Comments:

Being involved with the CCR, even at this limited
associate position, will allow myself to be aware of the
issues which affect me, my community of mi Raza.
Although, at this point in my life my time is very
limited, I would wish to contribute as much as
possible in order to keep in touch w/ my community, and the

society in which I must ~~live~~ live. The strenght of the
CCR to withstand the years of turbulence and
pressures which it has faced throughout our times,
has proven itself to be a valid organization to (which)
represents) the interest of Chicano's in Southern California.
I hope that my educational experiences and my
god given resources can contribute to this organization.

Thus I respectfully submit this application for ASSOCIATE MEM-SHIP.
