 correct operation
 am seeing sincere apology
 my how avoid
 his Krishna love Harish
 (is a nice slope in introduction)
 heard that a time with no correct solution

re R. Seltman
orig 7

Heard we covered our intelligence
directly to one another of working help
signed Marx say hello friends
Krishna Hensch

~~re to B. W. Seltman~~ Seltman
letter to Non, April 15, 1990 [Complete] Edition
what Non Seltman thinks boy is this
shut it up herself big revolution spending
his brother [his evolution sees strict
intelligence] put it in his sail without
hating himself and Bruce other holding
together we comfort big Stalin we
brother rather no ideas by
brilliant scholar we research Bengali study
literature only by speaking do Hensch
he needs release power said brilliant (his
dare) put in explanation (with work) city
am seeing words like spent all gave
some spending his regular know colors
down directly (teacher said) try to you put
(success analogs enjoy with it) hard superior

~~312~~ 313

tell his boyfriend anything that excited him
 don't trade directly (several changes demanded as
 offer) like silence. Hansel is a scandal
 you are an important (forget teacher) hold
 yourself back. Russia. he's scared a little
 professor anything get off the page strikes
 (melanie has some control without it) Hansel he
 makes you imperceptibly so has innocent
 (at least makes) like scream confidence
 what better title before instructions (miss
 teacher conference) otherwise (hansel he teasing
 you a little) just screen tear it in your
 envelope he's scared with it a little put it
 on the shelf don't hid it (scared hiding) she
 screams intelligent (his little redskins & alone
 down) also crazy before also relax
 study home he obey constant (his tone)
 rebellion speak freely confers (demanded
 crying) sit silent obedience and letter
 ahead you center of attention big
 practical water print slowly always

correct strict diet you overweight he
 controls it special audience boy are
 you forgive shut herself up like
 trader lost war him so easily breakdown
 near water near city limits (copyed symposium)
 just sign yourself second choice Hansok
 sit still frequently your friendship (see
 Douglas) important so teacher be only
 silence (see roman publisher) must know
 he feels crazy with it in sitting (see Charles
 Delinais) girl up teaching simple (see
 contrasts) beware of the monster Capital
 as you know (read sensible) who sees it
 know directly (keep future of fundamental target)
 he observes constantly (connections intended)
 which teacher who gets it directly Teaching
 Indian read last manuscript twice
 read alone enjoy following (the art
 called paradox contradictions read with to wonder
 why I am afraid she asked) this is your book by
 friendship give him lot of love by

understanding (certain manuscript constant
rebellion constant spelling what heine) copy over

this letter which sign is another superior
last manuscript (copy) black angry

confidence what a trick spelling is
(see headache see happen please happen have
you see)

twice through part opposite
said enough (don't see how stupid there)

put it quickly down (read interruptions constantly
constituted an incident several jealousy) on the

page correct (see live rope) spell instantly

say ~~also~~ ^{here} enough time sign your

letter different for a little through

say is no word constantly (select professor)

(needed ahead) boy is the paragraph (print
over my stupid you do enough let out what
consider)

well you got your message silly

teachers were spelling wrong wires

open people slowly like did speak

catch their heads please get

see constant ^(sink) also stop drinking liquids

OK to attend?

call was written
was in combined
method first

completely for a while sitting
 embarrassment well you must
 exhibit the fact yourself problem
 boy are you though (fast problem thought
 rên soodich) had had excellent subject
 water as first letter backwards
 some pencil letter he teaches differently
 I suppose I go broke with it (calculation X)
 dumb person in the hills like
 Indians too (some illusions provide) hell
 stranger (not welcome had correct illusion)
 cast you a mail get stronger push
 me away stronger teach you are
 correct spell difference because like
 me teacher sometime (correct illusion) Hansok
 you object directly (has firm side margin
 die seven year) before speed (cost
 explain direct) boy are you wrong boy
 we had together (pencil letter case) feet in
 letter form but the direct in correct
 silence boy is he scared a little

hannah is a very difficult subject to
discuss in print see hannah
major granted life granted wife
twice love dangerously at son sellman
off the nose hysterical. also hannah gave
a hard water to handle twenty pages
per day seven included ok somewhat
embarrassed hannah major doesn't
call back mother forgets mother
forgets mother forgets he found
see someone else gets granted
twice per year get to know some
children oh you kid watty we never
wear as sleep keep skin black
sky porcupine sister old kindness
possible at schoolmaster laugh
see salomon quassenheim use see
porcupine schoolmaster hannah
be careful at ocean several million
per day one that how many
children suffer hungry of country

suddenly collapse frightened
 by it who charms soon
 about his son Silvanus
 Charles Bernstein boy had
 his square don't make
 people angry stupid anyone can
 sit here add melanite
 Nelson a special child said
 silver had open melanite
 some closet but tight so
 slipping oh hug me by god
 you see through floor panel
 you hurt sometimes melanite
 vision is etc ok to explore
 Central Education Society
 independent general office
 here by bed where the a be
 go suck your head his and
 every strong son silvanus
 God's guardian jackson party
 learn exercise cancel love
