December 9, 1915.

Clark & Beatty,
El Cajon, Cal.

Gentlemen:-

After our telephone conversation of this morning I looked up your record in our books and find that since June 1914 your payments have been on the following dates:

June 16,	1914
July 8,	"
Aug. 10,	"
Sept. 8,	"
Oct. 12,	"
Nov. 13,	"
Dec. 10,	"
Feb. 9,	1915
Mar. 11,	"
Apr. 21,	"
May 11,	"
June 10,	"
July 15,	"
Aug. 10,	"
Sept. 8,	"
Oct. 11,	"
Nov. 15,	"

My understanding of your statement over the phone was that with the exception of the payment for December and January water, which was made on February 9th, that there had only been one month in which you had failed to pay before the 10th. The record as shown by our books does not agree with this statement, but shows that there had been eight months since June 1914 when your bills have been delinquent. Under the circumstances I do not see any other way out except for you to make the deposit as required in the circular letter of recent date.

Very truly yours,

Assistant Manager.

Answering your letter of May 6, 1916, in which you enclose your check for \$3.60 for water rentals for two-thirds of a month's supply, we have been holding your check and bill expecting this matter would have been adjusted before this time. However, as it may be some little time yet before this matter will be adjusted, we are returning to you the above check together with you water bill for the month of April, 1916, and as soon as there is anything definite done you will hear from us in the matter.
