Mr. Theodor S. Geisel  
Post Office Box 1924  
La Jolla, Calif.

Dear Mr. Geisel:

The attached letter from Theodore Waller is self-explanatory. If you feel like it we could have either lunch or, wives included, dinner some time at your convenience. I would suggest that you call me over the telephone, either during office hours at the Salk Institute in La Jolla, (453-4100) or in the evening some time between 6 and 9 at my residence. You can reach me at my residence through the switchboard of the Hotel Del Charro (454-6134).

With best wishes,

Sincerely yours,

Leo Szilard
