Dear Madam:

We beg to acknowledge receipt of your check for \$1.00 which we have applied on the month of April, 1915, and receipt for same is herewith enclosed.

Referring to your note that you had paid the April bill, will say that the last remittance we had from you was on April 10th, 1915, of \$1.00, which was for the past month of March, leaving the April bill unpaid. Our bills are rendered each month for the past month, as you will see, as it would be impossible to render a bill for water furnished thru a meter before the month was up.

We trust this explanation will be entirely satisfactory to you.

Yours very truly,
CUMAMACA WATER COMPANY.

Mrs. Eliza L. Whiteley,
Lemon Grove, Cal.

We enclose herewith a copy of our rates and rules, as modified to accord with orders of the Railroad Commission of the State of California.

We request you to read carefully these rates and rules, especially those portions regarding establishment of credit and collections of bills, so that you may thoroughly understand the methods to be used. These rules will be strictly enforced, as the Railroad Commission allows us to make no deviation therefrom.

In conformity with the orders of the Railroad Commission we find that you have been delinquent in the payment of your bills within the twelve months prior to December 1st, 1915, and we are compelled to demand from you a deposit of \$2.00 to guarantee the payment of future bills. This deposit must be made at our office before December ^{21st}~~15th~~, 1915. In case of failure to make such deposit before December ^{21st}~~15th~~, 1915, we shall be compelled to have your water cut off on that date.

These rules having been issued on order of the Railroad Commission, which has control of all public utilities within the State, we trust you will realize that this Company has no choice in the matter but must strictly enforce the rules regardless of any possible inconvenience to consumers.

Very truly yours,

F. M. Faude

Dear Madam:-

We have your letter of December 23rd regarding our request for deposit to secure payment of future water bills.

In view of the fact that there have been very few instances in which you have not paid your bills by the 10th of the month, we are willing in your case to waive the request for deposit and there will therefore be no necessity for your making one. We would request, however, that you keep the matter in mind and make payments hereafter on or before the 10th of the month. If this is not done, we have no recourse but to ask for deposit.

Yours very truly,

Assistant Manager
