

Walter Kohn named to the Board of Editors of "The Physical Review"

January 30, 1962

Walter Kohn, Chairman of the Department of Physics at the University of California, San Diego, has been named to the Board of Editors of "The Physical Review," one of the most eminent journals in the world of physics.

Kohn is one of six scientists named to the board at a recent meeting of the American Physical Society in New York City. His term of office will last three years.
