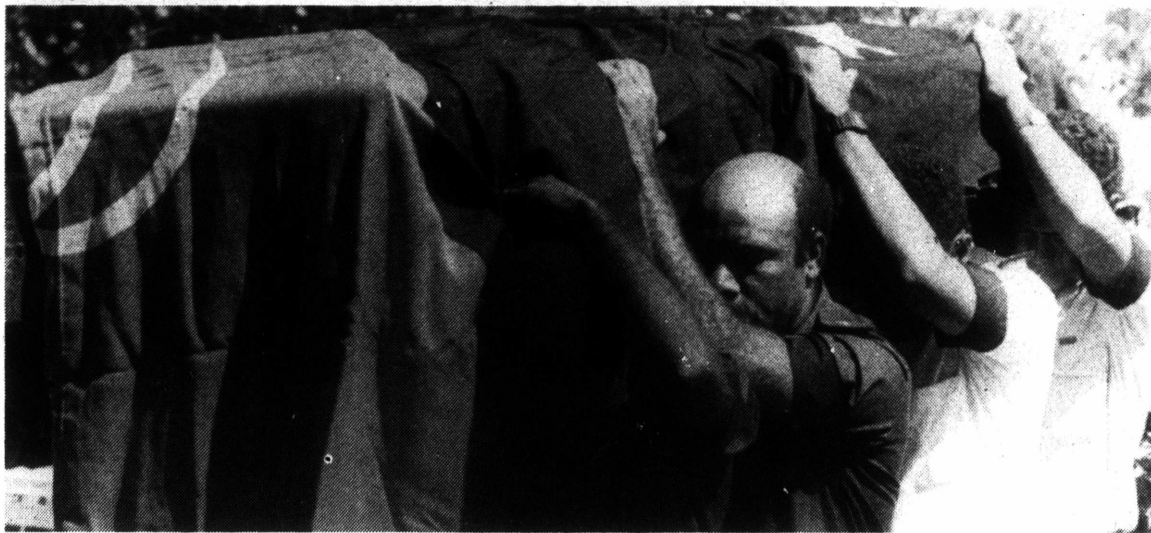

THE mourning session of late Dennis Kepore cancelled Wabag's games for last weekend.

Dennis Kepore was the PNG's Ambassador to Fiji until his death two weeks ago.

According to Wabag league executives, Wabag rugby league could not proceed with the games because the ground which rugby league is often played (the only reliable one) is owned by clansmen of the late Kepore.

The league's spokesman told RLN this weekend that as a sign of respect, Wabag league decided to postpone the games of last weekend to this weekend.

Mr Puki said on behalf of rugby league in Wabag they would like to send their condolence to the late Dennis Kepore's family in Wabag.

Live wire sparks up a million \$ Question

● Centre of controversy (or is the question off?) far left — Kepi Saea. The team mate — far right — is Wata Sauna also a member of the Panasonic Cup team.

by Henry Morabang
Staff writer of the Rugby League News

AIR NIUGINI's livewire Kepi Saea made his first appearance at the Port Moresby's Lloyd Robson oval last weekend and finds himself already included in the Panasonic Cup team.

Selectors for the Port Moresby Panasonic Cup team may have to answer to Port Moresby critics who thought Kepi's inclusion in the team is very questionable especially for the Panasonic Cup, the multi million dollar competition.

For one reason Kepi was "missing" from the regular Air Niugini first grade line up ever since the start of season proper until last weekend when his return raised a few eyebrows.

But according to one of the selectors Kepi's selection was justified.

"There are no two ways about his selection in the Port Moresby side. His past and current performance secured him his spot in the team."

The Kumul reserve is still rated highly above other players.

His Air Niugini club topped the selection list for the Panasonic squad with five players including himself.

The others are Tony Kila, Wata Sauna, Lae import Mala Soi, and Nou.

Air Niugini dominated the squad followed by Defence with four, D.C.A. Paga, Kone Tigers,

and Wests with two each.

PNG former Kumul fullback, Mathias Kitimon will be in the squad as well. He is also the vice captain for the team.

The Port Moresby team will be under the charge of former PNG great, Steve Malum and the trainer will be Sam Susuve (Paga) and the team manager is Thomas Tekri.

The full Port Moresby Panasonic team is Roy Heni (captain) and Gideon Kouoru (West), Mathias Kitimon (vice captain), Joe Tep, Roy Loitive, Arnold Krewanty (Defence) Mala Soi, Kepi Saea, Wata Sauna, Tony Kila and Nou (Air Niugini) Dairi Kovae and Koivi Parika (DCA) Bernard Waketsi and Robert Jakis (Paga) Luke Auro and Michael Matmilo (Tigers).

The coach Steve Malum expressed a satisfying feeling of having a side to match the Australians during the Panasonic countdown. He also defended Kepi Saea saying that Kepi's inclusion was justified. "Well, there is no other better player than him."

The mob looks good, said coach Steve Malum.

Coach Steve Malum said, the selectors did their part well and now it is my turn to mould the boys into a fighting machine.

"The selectors looked for players with experience and merits," he said.

Coach Malum said now they have to wait and prepare for the big day against the Australians.

Here we go again with West-Paga

By Henry Morabang
Staff writer of the Rugby League News

ANOTHER tough tight tussle between Paga and Hobar West is expected to draw a capacity crowd this weekend. The encounter is scheduled as the main game on Sunday at Lloyd Robson Oval in Port Moresby.

Fairdeal Paga has a fairly good record of two wins and two losses so this weekend Paga expects to earn its third win.

Paga's great enemy on the field Hobar West has been maintaining a clean record of four straight wins. And this weekend West's hunger for its fifth major win from Paga is eminent.

Both sides, Paga and Wests are evenly matched in all departments in the field.

Paga after its win against Brothers last weekend wants to keep its record straight. So as they see it would be also a threat to West.

Paga coach John Wgambie told RLN that it is very hard to make a predication because West is also a tough team.

Mr Wgambie said discipline during the training sessions will be the only key to victory if the players are serious about it.

"My boys look very good. We have the defensive-offensive tactics to use. It is only the players who can use the tactics to the fullest. Otherwise there are no two ways about grabbing the title from Hobar West," he said.

Paga with its regulars Londari 'Men at Work' Minap taking the

lead in the front line with assistance from Bernard Waketsi, Robert Jakis and Paul Labu Paga should not find any problem edging out West.

The frontline tackling machine for Paga is evenly matched by the big crocodiles from West namely Henry Miro, Tati Evara, the Kouoru brothers, Gideon and Hoda.

The Panthers' backline will be engineered by young Richard Wagambie, Paul Paulo, Hanet Rolly at fullback and Isacc Lavari.

Paga really has to play as a team. The coach had been trying his best to mould the boys but it was the players themselves who more than once gave the game away to the opponents.

At West's camp things seems to be quiet but one thing maybe true. It was his team mates who enabled him to score most of his tries last weekend.

West's camp looks bright as of 1985, so Paga should also take precautions when jogging on to the field.

West with Isa Mai at five eight position, Joe Mirisa fullback and Miro plus the gang in the frontline, is sets to cause an upset again this weekend for Paga.

Coach Bill Fleming said, 'We will win this game against Paga'.

In the second encounter of the day Defence had a bit of work to do against Brothers but Defence will come out on top.

Tarangau played brilliant football against West last weekend. This fine Tarangau versus Air Niugini game will be very interesting to watch. The team with less errors will win the game.

Danger duo's absence fells the team

THE absence of Tigers' dangermen, Hahari Eka and Sam Passingan caused their team to bow down to Toyota Defence last weekend with a 30-16 loss.

The duo were not able to join in with their team mates to play against the classy Defence.

Eka and Passingan suffered minor injuries during their last game the previous weekend.

Tigers' coach Steve Malum said Eka was a very consistent halfback. "We believe if Eka was there last weekend the score would not have been that wide."

Passingan was also another of

Tiger's corner posts. "And last weekend we could have matched the soldiers well in the backline department."

Malum said Tigers should have won the game but the training camp was struck with some misunderstanding on Friday.

He said "My boys were psychologically affected so they did not play their usual game. Otherwise Defence would really struggle for their money."

To conclude coach Malum said Defence was the better team on that day. And it deserved full credit for winning against the Tigers.

JOE "TIP TOE" TEP

Story by **RAYMOND AUGUST**
Special to Rugby League News

PAPUA New Guinea's most outstanding international rugby league prop, Joe Tep is the only native born player in the country who has consecutively represented the country five times, twice slotted into the President's 13 aside against touring sides and a one time member of the PNG team which participated in the National Panasonic cup last year.

He has a clean record which no Papua New Guinean has held since 1981. Today "Tip Toe" Tep can be declared PNG's top prop with the longest international representative record since 1981. His personal record reveals how dedicated and determined he is and the achievements he has gained from the sport.

Reviewing his rugby league career, the Kumul prop first tasted A grade rugby league football in 1978 where he played a part in steering Hagen Brothers into winning the premiership race that year.

In 1979 he continued playing with Hagen Brothers club and took out the premiership for the second time.

However, in 1980 his local club failed to retain the title at the Hagen rugby league competition and it lost the race.

1981 was a special year for Tep. He made a personal history when he was selected into the Highlands zone side for the first time in his life. Highlands won the inter-zone trial that year.

His local club also won the premiership in the local competition for the third time.

In 1982, the solid prop for the second time was slotted into the Highlands zone team repeating its previous performance by winning the inter-zone championship trial and for the first time in his rugby league career broke into the international rugby league arena and cemented the prop position in the Kumul team against the Australian Kangaroos.

That same year Tep again experienced another flow of international representative football. He played in the President 13 side. And on return from his international matches took Hagen Brothers into the premiership for the fourth year in Mt Hagen.

However, in 1983 his local club lost the premiership but Tep was again part of the Highlands zone champion zone. In addition Tep was for the second time selected into the Kumul party which toured New Zealand.

In 1984 he lead Hagen Brothers into another premiership and played a major role in the inter-zone championship to dub the Highlands

zone the "kings" in that period. At the same time Tep was voted the skipper of the Kumul squad which challenged the British Lions — making it his third Kumul appearance.

In 1985 unfortunately Hagen Brothers lost the premiership but Tep was again selected into the Highlands zone side. His fifth record as appearing in the zone side and the fourth occasion in wearing a Kumul jersey against the New Zealand Kiwis.

However after a couple of months the same year Tep registered another point in his representative football career when he was a member of the President's 13 side which lost to the Queenslanders in Port Moresby.

The international prop hit another successful year in 1986 when he was part of the Kumul squad which played against the New Zealand Kiwis in the first Test in Goroka. But luck struck them in the second Test when they downed the New Zealand Kiwis at Port Moresby to score two points in the World Cup Series. In addition that year was Tep's sixth mark to represent the Highlands zone and the sixth time to be a recognised member of the Kumul team when he was again recommended to be part of the Kumul side which challenged the Australian Kangaroos last year.

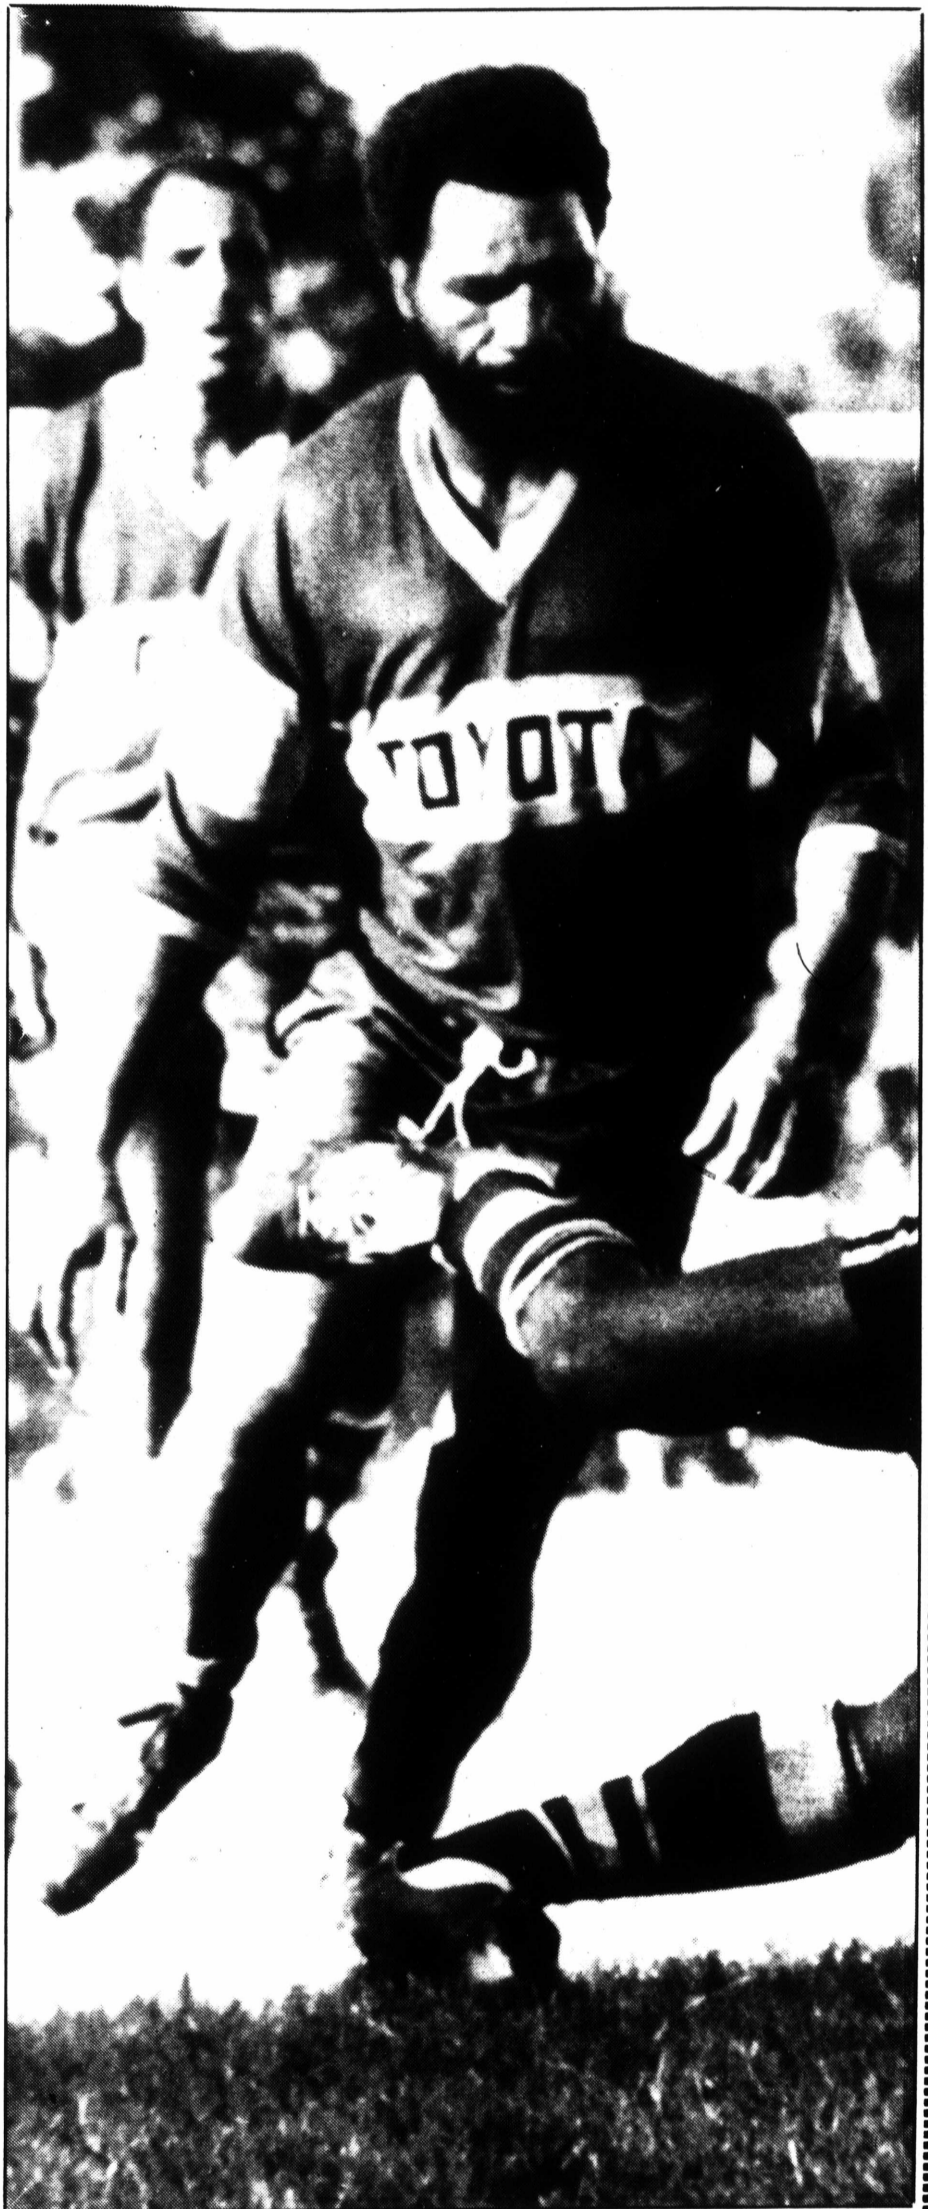

Tep did well and scored a spot in the Port Moresby side to compete in the National Panasonic Cup for the first time in his rugby league career last year.

Looking at his record one can conclude that Tep was born a rugby league player specially made for the field. Who at the age of 27 still has a long way to go in the rugby league arena. However the question is will there be another Tep if the first Tep steps down? On the whole with such a first class record under his belt, Tep deserves to be recorded in the PNG rugby league history book.

Today the solidly built Tep plays for Toyota Defence club in Port Moresby since transferring to the capital from Mt Hagen at the end of last year. When RLN interviewed him about this year's tour of Europe he answered quietly, "I am looking forward to the Europe tour.

I came down here to go on training and get myself fit and prepare for the tour. And for my new club, I believe we will make it into the finals this year."

The rugged prop originally from Ban village near Mt Hagen in the Western Highlands province comes from a village family where his father, supports his two sisters and three other boys in the family. Since entering the rugby league arena Tep has been working with Ela Motors and today he is employed with Ela Motors Badili in Port Moresby.

NS league— counting on the use of school grounds

By **DANNY TAKA**

Special to the Rugby League News

THE acting president of the North Solomons league Mark Mon is optimistic about establishing a reasonable understanding with the Arawa Provincial High school to hold all their matches at the school field.

Late last year Mr Mon suggested to the high school that the league fence the school oval which would in turn bring in a constant income from gate takings throughout the year. The high school realised the potential source of income for the school so the board of directors decided to put up the fence on their own and hire it out to the league. The league will now start its proper season for the first time inside a fenced field.

At present there are two affiliated league bodies on the island and in the same town — Bougainville league and North Solomons league.

Both leagues are working hard to have many of their players taking part in the representative matches. Mr Mon says he will ask the PNG league to stage some zone trials and international matches here as they have a fenced field now, which is one of the requirements a league must fulfill to stage such matches.

Mr Mon also said his league will be a little richer as there will be a constant income from the gate takings even though it will be shared between the school and the league.

Starting late last year, spectators were not deterred by the gate takings. During some of the normal matches, there was usually about 2,000 to 3,000 people going through the gate.

"EAST HUMBLES WEST"

By **DANNY TAKA**

Special to the Rugby League News

PRE-SEASON finals over the weekend saw East and West going at each other. However, Easts better ball work and fast runs out classed West 18-12. And they won K100 cash prize for their club.

From the kickoff West displayed some effective ballwork by Joe Aki and A Paso which saw Joel Amu going in for a try near the uprights. Aki's successful conversion gave West the first six points in the first 10 minutes of the match.

West's 6 point lead was shortlived when Easts captain and halfback Dick Pasura make a break for a gap and set up Sirao Aegobi who went in for a try. The score was equalised with a successful conversion by Pasura.

Play seesawed in the middle of the first half when both sides' forwards made damaging runs to break up each other's defence.

Snippy halfback Pasura was always in the thick of the action to see East lead over West before halftime. His hard work paid off when leftwing Lausi sent Horton Lawrance for East's second try but the conversion was unsuccessful.

West's blockbusting runs by promoted B grade Ekip and try scoring machine Amu were well controlled with defensive tackles by Kinny Apaso and Aegobi. West's playmaker, Aki did not move any more than 10 metres when Easts were all over him and this type of play by Easts saw them lead over West at halftime 10-6 points.

After the half-time break Easts came back and continued its strong attacking play and broke up the West defence. West's lanky outside centre Passo Oksap tried extra hard to wear through the gaps which were obviously not there. During the first 10 minutes of the second half and for most of the second half West was flatfooted.

East capitalised on this weakness with fast runs by Joe Orame and Maron Ato. Orame played superb football but was sin-binned for spear tackling John Kints. Right after that incident, Pasura again made a break to set up Ato for an unconverted try.

Muruk is still in trouble

KAVIENG'S most controversial club, Muruks must pay another fee to its league. This time it is the registration fees for its players.

Two weeks ago Muruks failed to pay its affiliation fee of K250. But last minute payment saved

the season for its players.

The secretary for Kavieng rugby league Vincent Tutu told RLN this week that this was the second time now the Muruks club had not paid on time.

Mr Tutu described this is as irresponsi-

ble on the part of the club executives.

Muruks is the oldest club in the Kavieng rugby league association. It would be a disgrace if the management did not pay the money he said.

Muruks also failed to field a team two

weeks ago.

Meanwhile, the Kavieng rugby league has entered it's second round of the competition last week.

The season started on a low note, with Muruks not turning up for the games. Their absence

enabled Snafu to register their first points for the season.

On Saturday, the most improved Tarakum Brothers thrashed Sea Eagles in a one sided affair 22-14.

Tarakum was the better side of the day. They went on a rampage in Sea Eagles territory.

However the games was completed because the reference called off the game after some back catching that the reference was one sided.

If the game had been played to fulltime, Tarakum would still win.

Raiders flying visit to Wewak

MOGORU Raiders burly prop Linson Taviri runs into a brick wall barrier laid by his Wewak side opposites John Ketiyo and Mack Joe with Patrick Killie moving in to ensure that the tackle is completed.

The Moresby based Raiders flew into Wewak last Thursday on a two match tour in which they lost the lead up game to a local side, Garamut Country 20-14. However they hammered the Wewak selected side 36-0 in the main fixture.

À cool weekend for Kiunga league

KIUNGA United won their first A grade honours by defeating Magani 12-6 in the pre-season finals. United won in extra time after the full time scores were 6-all.

The match was played in pleasantly cool conditions that allowed both sides to put all their effort into the game.

The first half was scoreless after both teams lost many scoring chances through bad ball handling and with some tough spiritual defences.

At halftime the score was 0-all. In the first 20 minutes of the second half Magani's mistakes really let the team down with United capitalising on these errors.

United five eighth Billy Seove opened the scoring with a penalty goal after a Magani player was offside. Another Magani infringement, forced a scrum from which United halfback Lailo Leo sneaked off down the blind side for a try.

Magani settled down, which saw itself, wing Roba Jeipi cutting in to back up a backline movement to sure a try under the posts. Outside centre Buge laba booted the equaliser when he converted Jeipi's try.

With the fulltime score at 6-all extra time was ordered. The game was sealed in United's favour when inside centre Sebi Maguni wrong footed the Magani side to score a try which was converted by Seove.

Final score United 12 defeated Magani 6.

In the minor final, Wali West made a strong second half revival when they defeated Brothers 16-10. In the first half, Brothers completely dominated Wali West with their experienced inside centre Makeso Nago and their wily skipper and fullback Michael Pagru each running through for a try.

Brothers prop and coach Martin Paining converted Nago's try to bring Brothers halftime total to 10. Wali West halfback Dickson Aidali scored his team's only first half points when he touched down for an unconverted try.

Halftime score Brothers 10 Wali West 4. Obviously Wali West had done some homework with their forward pack. Wali West forwards led by coach and former Hagen Royals player Bob Mili with assistance of prop Laole Mulake and lock Wamoa Haoda ran riot over their Brothers' counterparts.

Lock Haoda scored a try near the posts which was converted by fullback Dewaiya Didula.

Later on, a typical Wali West backline movement saw right winger Wae Onao take off for a 50 metre try. Fullback Bioula converted to seal the game.

Final score Wali West 16 defeated Brothers 10.

In the reserve grade final, Brothers defeated Magani 6-0.

Senior grades upset Wau/ Bulolo season

SENIOR grades in Wau/Bulolo face suspension if they do not pay their registration fees.

The league's secretary Kalabe Yabai said lack of club executives' response had forced the A grade games to be postponed.

He said it was a clear indication of irresponsibility on the part of club executives. They also failed to attend the league meeting last week.

Mr Kalabe said last Thursday, a meeting was called but had to be cancelled because of a lack of quorum.

It is believed many officials did not turn up for the meeting because of transport problems.

The league executives had made their last call to all club officials to get their players registered before the A grade matches kickoff for the season proper.

Wau/Bulolo has been nominated to field a team during the zone trials in Lae later this year.

In the lower grade, BM Easts drew with Appacts 22 all and in the main game of Wau/Bulolo while Tigers crushed country 26-10.

Seven's clash goes from strength to strength

THE first major showdown of the Port Moresby women seven aside touch rugby league competition played at the University oval (1) witnessed Haus Bilas down DHL Works 2-1, Rockets dumped Nissan Rebels 3-nil, Kaugere defeated Harbour 2-0 and Mirikuro levelled the score with Roosters 1-1.

In the Haus Bilas verses DHL Works match, the Haus Bilas gang were the first to score when Billy Saribi making a break within four metres from the Works tryline touched down for the first point of the match, however Works replied after five minutes of play when Jennifer Morehari outspurred her opponent to score. Halftime score Haus Bilas 1, Works 1. In the second half Haus Bilas came strongly to shutdown the Works beauties and moved on to grab another point from Genda Guse. Final score Haus Bilas 2, DHL Works 1. Best for Haus Bilas was Saribi and Guse while Works' Morehari stood out.

The other excellent display of touch game seen during the day was between Mirikuro and Roosters. The match was a very defensive and a close tussle ending up in a draw. The try scores were Mareva Baru for Mirikuro and Roosters Tavo Ivara. Final score Mirikuro 1 Roosters 1.

Bulldogs in a new spirit hit form when they crushed Logo Energy 3-1. Scores were Kaia Koani, Mea Riu and Bodibo for Bulldogs while Logo Energy's only try came from Boni Guba. However the hot favourites, PTC recorded another win again last Sunday when they ran in two tries to Haus Bilas One. It was the brilliancy of policewoman Karitas Vangar that paved the way for PTC, Karitas was able to score one clean try and did everything to lead her girls. Haus Bilas' only try came from Saribi after a dummy motion. And just going towards the end of the game Betty Iskel grounded another try for PTC to sealed the final score PTC 2 Haus Bilas 1.

DHL Works suffered another great loss of the day when NG Lloyds Bank flattened them 4-2. The clash was played at a fast pace with Kaugere girls much fitter and quickly ran in four

tries from Magi Kave, Jennifer Kovo and Beema Valeke while Works' two tries came from Morei Misikaram and Anna Peter.

In the Viking and Elcom clash was played at 10.20 in the morning. Viking filling in most of their regulars tried desperately to occupy the upper hand of the match did not work as the opposition put up a good fight.

However in the dying stage of the first half Elcom Esther Lare broke loose in an assault to race over for the first try of the half. In the second half Viking correcting some of its mistakes did not work and scored only one try in the second half by Vau Misina to level the score 1-1.
