Celebrating

The **1999** **M**ost **I**nnovative **N**ew **P**roducts Awards

From things most basic come the most profound innovations.
The square, the triangle, and the circle are the most basic of forms,
yet, from these simple beginnings are born the
remarkable creations of the human imagination.

Our logo salutes imagination and the
innovation that makes it possible.

You are cordially invited to the Twelfth Annual Luncheon
