

Winners of 25th annual Honors High School Mathematics Contest held at UCSD

May 14, 1982

FOR RELEASE SUNDAY, MAY 16

Teams from La Jolla High School, Helix High School and Gompers Secondary School were named winners of the 25th annual Honors High School Mathematics Contest during a banquet held Saturday night (May 15) at the University of California, San Diego.

The contest, sponsored by the UCSD mathematics department, the Greater San Diego Mathematics Council, the California Mathematics Council and the Departments of Education of San Diego City and County, was held May 8 at UCSD.

The competition is designed for the top mathematics students in San Diego City and County. Students participate in the contest as members of teams. They take a three-hour long, two-part examination designed to check both their knowledge and reasoning ability.

The first place teams were La Jolla High, Helix High, and Gompers Secondary in the City, County and Small schools divisions respectively. These schools were followed by Mission Bay, San Dieguito, and Hoover as the second place winners and Patrick Henry, Monte Vista and Bishop's in third place.

The top 25 individuals were given special awards. These winners included Tony Lee of Crawford and Michael Lin of La Jolla (tie for first place), Tod Klinger of Mission Bay, Alan Hu of La Jolla, Allison Allgaier of Helix, and Andy Conner of Gompers.
