PSA SAVINGS AND LOAN SOCIETY LIMITED
HEDURU HAUS, WAIGANI

Tok save long ol pablik

PRESS STATEMENT

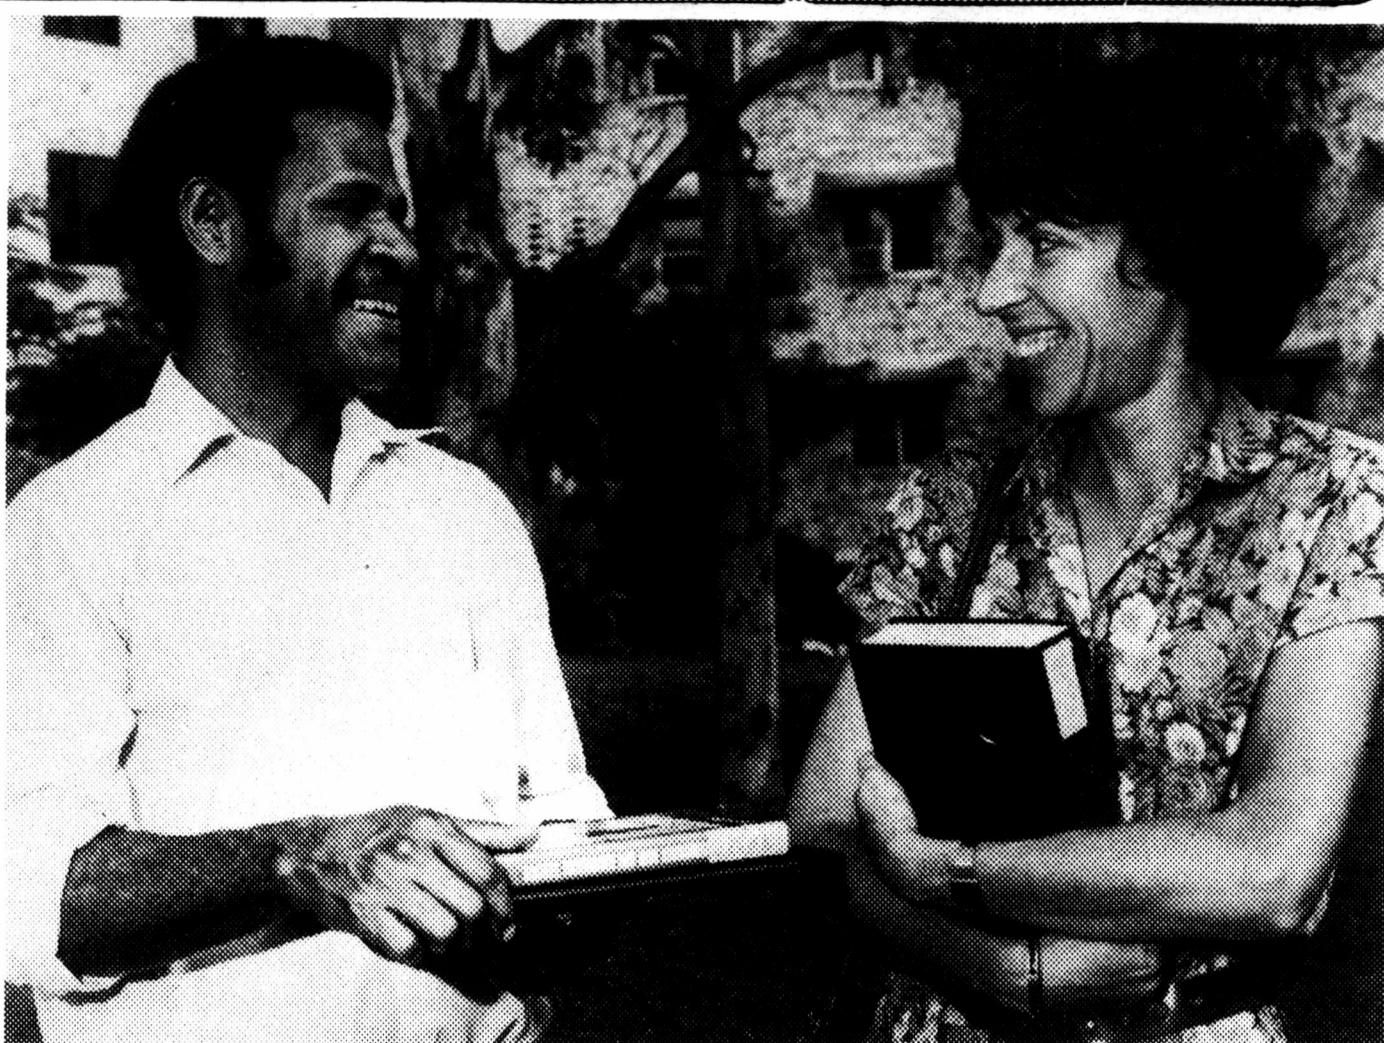

The general manager of PSA Savings and Loans Society, Mr William Skate, has announced the payment of dividend cheques totalling K200,000 over the next few months.

According to Mr Skate, the dividend was declared when the society made profit for the first time in 1983. He said the delay in paying the dividends was largely due to computer problems.

Mr Skate said the PSA board agreed last week to process 20,000 dividend cheques payable to members who had K200 or more in their savings account in 1983.

"Our members know about the dividends declared in 1983 and since we have sorted out our computer problems we would like to pay them, we have nothing to hide contrary to what our critics may say," Mr Skate said.

Rugby League News

Season '86 — Issue Number 10 — ends 14 May

- Wests determination orders three tacklers to one attacker — Brothers were removed from a victorious outcome as West employ their cool approach.

WESTS WIN

By HENRY MORABANG

PORT Moresby Rugby league Premier West survived the hard battle defeating Twistles Brothers 10—4 on Sunday at Lloyd Robson oval.

All in the first half was a record of Port Moresby league set by reigning premier West and Twistles Brothers.

One would think its a matter of running around the field and throwing the ball, but it is that and more.

Both teams staged a man's game for full 40 minutes in the first half so the scoreboard did not rattle until the second half of the game.

In the second half Brother's back, Willie Magel, ran for a try after a tap, right near the West scoreline.

With his hard runs he crashed into West Defence and landed for a try.

His try was unconverted.

However, West did not want to give the game easily to the Twistles. They played very hard to down Brother's International winger Arnold Tivilet from running away with the ball.

The toughness of both sides had proven that none on either side would score a try in the dying minutes of the battle.

The Croc's pay-back came when Alu Poka touched down for his converted try following a his bomb.

Poka converted try gave West a 6—4, a doubtful lead.

Rugby Union convert Done Tore who was later named Boroko hotel "man of the match" put up a great show.

Twenty two year old K'Ave made one of his hard runs and a unconverted try so now the scocer was 10—4.

Inclusion of Henry Miro, Tom Bellem and Clemen Kose had contributed and extra power which caused the breakdown in Brother's kingdom.

Isa Mai, Tati Ivara and Jim Moore were Wests best while Brothers have Moses Ulea Launa Peni and Yore.

Brother had many chances of scoring tries but poor ball handling had led to their defeat.

Brother's centre, Yore, had many chnces of scoring but he was no match for West's backline Joe Mirisa with his support from a mate Jack Harry.

In another match, Kis DCA thrashed Tarangau 26—6 and Kone Tigers defeated Air Niugini 22—16.

Saturday game: Paga defeated Kool Mangani 46—8 and Defence ran over East 52—20.

WHY LAE BANNED SCHOOLBOYS LEAGUE

Dear Sir,

I AM writing in reply to an article which appeared in the Rugby League Supplement concerning the ban on Schoolboy Rugby League in Lae.

Comments attributed to Mr Peter Oyato, at the National Schoolboys' Meeting, are misleading. The ban was made for the following reasons:

1. The majority of inter-school games were not played in a sporting manner. There was much fighting, swearing, and threatening, and bad feeling at the end of games. Teachers' attitudes did nothing to discourage this, and refereeing was also poor. Foul and dangerous play was not being stamped out.
2. At some schools spectators from nearby settlements were making threats, and intimidating visiting players and teachers.
3. There were many injuries, causing students to miss lesson time. This was attributed to poor training and preparation, and poor control by referees.
4. Some students already play for clubs in Lae, and have developed bad habits and attitudes which do nothing to help the schoolboy game.

The Headmasters have brought their complaints and suggestions to the attention of officials

and teachers involved with the code. We recognise that this is a popular sport in PNG, and that it is desirable to have the game played properly at schoolboy level. Twice the Headmasters' Conference has lifted the ban for a trial season, only to find that the problems were as great as before.

There are many other sports played by schoolboys in Lae, which are enjoyed, and played without all the problems we have experienced with rugby league. It is now up to interested teachers and officials in Lae to see that they are thoroughly prepared when the ban is lifted again, as no doubt it will be.

Rugby league will continue to be part of our internal sports programme in Bungandi, because we have never experienced any of the problems which arose at inter-school level.

Other city school headmasters decided individually not to play the game at all at their schools and, as far as I know, none of the rural high schools play the game anyway.

I hope my comments make it clear to Mr Oyato that the decision made at the Headmasters' Conference in Lae was made after careful consideration, and was based on what was thought to be the best for the schools

and students at the present time. At no time was it ever said that students did not want to play rugby league, nor is it true that headmasters banned the code simply because they have never played it themselves.

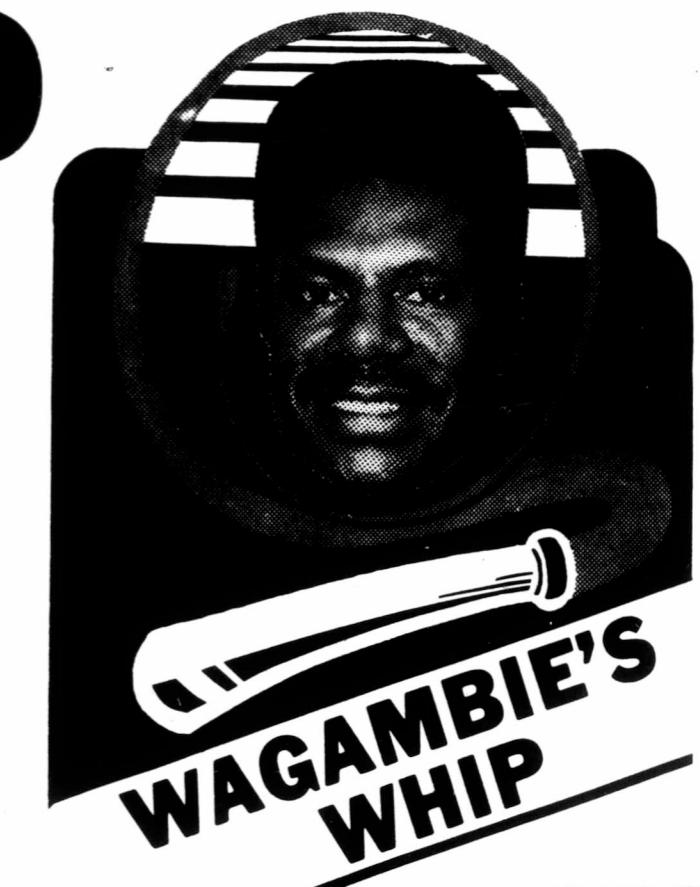

It is not money which is needed to get the sport going again, but a change

of attitude on the part of the adults involved in the schoolboy game in Lae. More emphasis is needed on fair play and sportsmanship, and at schoolboy level the example needs to be set by the teachers themselves.

At its best, even at schoolboy level, rugby league is one

of the most exciting and entertaining games in the world, but I strongly support my fellow headmasters in imposing a ban on the disgusting and degrading shambles the schoolboy game in Lae had become.

Eric Welsby,
Headmaster.

CLEAN COOL CROC'S CONTRIBUTION

IN ONE of the most bruising and defensive games seen so far here in the National Capital, Hobar Wests cool temperament was the deciding factor in their 10-4 win against Twistles Brothers.

Despite receiving a lot of punishment from Brothers, Wests' players continued to play clean football until the end.

In fact it was in the last 15 minutes that West surged ahead with a classical Alu Poka try. Poka put up a bomb, followed through and collected the ball to score. Converting his own try, the stage was set for a thrilling finish.

With about five minutes to go Alu Poka again set up Joe Mirisa, by delaying his pass and creating an overlap in Brothers' defence. Mirisa then sent in Don Tore to seal the game for Wests.

Joe Mirisa is a very promising young fullback, and I think the time is now ripe for Joe to have a go at the Southern Zone guernsey.

Alu Poka should have received the Boroko Hotel Player of the Match award, as he was the architect behind Wests' narrow win.

What can we say about Twistles Brothers, they had all the opportunities in the world, but just could not turn these opportunities into tries.

It was quite evident just before halftime that Brothers were so disorganised; I knew from then on that there would be trouble in the second half.

Brothers have two very speedy wingers, but how could these men score tries if their centres are not creating the opportunity for them. Most of the time, the wingers were just thrown the ball and were expected to perform miracles. Kevin Yore and Bire Pupune should switch positions, as Bire is very good in putting his man through the gap, but is not fast enough to finish off scoring opportunities. Otherwise Brothers put up a good show and should continue to do so, provided they cut out the rough stuff and concentrate more on the game.

In another very entertaining game, up and coming Watkins Kone Tigers sunk their claws deep into the Bird of Paradise to knock the big bird out of the air. Kone, who were very unlucky to go down to Hobar Wests the week before played good solid attacking and defensive football to completely outclass ANG.

Kone forwards led by veteran Noko Koko, Simbu youngster Kelly Naru and Alphonse Umbo just ripped holes in the Air Niugini defence.

Kelly and Alphonse were especially devastating in their tackles, and contributed a try each to their teams' tally.

One weakness I have noticed, is Kone's tendency to slow down towards the end, when they are in front of their opposition. That tendency cost them the game against Wests, and allowed Air Niugini to catch up towards the end.

Tony Kila committed more infringements than any of his team mates, especially the knock ons from scrum wins, some inside his 10 metre zone.

RLC Paga bounced back on to the winning way by thrashing a hapless Kool Magani on Saturday, and Kis DCA dumped Nissan Tarangau in the early game.

'I congratulate you TANNE'

Dear Sir,

I WOULD like to congratulate North Solomons Rugby League correspondent Alphonse Tanne, for his match reports to Rugby League News (RLN).

As a regular reader of RLN, I congratulate you and urge you to cover both North Solomons Rugby League and B'velle Rugby League. Also I can say I really support your coverage.

It is nice to have league fans around the country to read and know us.

Alphonse Tanne, I say thank you for your co-operation in getting both leagues stories in to Rugby League News.

MORATA BOASTS TERRIBLE TRIO

THIS weekend the main game between Saraga and Morata promises to be a crowd pleaser and on present form Morata seem to have an edge over Saraga. Morata, a new look side under old hand Korak Karaki readmitted into National Capital League this season, has exposed potential premiership material and has instilled fear into some of the top teams into the National Capital League, even getting J Wate of Bomana to conclude that it is most likely that Morata will be Bomana's opponent in this season NCL grand final.

Korak "Ray" Karaki leading the Morata

onslaught at half back seems to have no match for him in the Saraga camp and the absence of Reuben Maleva will make it even more easier for him to dictate play. Assisting him in the backline will be Steven Marina, Kariko Mai and Vincent Asobi, a trio who are dangerous when in possession and if not stopped quickly should spell disaster for Saraga.

Their opposites A Favave and Simon Dairi are slow starters and if they do not click from the first whistle should find it hard to recover.

Paulus Lulum up front for Morata has had his task made easier with the possi-

ble sidelining of William Oto due to injury and a good game is expected from him.

On the other hand Saraga will not be taking this game lightly and coach Glen Oto said "We are not going to underestimate Morata and we will treat this game as a grand final and whoever wins on the day will be the better team."

The possible sidelining of W Oto will leave the Saraga forward pack without bite and George Neisi will have to work overtime to keep the Morata for-

wards at bay. Saraga to taste first defeat by a small margin.

In the other games to be played this weekend, first Waigani meets Hohola in another interesting tussle and Waigani's current showing makes them hot favourite to win this encounter. Mark Par, Iki Jim, Jacob Yananga and Benny Aunama will again make their presence felt as they display their simple yet match winning performance.

For Hohola the onus will be on Wagubi Pilisato to release the ball to his flankers as quickly as he receives it, particularly to try hungry Gesobana Inaea who is yet to be matched in

National Capital League preview

his pace. Waego Ke-wasa should have his usual boots on to put any two pointer Waigani might give away. Waigani's strong finishing should earn them this game according to coach Wesley Muriso.

Lastly Bomana looks all set to clobber Boroko and it will be a matter of waiting to see how much Bomana would win by. The inclusion of Kuri Kangal and Mition truly inspired Bomana to a win last weekend and their presence will be again telling in this encounter.

For Boroko Tony Kuni, Rickson Hegive and Peter Daka are expected to put in their "bit".

DANGEROUS PLAY

THE topic of discussion for today's column is "spear tackle".

Although this has been talked, discussed and written about so many times, I am going ahead to discuss this matter nevertheless, because this is one area where the development of the code is being hindered.

Of course, there are also other factors that contribute to the hindrance of the development but I feel that the utmost attention should be given to this one, as it has gone out of hand.

How many times have you witnessed cheers by the supporters of a club, whose player is executing or has executed a spear tackle? And how many times have you witnessed a referee sending the player concerned off or to a sin bin to cool off? Everyone accepts the spear tackle as being part of the game — that is not so.

So bloody what if it is the first offence committed by the player concerned. He should get his marching orders temporarily or permanently pending on the seriousness of the tackle, as players are advised by the match referee before taking the field of play about the consequent of committing such an offence. There should be no ifs and buts.

If the referees can clean up the game in this regard, I can foresee a drastic change, in so far as the defensive side of the game is concerned.

It will bring about the following:

(I) The proper or correct way to execute a good and solid tackle using shoulders rather than arms, which is the case in making a spear tackle. Also prevention of a broken arm and dislocated shoulders.

(II) Encourage parents to let their children play the code, knowing that the bad elements about the game have been eradicated and if children play to the basics, taught in defence and offence they will have no fear about getting hurt.

(III) Prevent riotous scene come finals, as the supporters were not taught at the very beginning that a spear tackle is an offence which earns a player a stint in the sin bin or back in the dressing room.

I beg our law enforcing appointees for this weekend fixtures to spell out this message loud and clear — we must start somewhere.

Now to a lesser extent, but equally serious as the previous issue, I would like to discuss about foul plays that happen behind the back of the referee, but the linesman is capable of locating. The very good example was a game between Kone Tigers and Air Niugini. It happened right in front of the grandstand so I presume a lot of supporters can recall the scene.

Alf Davies, after being named Player of the Match in two successive games, prior to the game against Air Niugini may have been singled out by Air Niugini players for special treatment. What special treatment he received when, after getting the ball away to a support and three seconds later found himself lifted off the ground from behind and slammed to the turf on his back. The ball thrown originally by Alfie had gone infield and that was where the game was concentrated and of course that was where the referee's attention was but the linesman witnessed what had happened, yet did not bother doing anything about it.

Now, that's just one example of a foul play behind the referee's back but a lot is happening practically in every game, yet linesmen do not report the matter.

Maybe when someone is disabled then and only we will do something — come on fellas, wake up!

Lae Panthers clobber Brothers

by MAKALENG in Lae

A MUCH sleeker and fitter MPS Panthers side ran rings around Consort Brothers to clobber them 44-18 in a lacklustre one-sided affair in Lae League on Saturday.

The yesteryear giants and one-time national club champions were made to look like beginners and it was quite obvious they lacked match fitness which created a bonus for Panthers.

The game set off at a fast pace with Brothers first to score through Panasonic rep Joe Katsir which skipper John Kapo easily converted for an early lead 6-nil.

However, this was their only score in the next 30 minutes when Panthers utilised their pacey backline led by Andrew Limi to run in five consecutive tries through fullback Mark Sahin who scored twice, John Habora, Paul Goi and Willie Chan.

Panther swinger Ronald Watmale had a bad day with his boots and managed to convert only one try in five attempts to establish a handy 26-6 before Brothers' Kapo broke the drought with a penalty conversion to trail Panthers at the break.

Panthers pin pointing Brothers weakness went in again strongly with young halfback Sulum Andrew Pako co-ordinating play well by constantly feeding backline general Andrew Limi who set up forwards Thomas Rumba, Paul Goi and Godfrey Osema for ground gaining runs.

Lock Wesley Tongaran, playing a brilliant blinder, opened the floodgates for Panthers again at the resume which Ronald Watmale converted to extend the lead.

Replacement centre Clarence Kekerem followed minutes later

their last try through replacement forward Timan Towaira with Watmale adding the extras and Brothers had the last say through a try from lock Goro Arigai to end the game.

Brothers centre Arthur Sohe, who tried hard all day, was rewarded with a beautiful try which replacement halfback Tom Lauru converted to make the scores look respectable.

Panthers scored

Augwi, lock Goro Angai, centre Arthur Sohe, skipper John Kapo, second rower Kay Piamshone out for Brothers.

In the early match Pagua Taxis East Spiders registered their first two points for the season with a narrow 34-32 win over Ela Magani.

On Sunday, Wopa Morobe Tigers stormed home with a win, again defeating nearest rivals Cartrans Tarangau 26-19 in a thrilling encounter. In

the early game Lae Bisket Royalshumbled Sullivans Defence 32-22.

The points ladder are as follows: Wopa Morobe Tigers 14, Lae Bisket Royals 10, Cartran Tarangau, Sullivans Defence, Consort Brothers, MPS Panthers on 8 points, Ela Magani 6 and Pagua Taxis East Spiders on 2 points.

This weekend there will be no games in Lae.

• Pep talk by team coach did little or nothing to ease the feeling of losing the brethren's nurse.

Referee ignites field invasion

by FELIX RAMRAM

ON both consecutive Sundays Vanimo Rugby League fans and spectators witnessed the invasion of Peter Cole oval.

This time supporters of Hawks Club were demonstrating against a decision made by the game referee Alfi to call off the game before the fulltime.

The Vanimo Rugby League and the referee believed that Hawks player five eighth J Kairu had meant to crash into the referee after running on to the field after being sent to the sinbin.

The executive also stood by the decision because the player ran into the field without the timekeeper's concern.

The referee stood by his decision and called off the game 12 minutes before fulltime.

Hawks' argument is that the referee should have kept the game going after sending the player off the field for the second halftime.

They also blamed the referee's executives for repeating last year's mistake.

The halftime score was Hawks 10 and Brothers 6. And when referee called off the game the score was Hawks 16 — Brothers 6.

The second game was between Sea Eagles and Defence. Sea Eagles put on its toughest game in order to match or be better than Defence team as far as fitness was concerned.

In the first half Defence team kept breaking through their opponents' defence line which saw the first half of the game dominated by Defence scoring tries.

Sea Eagles scored only one try. This try came from W Wamut which was successfully converted. The halftime score was 22-6 in favour of Defence.

In the last half Defence scored only one try by Steven Kele to bring Defence to 26 until the end of the game.

Sea Eagles' scorers by halftime were Chris Robin, Linus Kinibeli, Walau Tobuti, and Eliuda Wartum.

The fulltime score was Sea Eagles 32 to Defence's 26.

Agiru, eyes set on black, gold and red

"His dream may not be too far in materialising...he represents UPNG and shall be playing in the Universide in New Zealand..."

A N D E R S O N
Agiru, private secretary to the national Education Minister and a part time Public Admin student at UPNG is a Korobosea man all the way. The burly Southern Highlander started his playing career as a junior with the Hagen Brothers U/21 side in 1981 and many of his teammates have made it to the national side, namely, Pora Wek, Robert Kubak and Joe Tep.

Representing Hagen juniors in the Highlands Zone trials in 1982 landed him a Highlands Zone junior jumper and played his first international in the

same year as a lock forward against the British Colts.

Agiru did not play in the 1983 and 1984 seasons due to heavy study commitments but in 1985 Agiru won a Southern Zone jumper after representing the National Capital League in Southern Zone selection trials at Popondetta.

Although not selected as a Kumul he was not disappointed and, as is the ambition of all other rugby league players, he has eyes set on the black, gold and red jumper.

His dream may not be too far in materialising and as a stepping stone he has been selected in

the combined PNG universities side to play in the Universide in New Zealand and has added the National Capital League Player of the Year award to his belt.

In the local scene Bomana and Saraga have been Korobosea's toughest opponents to date but "we have defeated both these teams and we see no real threat as yet in our bid to win the premiership this year" he confides. Of the players Korak Karaki, Joseph Wate and Kuri Kangal are the three players Agiru respects, especially Kangal with his strong up the middle runs, drawing the man and offloading to a support before

going down.

His spare time activities includes watching judo, karate and challenging Johnson Tia to a game of table tennis.

About settling down he said, "I am still looking for someone suitable and maybe after a couple of years that should be settled too."

Agiru pays tribute to his coach with Hagen Brothers George Korowa who weaned him in his early days of football, Tau Peruka and Sam Bonner of National Capital League and particularly Badi Dou who coaches Korobosea, is an inspiration to all Korobosea players especially the way he has moulded

Korobosea to its present form.

"National Capital League has the ability to play big time,

as it displayed in the Popondetta trials and it will not be too

long before Moresby's dominance will be challenged," he concludes.

Retreat of the Cats under blue blood rule

by HENRY MORABANG

ROYALS proved that their crown was much stronger when they defeated Panthers 20-16 in Wau-Bulolo League action last Sunday.

Panthers have more advantages with its backline with heavy Osea Palom and Titus Peter, who tirelessly bombarded in their opponents' defences repeatedly.

Royals were first to open their account when Simanus touched down for an unconverted try. Simanus's try lead Royals 6-0.

Both teams played a real tough defensive game. But Panthers with its heavy backlines fought their way through Royals' territory.

Royals, with Tony

Garap, Simon Kapi, and former Moresby Brothers' Gima Ai lead the boys to cause Panthers to retreat to their own territory.

Royals' second try came from Mosuam Mai.

In the second half, the game became much hotter and fists started flying high.

Panthers were first to receive a penalty after a Royals' player landed his hand on his opponent's neck.

Panthers put more pressure which still resulted in another high tackle and gave Tony Garap a double penalty goal kick.

Royals' last try came when Gimaset a nice pass to Tony Garap who landed for a try.

This try and penalty goals raised the score to 20-16.

In the first A grade match NGG Tigers ran over Appcats and drowned them 22-14.

Appcats touched down for their first try near the uprights by Apo Kaso.

His try was converted by Peter Bebi.

Both teams played hard. But Appcats' downfall was due to lack of registration of regular players.

Many of the regular players did not play because of non-payment of their registration fee.

Best for Appcats were Peter Bebi, Kaso brothers Peter and Apo and for NGG Tigers, Kasia Okiro and Kimo Aikive.

Fight; its mad Madang

by MICHAEL KANAKO

THE main fixture played on Saturday between Air Niugini and Tigers ended in a fight just twenty minutes into the second half.

Although Tigers led to 8-6 the referee announced Air Niugini the winner.

In the first half both sides proved tough and there was some good ball work from both sides.

KIUNGA: Fitness is the Answer

by IAN KAKARERE

MAGANI have climbed on to a greater lead on the points ladder after narrowly defeating their nearest rival Royal, 26-22 in last Saturday's Klunga Rugby league actions.

In the first half the big Royals forward gave their team plenty of balls by dominating the scrum.

Not only Royals hooker Leana Moere was winning the ball in the scrum with his non stop open play rewarded him with the first try of the a match after he slipped through a gap to score.

Magani open of their account of a few moments later with five eighth Willy Zagara booting a penalty goal to have Magani thrilling Royals at 2-4.

Mangani kept the pressure on when outsider centre Buge laba set up right-wing Bamoro Olawale who out sprinted Royals heavy defence to touch down under the post for a try.

Hooker Gawi Irie put Mangani in 8-4 lead by kicking the conversation.

But Royals were not down when a few minutes before the half time Royals hard running second rower Lanus Yambun broke some fragile Magani defence to score the equaliser the post. Royals sharp shooting halfback Willy Vele the conversion to have Royals leading 10-8 at half time.

From the kick off Royals Continued the pressure with Royals fullback and skippers Micheal Pangru putting up bomb which was grounded by inside centre Steven Haise for a under the post.

The magic boots of Vele put Royals on a commanding 16-8 lead.

Although Magani forwards were being hammered in the scrum, their mobility in open play started taking effect with Magani bulking prop Ben Umbo and second rower Eugene Eugenius using their strength and speed to shattered the Royals defence to score 2 unconverted tries and equalised the score at 16-16 all.

But Magani's errors put Royals back in the lead when halfback Vele booted a penalty and hard working hooker Moere intercepting a Magai pass to score a try to have Royals 22-16.

Magani's advantages and physical fitness started to tell in the last twenty minutes when second rower Eugene draw Royals defence to set up right wing Olewale for his second try.

Hooker Irie equalised the score at 22 all with a conversion.

Magani fitter forward started to control the scrum with Irie winning an important ball which allowed half back Billy Eova to sneak through Royals defence to shield the game 26-22 try.

Royals had better success in the reserve grade when they over-ran disorganised Mangani 18-10.

In the Colt Division both Mangani 1 and Mangani 2 won on forfeit.

On Sunday K&T Country over took United in the "A grade fixture to win 26-18.

United played impressive football in the first half but could not contain K&T in the second half. K&T played contact football to keep the ball alive and to determine play.

In the reserve grade K&T Country defeated United 6-4. Runginae Raiders had their first win in the Sunday's Colt Division by defeating United 10-0.

Runginae boys are making vast improvement and are going to be a real threat in the competition.

scored the second try.

Air Niugini right winger Ken Lange broke the stalemate to score the first try for the jets 15 minutes into the second half.

The jet's skipper and half back Dick Moida and Tiger's prop Yasmai Gogo made some good runs. Tigers prop Yasmai Gogo sidestepped and penetrated through Air Niugini's defensive wall to set the first try. Also Tiger centre Clements Nakia in a similar follow up

The referee awarded a penalty to Tigers following a dangerous kick from jets' five-

eighth Alois Bola.

The game slipped away from the referee's control in the second half which resulted in Air Niugini winning the game.

The referee dismissed the game and proclaimed the national flag the winner.

On Sunday Brothers humiliated Souths 42-28. No games were played this week because the Madang

Rugby Referee Association boycotted saying that "they were not paid for the job, during the Northern Zone Junior Trials."

Mr Peter Yama President of Madang Rugby League Association said that the registration for all players is due on Friday May 9. Any submission after that will be rejected and the players restricted from playing.

However, five selected players may lose their places if Unitech and Goroka Teachers' College send their five players to participate.

Royals call the shots

by DANNY TAKA

IN THE main game of North Solomons Rugby League played over the weekend between Royals and West.

Royals showed their class in all departments and provided their fitness by coming back strongly in the last dying stages to cap of the game with 18-12. Skipper Newton Kauwa was missed by the new skipper George Teine led the team handsomely until cried off the field in the first half with a loose shoulder. Vice-captain John Tangila did the right thing all the way through with long passes out the

backline having West to chase the ball through out the game.

Best for Royals were: G. Teine until replaced, Kay Loubuna, J. Nakatu and for West Kelly Embo tried hard.

In the early game between East and Air Niugini, the game was a hard fought one, but Air Niugini luckily scored a try and a successful conversion to run away with the game. East look better in all departments but lack them co-ordination.

Best for Air Niugini were: Paul, Michael and John and D. Pasura, J. Kosam, D. Gudiri and M. Ato tried hard for East.

LEAGUE METTAS

WEST TOP, NO FLUKE

AFTER weeks of run-of-the-mill games, Wests star winger, Don Tore, broke into the ranks of first class Rugby League with a superb performance on Sunday against Brothers.

A try he scored was a classical winger's try — a blur down the sideline and touching down at the corner. In the past few weeks Tore obviously lacked confidence and on occasions when he did see the ball he did not lay on the pace which he is noted for.

On Sunday, he did everything right and certainly earned the Boroko Man of the Match award.

And it was worth every cent to see a superb defensive game. If the standard is maintained, there's the likelihood that Rugby League has indeed come of age in this country. Congratulations to both teams for their excellent showmanship of Rugby League, especially to Wests who have shown that their being on the top of the competition is no fluke. After all, reigning premiers have to prove a point, don't they.

ONE of the most colourful members of the grandstands, David Haro was at his 'best' on Sunday. His remarks about a certain referee's performance on the day. "Theoretically his performance was pathetic, beyond my calculation! Psychologically, he is mentally ill." I thought it was a gem don't you? What about the K Ave on the other side of the grandstands who tried to impress his contemporaries with fancy English...like the type that the black Americans speak...this comment from a concerned observer:

"These K-Ave niggers are trying to act like the black Americans" or about the Ave who wanted to impress the girls with his fancy pure Motu. The same could be said: "Black Keremans trying to speak like white Motuans." As Mirisa Haro would say "These K Aves are too much clever."

HORROR story from down under. A spectator recently had a heck of a day. He fell off the bed on the early hours of the morning and broke a finger. Down for breakfast, the toast got overdone and the cat went off with his breakfast of bacon and eggs. Took off to watch the game at SCG later in the day and found out that his wallet was gone.

On the way to SCG, a dog bit him, a dove emptied its bowel on his bald head, a bokie bumped into him and a little boy spat at him. To top it off, his team lost. Not to mention his finger getting stuck in his nostril when he was nervously picking it during the time his team fumbled the winning try. Obviously one of those days!

QUEENSLAND Country comes to PNG this month to play in two separate centres of the country, if you haven't already known. The Country side's tentative date of arrival is about May 23. They play a President's XIII in Goroka on May 24 and later clash with a Port Moresby select side in Port Moresby on May 27. Yours truly has been trying to get confirmation for the dates from the PNGRFL office, but there has been no response. Seems the place is clamping down on matters which you, as a Rugby League fan should be well informed about. The clashes should give out potential Kumuls and zone representatives ammunition needed to counter the Kiwis convergence on PNG in July-August.

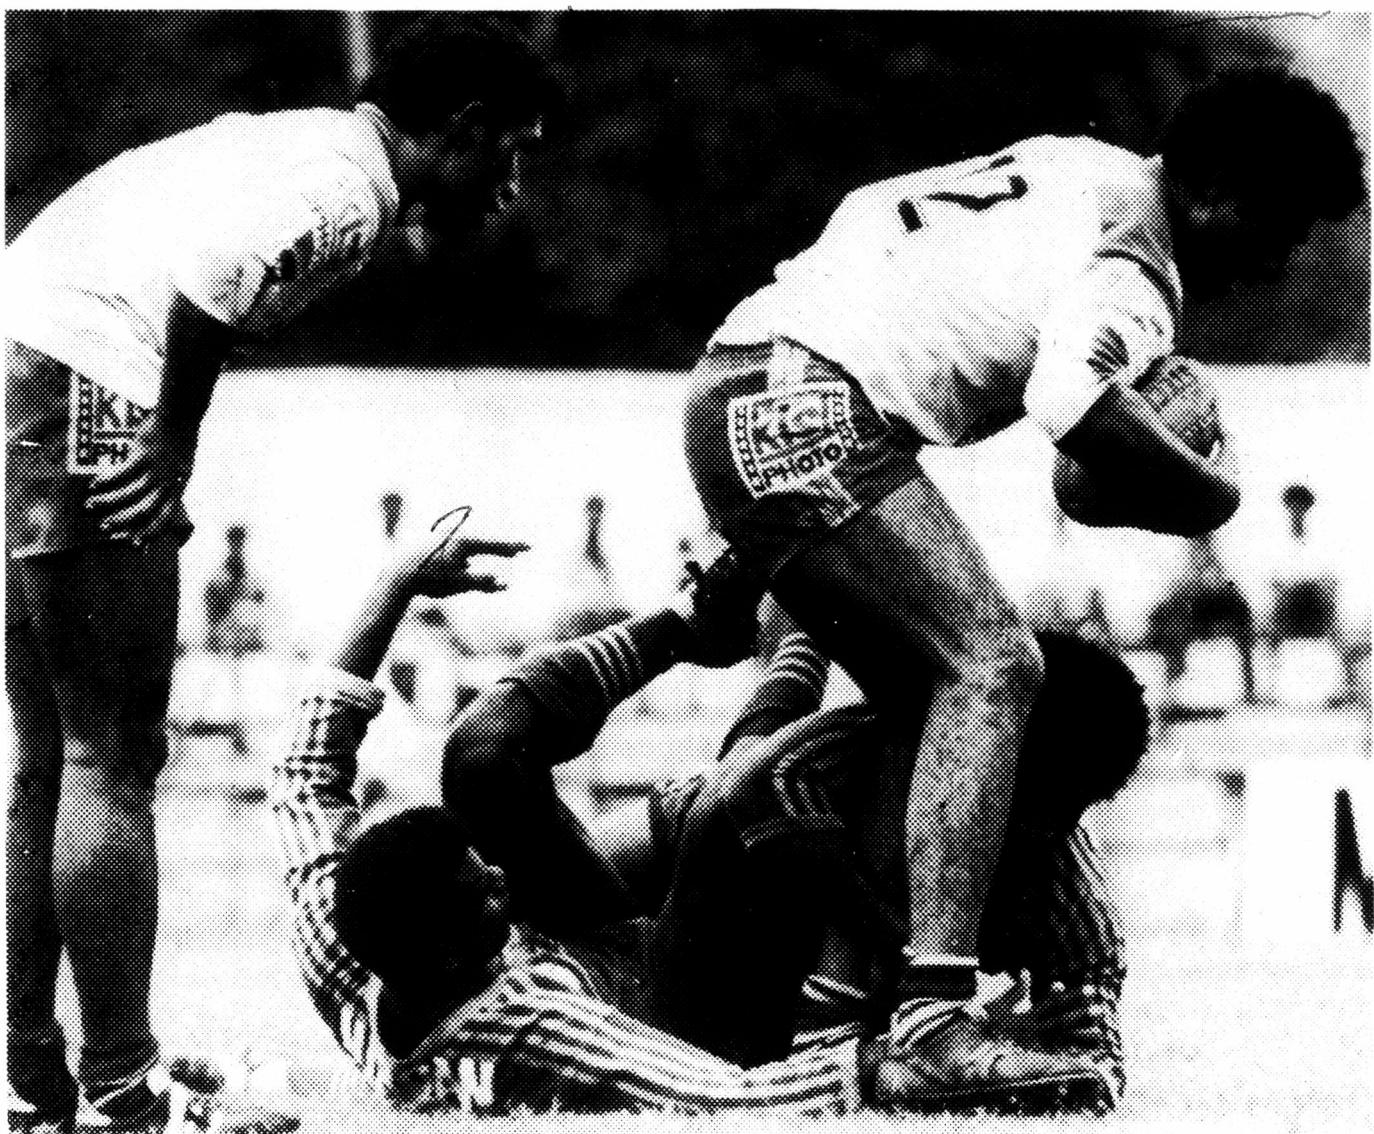

SIGN seen in front of the latest big diner at Four Mile: "Big Rooster parking". A colleague remarked that it would have been more appropriate like this: "Big Rooster plucking".

OUTSPOKEN PRL member, Ian Glanville's article recently attacking the administration was pinned up on the notice board in the clubhouse at the weekend. Where it said something about alleged members making the club look like a grassroots pub, one smart Alec wrote: fits your description??

Obviously the person himself knew the answer himself, don't you think?

Anyway, happy sporting.

• Port Moresby's glamour team, Kis DCA on the attack last weekend. DCA defeated one time premiers Tarangau 26–6 and are cruising for the top spot.

• Another tiger, this time a mean looking blood hungry one — but he too was put down by a more equal Air Nuigini defender. However, Air Nuigini won 22–16.

• Here...here Brother, get him down! But Tati Evara proved a head above his opponents in last Sunday's match at the Lloyd Robson oval. Wests defeated Brothers 10–4.

• A lean tiger attempts a get-away run. He was brought to the ground soon after this.

B'VILLE'S CLASS IS REVIVED

by ALPHONSE TANNE

DOLPHINS are keen and prepared to defend their title in the Bougainville Rugby League (BRL) and any team who messes with them is in for a headache. That was the message that came out loud and clear at Arawa RL Oval after the Premiers outclassed Snafu 42 points to 18.

Snafu hit the lead early in the match through Stanley Kalamendi and July Tulu's tries for a 12 points lead to Dolphins nil, after successful conversions however found the going tougher as the match processed.

Big Robin Tiotam was proving more than a handful for Dolphins' defenders with his big barging runs into their territory. One such big run was the turning point of the match, when he threw a desperate pass after a 2 metres break that landed in the hands of Oscar Dau for Dolphins' who was claimed by Snafu's Joe Maset.

However from the play the ball, Lauta Atoi from dummy-half stepped off his left foot, fooled a hurdle of Snafu's would be tacklers and sprinted 75 metres before off-loading to Apia Anana for a centre converted try to trial Snafu 12–6.

Dolphins soon replied to level the scores 12 all when Joshua Bakiri barged his way over with Stanley Peni kicking the easy conversion before the break.

In the second half, it was all Dolphins as they piled on a mammoth 30 points of Snafu's lone reply by Penias Wasiton. The match revealed that Snafu's Joe Baki is the fittest man playing rugby here on Bougainville and Bougainville may have unearthed yet another Kumul player in Dolphins' Blaise Golu.

On three occasions Blaise showed a clear pair of heels to leave Snafu's defenders grasping for the thin air as he posted three tries and is proving to be one of the classiest centres here in Bougainville. He averages 12 points a game for Dolphins and his combination with Lauta Atoi is proving a real headache for opposing centres. As for Lauta Atoi, nothing more can be written about him... he simply is a class of his own however Blaise Golu has that class written all over him and whether he fulfills that potential has yet to be realised.

Young Sydney import Kevin Ananah claimed another three tries, one from Oscar Dau Bust and another from young Nissan islander Vincent Kapsen set up who stand in coach Holi Baleri will have to slot him in somewhere in the Dolphins backline. Beaming stand in coach Holi Baleri for Dolphins commented "very good... a little of individual errors but there is no team work problem."

Both sides played openly and fairly but with plenty of "killer," he said. Every player contributed well towards Dolphins win however Oscar Dau probably played his best game and never shied his defensive duties while Darius Salie and Blaise Golu performed superbly. For the losers Stanley Kalamendi, Penias Wasiton and July Tulu, gave their best in the backs while Joe Baki and Joe Maset lasted the full eighty minutes and Robin Tiotam had his moments.

On Friday night at Loloho the revived Diggers accounted for highly fancied Muruks defeating them 26 points to 18. Both sides took turns at scoring, with the first half all Muruks and second half all Diggers. Big Kevin Dinglik, Fabian Rombo and Komit Kunai rescued Diggers in the second half with their defensive efforts to secure the upset while Mark Niniku and John Takaku shone in the backs. Jack Sapat gave all for the losers with William Luita in support.

On Saturday at Arawa, Seagulls held out Barbs for a 16–9 win after leading 10–8 before the break. Seagulls were well served by Anton Gabut and Gibson Lesiat who proved more than a capable replacements while Morris Raphael never gave up for the losers. Barbs could have caused the upset had they retained possession more often as on three occasions three tries were lost through lost possession over the tryline.

Ian Ivanga and Nelson Iune worked tirelessly in defence for Barbs while Ekon Togili and Gibson Lesiat held their own.

The competition ladder at the end of round one with a match on hand (to be replayed between Dolphins and Barbs, previously abandoned by referee (25-4-86) at Loloho.

Second round competition commences next weekend where Dolphins meet Seagulls on Friday night at Loloho, Diggers will play Snafu at Arawa on Saturday and Muruks will clash with Barbs also at Arawa on Sunday.

Dolphin's and Seagulls have always been interesting clashes as a lot of reputation will be at stake, and both clubs seem to have that extra effort reserved for these encounters.

Dolphins appeared to have the wood on Seagulls and Seagulls will be out to set the record straight. Both sides are evenly matched in the forwards however Dolphins backline which have been their main attacking weapon appeared more faster and mobile which may prove to be Seagulls downfall.

Anton Gabut and Ekon Togili will have their hands full containing Peter Kilory, Apia Anana, and Ambrose Tuhio in the forwards while Gibson Lesiat and Michael Luina if he plays will have to work double overtime in defence if Seagulls want to cause an upset. George Kusi and Moika Moirua have been demoted to reserve grade for disciplinary reasons but may be called upon at some stages of the match for Dolphins.

On Saturday at Arawa, Diggers after the moral boosting win over Muruks should stretch out Snafu. Kevin Dinglik is back for Diggers, who's absence has been sadly missed by Fabian Rombo and Komit Kunai. John Takaku's combination with Yapi Katu will be tested by the experienced duo of Weiking Tse and Penias Wasiton but if stood their grounds could prove the difference.

On Sunday Muruks will take revenge on Barbs for their loss to Diggers and according to coach David Tamtu, Barbs will be given no changes "as we don't intend losing again."

William Luita, and Clarence Stibilian will be up against Ian Ivanga and company and whoever sustains and 80 minute effort should collect the two competition points.
