Dear Sir:

Secretary Rainwater of the Community Welfare Council has called my attention to the fact that Dr. Mangold, who is making a survey of San Diego, has asked for an opportunity to meet and talk to as many of the Board of Managers of all Agencies as possible before putting his report into final form.

Accordingly Mayor Clark has called a meeting of the Board members and social workers at the Golden Lion Tavern, Fourth and F Sts., Wednesday noon, April 10th. I don't imagine the meeting and luncheon will last more than an hour or an hour and a quarter, and if you feel disposed to go I would appreciate it very much if you would call my office any time before 10 o'clock Wednesday morning, so that I may notify the Golden Lion Tavern that you will be present. The luncheon will be 75¢, and I am sure you would enjoy hearing something of Dr. Mangold's statement with reference to the survey.

Very cordially yours,

W. D. Eastman,  
Executive Secretary

Mr. Marston has advised me of your generous subscription of \$50.00 towards the improvements we are now making on Camp Marston at Pine Hills, the total cost of which will be around \$4000.00. We are paying our way as we go and will be glad to receive your check at your convenience.

The material used in the cabins, as undoubtedly you have seen, is six inch matched flooring and siding neatly trimmed. Material in the dining room will be eight inch cedar shiplap. May we have your approval of this type of material?

However, it has been a real pleasure to me to have some small part in the work of the Chest this year, and we all of us count it as a privilege to have had you as our Commanding Officer.

Dear Sir:

The November meeting of the Committee of Management of the Army and Navy Y.M.C.A. will be held at the Training Station Friday noon, November 15th. The dinner will cost 50¢ as usual, and will be quite interesting in character.

It is planned to have a fairly brief meeting and then spend some time in visiting the various departments of the Station. I am sure you will find this a very interesting period, and we are in hopes that every member of our Committee will be present.

If you will kindly notify Mr. Eastman in case you are unable to attend, we will appreciate it.
