COMMISSION**
Papua New Guinea

CHANGE IN METHOD OF VOTING UNDER THE LIMITED PREFERENTIAL VOTING (LPV) SYSTEM

The National Parliament in August 2006 passed legislative changes to the Organic Law on National and Local level Government Elections. Among the many changes, was the change in the manner of voting under the Limited Preferential Voting (LPV) system. The new legislative change will split the ballot paper into TWO separate documents. These two documents will be called a candidate poster and the actual ballot paper.

The slight change in the manner of voting under LPV is a provision in law that has come into force on the 21st of September 2006 and as such will be implemented in the coming 2007 general elections.

Sections 124 and 125 of the Organic Law as amended, require a candi-

date poster and a ballot paper to be used in the elections.

Copies of the candidate poster will be given FREE to all aspiring candidates for the 2007 general election weeks in advance prior to the actual polling time. They can use that as campaign material, courtesy of the Electoral Commission.

NATIONAL CAPITAL DISTRICT COMMISSION REGULATORY SERVICES DEPARTMENT

PUBLIC NOTICE

Establishment of New Educational Institutions

The Department of Regulatory Services of the National Capital District Commission (NCDC) wishes to advise all those who intend to establish new educational institutions to obtain necessary statutory approvals from the NCD Physical Planning Board and the Building Board under the Physical Planning Act and the Building Act (Chapter 301) respectively.

Listed below are the minimum site areas requirements laid down in the Physical Planning Regulation to ensure that the necessary facilities that area required of a school are accommodated within the school area.

a)	Primary School/Community School	2ha
b)	Day High School/Technical School	8ha
c)	Agricultural Vocational School	20ha

Additionally, the schools must conform to the intended use of the area as specified in the National Capital District Urban Development Plan and the NCDC Zoning Map. That is schools should be established in suitable locations to ensure the established rules, regulations, policies and plans are respected and complied with whilst providing an environment that is safe and conducive for schooling, making sure that the well being and the welfare of the students are safe guard.

On the whole, the Commission has a strong desire and a statutory responsibility to ensure that development in the city is undertaken in an orderly manner to achieve a Vibrant, Attractive, Sustainable and Livable City for all.

Smooth, Easy Controls

- Two hydraulic joystick controls require only minimum wrist/hand movement, greatly reducing operator fatigue.
- Auxiliary hydraulics are actuated by a thumb-operated rocker switch on the joystick.
- Hand-throttle allows you to run at a constant speed, or an accelerator pedal can be used during load and carry, excavating or backdragging.

Operator Comfort

- Optional suspension seat adds operator comfort.
- Clear view of the work tool reduces operator fatigue and increases productivity.

Power and Versatility

- The Cat 3034 Engine is proven and reliable.
- Powerful hydraulics deliver outstanding lift and breakout forces.
