Mr. F. Cowles,
Santee, Calif.

My dear Mr. Cowles:

Please let me know how you are getting along with that collection of funds for the highway work. The City of El Cajon is advertising for bids, at my request, but no contract will be let until the money is assured. I just received a subscription from the Standard Oil Company of \$250.00, which has been sent to Mr. Strobeck. The money should be paid in to the Cuyamaca State Bank for the account of Sherwood Wheaton.

Yours sincerely,

My dear Mr. Cowles:

How are you getting along with getting subscriptions for the paving in El Cajon? I would like to know how things are going, and hope you will give me a report.

Sincerely yours,

Mr. F. E. Cowles,
Santee, Calif.

My dear Mr. Cowles:

I had a conference with the city trustees of El Cajon last Wednesday night, and they have agreed at their next meeting in June to advertise for bids for the sale of bonds and also advertise for bids for the construction of the highway in the City of El Cajon, providing \$1500 is deposited in the Cuyamaca State Bank by the first of June as an evidence of good faith.

Will you please send a check to the Cuyamaca State Bank immediately for one half of your subscription on the understanding that the money will be refunded to you if the highway is not built. My understanding is that your subscription is \$200. Your check to the Cuyamaca State Bank at the present time should be \$100.

Kindly let me hear from you by return mail.

Yours very truly,

EF:AH
