01:58	Spencer Mussetter: [singing] It's hard. I'm lost in nowhere. Where it goes, alright, I know you don't care. It twirls around our heads It swirls our hair in dreads, but they are tangled.
02:27	[singing] And are we ever ready? the storm that blows our boat is never steady. And are we ever ready? the storm that blows our boat is never steady. The winds change, the winds change, the winds change But I know it wasn't my fault. The winds change, the winds change, the winds change But I know it wasn't my fault
03:11	[singing] The funny thing about plans, They never quite turn out how we expect them. So we're blown our path We try our luck and shift to new directions The winds change, the winds change, the winds change But I know it wasn't my fault The winds change, the winds change, the winds change But I know it wasn't my fault
