April 18, 1979

EVENT: Private reception for the widow of Peter Yates, author, musicologist and critic.

TIME: 3-5 p.m. Friday, April 20

LOCATION: Mandeville Department of Special Collections, Central University Library, University of California, San Diego.

BACKGROUND: The Peter Yates Archive was donated last year to the UCSD Contemporary Music Archive. The collection includes letters, manuscripts and notes as well as tapes of the Concerts on the Roof founded by Yates. The tapes feature the works of leading contemporary composers, with some of the pieces performed by the composers themselves.
