

Honorary Alumni Scholarships awarded

September 11, 1967

Twenty-three students who will be entering freshmen this fall at the University of California, San Diego have been named to receive UCSD Honorary Alumni Scholarships. Sixteen of the students are from San Diego County.

Tom Ham, president of the Honorary Alumni, announced that a total of \$20,524 has been made available in financial aids to the students, who were chosen on the basis of educational promise and financial need.

The scholarship money includes donations by Honorary Alumni, matched by Regents' funds from the New Campus Program, and Educational Opportunity Grants, student loans and work-study grants, Ham said.

CSD Honorary Alumni consist of San Diegans dedicated to assisting the young campus, which does not yet have an alumni group of its own. For several years, the Honorary Alumni have provided financial assistance to entering freshmen showing high academic promise.
