Comet Hale-Bopp streaks over the Schultz' desert campfire last spring.

NEWCOMER'S DESERT TRIP SET FOR MARCH 14 & 15

Last year as Newcomers and longtime Oceanids sang songs around the campfire, the comet Hale-Bopp streaked across the nighttime sky. Although we aren't promised a comet for this year's trip to Anza-Borrego Desert, we will have a spectacular sky show. Nothing can beat the sparkling stars in a crystal clear sky far from the city lights.

Oceanid's resident geologist Carole Ziegler will lead our desert adventure. Carole is planning either a visit to the Paleontology lab at Anza-Borrego State Park or a fossil hunt. You can come for the day or join the more hardy souls who will be setting up camp for the night, and another evening of song and "shmores" around the campfire.

Of course, we will take some hikes in search of wildflowers in bloom. If the rains continue we should see quite a few.

So mark you calendars and plan to join Newcomers on this fun trip. Further details will be published in next month's newsletter. Contact Liz Wills at 454-6858, Georgina Sham at 459-1336, or Carole at 297-0798, for more information.

SOUNDING BOARD Thursday, February 5

Sounding Board will meet on Thursday, February 5, at noon at the Faculty Club. Our speaker is from the UCSD Speakers Bureau and the subject will be "Native Americans". We have had several speakers from the Speakers Bureau and they have been experts in their fields and people who like to speak to groups.

Everyone is welcome to come to Sounding Board. The cost is \$6.50 for members and \$7.50 for non-members. This includes lunch. People who are not Faculty Club members may get their lunches and then pay in the room.

Join us at our Board Meetings... the 1st Thursday of every month, 9:30 AM for getting acquainted, 10-11:30 business. Lunch with Sounding Board at the Faculty Club normally follows at noon. Newcomers as well as members are always welcome!

HERBERT STERN 1918-1998

Herbert Stern passed away on January 1, following a lingering illness. He leaves his wife Ruth who was a practicing pediatrician and is a member of Oceanids. Herb was born and raised in Montreal where he attended McGill University and earned his doctorate in plant genetics. His professional pursuits took him from Montreal to Berkeley, Johannesburg, the Rockefeller Institute in New York, the Department of Agriculture in Ottawa and the University of Illinois. He joined the Biology Department at UCSD in 1965 where he served as chairman from 1967 to 1975 and again from 1983 to 1986. He was widely respected by his faculty and by the University administration for his wise and able leadership.

During his research career at UCSD, Herb developed the lily anther as a system par excellence for the biochemical investigation of meiosis, the pair of cell divisions preparatory to pollen formation; his investigations led to many seminal discoveries of fundamental importance.

In addition to research, Herb's other passion was teaching. He was a conscientious teacher, and his door was always open to students. He was an unpretentious and straightforward person with a superb sense of humor. §

Garden Group February 19

We will be going to Anderson's Nursery on Thursday, February 19th. This date is correct! Anderson's Nursery, as many of you know, is one of the best nurseries in San Diego. Their employees are very knowledgeable and helpful. One of these people will show us around and educate us also. Lunch will be the second good part of the day.

We will meet at our old haunt, Mission Bay Visitor's Center, at 9:30. If you have questions please call Laura Norris at 272-3299 or Jean Lindsley at 453-4043.

HAPPENINGS

Cards and Calls ...

Our co-president Maxine Bloor underwent back surgery in December. Maxine has had considerable pain for quite some time, although it has never kept her from being an exceptionally active leader.

We are all overjoyed to know that Maxine is now free from pain and recovering very well. She has already gotten out a few times and is walking around on her own.

She would enjoy continuing to receive your calls and letters of encouragement during her recuperation, even though we're sure it won't be long before she is back on campus.

NOMINATING COMMITTEE STARTS WORK IN FEBRUARY

During February, the Nominating Committee will begin meeting to choose the slate of elected officers for the next year. Again, we would really appreciate your input. Just call anyone on the Nominating Committee—Louise Keeling, Jean Lindsley, Elizabeth Marti— and give them your suggestions. §

OCEANIDS COOK FOR "FRIDAY CAF'E"

It's time once again for Oceanids to don their chef's hats and fire up the stove. On March 13, a Friday of course, Oceanids will prepare, cook and serve a meal to about 200 hungry people for "Friday Café" at the International Center.

Volunteers are needed to prepare and serve, you get to socialize, too! Your reward is a great time! It is a lot of fun, so call 453-0779 and talk to Barbara Starkey. She'll fill you in on the details and sign you up!

OCEANID'S NEW GETTY MUSEUM TRIP FRIDAY, MAY 15

Oceanids is planning a trip to the exciting new Getty Museum on Friday, May 15. This is California's newest cultural attraction. Besides the wonderful collection of art, there are panoramic views of the city, mountains and sea, and tranquil gardens to stroll. When we arrive a tram will take us up to the top where the buildings designed by Richard Meir are located. The cost is \$20. We will leave at 8:30 a.m. The Sundance bus will be parked on Nobel Dr. between the Ralph's parking lot and the Whole Foods parking lot. Lunch will be no host at the museum where there is a restaurant, cafeteria and a cafe. There will be refreshments on the bus both going and coming home. We will return about 7:30. If people would like the bus to make a north county stop we can do that.

If you wish to make a reservation, please do so by May 1. There is a form in this *Bear Facts* for you to fill out and return. For questions please call Jean Lindsley, 453-4043.

INTERNATIONAL CENTER SEEKS NEW VOLUNTEERS FOR AMERICAN ENGLISH IN ACTION PROGRAM

The UCSD International Center's Tutor Program is seeking new tutors. A tutor training session will be held from 9:30 a.m. to 1:30 p.m. January 24th at the International Center.

Tutors with American English in Action (AEIA) volunteer tutor program offer assistance with English conversation and insights into the American culture to UCSD's international scholars, researchers, students and spouses. In addition to the initial training, the tutors have access to the materials and resources of the International Center.

For information, contact the tutor coordinator at 534-0603.

OCEANID SPRING LUNCHEON

We meet at the home of Teresa Lein, 8653 Dunaway Drive, La Jolla, or at the home of Lou Bowles, 13040 Caminito Mar Villa, Del Mar.

CINEMA SOIREE

Our movie group "Cinema Soiree" goes together (couples and/or singles) to the announced film, or when they can, and then we meet at a member's house for coffee and conversation.

Our Soiree meets on the third Saturday of each month. (We think it's a nice way for husbands to participate in an Oceanid's activity.) It's social fun and we can all add to our understanding of the films we see. Please call Zella Brown at 453-0340 or Laurette Verbinski at 453-4699 for film information and meeting location & time.

CRAFTING WITH FIMO

The versatility of Fimo clay is explored in the craft class taught by Mary Dashen. A variety of projects have been created including intricate jewelry and eggs that resemble those of the Ukraine. They are held every first and third Monday evening at 7:30 PM in the International Center Kitchen. Contact Mary for a supply list or more information at 456-7848.

DAY BRIDGE

We meet the first and third Tuesdays of the month at the various member's houses. Isabel Wheeler, co-chair, 459-7461. Being a congenial bunch, we get along well together. Our group plays a standard, unsophisticated game of bridge. This makes it easy for new members. We welcome your participation.

EVENING BRIDGE

We are a convivial group that meets to play party bridge on the fourth Friday of the month at 7:30 PM. At that time the hostess serves her favorite dessert.

We commence playing cards at 8:00

and continue until about 11:00, after three tables of bridge. Each couple contributes a dollar to the "kitty" that is split at the end of the evening. Play is limited to three tables, and we always welcome substitutes. For more information please call Barbara Bank at 484-4597, or e-mail barbara@sdna1.ucsd.com.

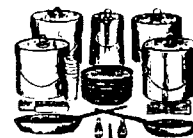

Garden Group

We will be going to Anderson's Nursery on Thursday, February 19th. This date is correct! Anderson's Nursery, as many of you know, is one of the best nurseries in San Diego. KITCHEN EXCHANGE

Our *Kitchen Exchange* is open every Wednesday from 10:00 AM to 12:00 noon at the International Center. We continue to serve many of the large number of short-term foreign visitors who come to UCSD by renting kitchen equipment and baby things.

We are always happy to accept donations. And, if you enjoy meeting and helping people, we can use your help—call MaryRuth Cox, 755-4007; Louise Keeling, 755-7121; Liz Fong Wills, 454-6858; or Tzu-mei Yip, 755-6387.

LA JOLLA RENAISSANCE SINGERS

INTEREST GROUP ACTIVITIES

LUNCH BUNCH

The lunch group checks out restaurants for the Moveable Feast. If you are interested in our next outing, call me at 454-6858 any evening for when and where. ~ Liz

MOVEABLE FEAST

We enjoy fine dinners at ethnic restaurants on a monthly basis.

If you are interested in joining our couples only informal group, you need to call me at 454-6858 for more information and reservatins.

The group has become so large that we communicate details about the next dinner by e-mail. We usually meet on the second Saturday of the month, about 6 times during the year. The schedule revolves around our travel plans since the dinners start with drinks at our house. (Our budget usually doesn't allow for alcohol at the restaurant.) Singles can be accommodated if I can find an appropriate dinner companion. We still find bargain dinners for \$15 per person, tax and tip included.

~ Liz Fong Wills

WEDNESDAY COFFEES

Wednesday Coffees at the International Center serve the spouses of our foreign scholars. Women with babies and toddlers are welcome and we provide materials and instructions for craft projects.

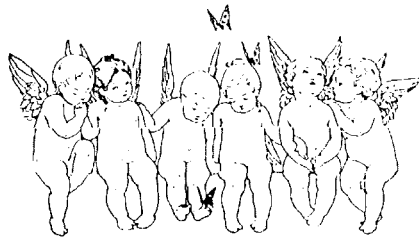

Our *International Kitchen* program features ethnic luncheons the **second Wednesday** of the month following the coffee hour. **Conversation Table** for women needing practice in English **9 AM to noon**. Those without little ones join conversation sessions **Wednesday afternoons, from 1:00 PM**. A companion program meets separately to enjoy outings without children.

MUSEUM GROUP

The Museum Group usually meets once a month on the second Wednesday at 1:00 PM.

Our February meeting on the 11th, will be at the Mingei Gallery where we will view the featured exhibit "Arts of the Amazon". Meet in the lobby at 1 PM.

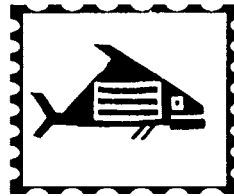

For information about carpooling call Odette at 453-0749 or Sally at 459-1322.

PEOPLE TO PEOPLE

We will not have a February meeting due to our active January schedule and the "President's" weekends.

~ Carole Ziegler, 297-0798.

STAMP GROUP

The members of the Oceanids Stamp Group collect stamps more for pleasure than profit. There are only a few of us, and we exchange (mostly used) stamps with each other. Anyone interested in stamps is welcome to call me. We do not hold regular meetings.

We very much appreciate the U.S. and foreign stamps that members of Oceanids give to us. We pay a nominal amount for those stamps of interest to ourselves, and the proceeds are returned to Oceanids. Duplicate stamps are given to nonprofit organizations that can put them to good use. One of those organizations is the Postal History Foundation in Tucson, Arizona, which uses stamps to reinforce regular classroom instruction in social studies, history, science, etc. It sells surplus stamps from all countries as part of its income.

Donations to it are tax-deductible.

If you have stamps to give us, you may leave them at the office of Friends of the International Center (I'm there once a week), or mail them to me. We usually do not collect stamps on envelopes, so you may cut or tear around the stamps, and we'll take care of soaking them off the paper. The only exceptions are first-day covers and very old letters (prior to 1900). If you have questions about collecting stamps, feel free to call me, Betty Shor 453-0334

WALKING & HIKING GROUP

Over hill and dale we hit the trails, from the mountains to the sea, over the desert, through the trees.

Everyone is welcome to join our group on the second Saturday of the month. All you need is water, lunch bags and sturdy shoes.

For more information call Anna Maria Buonassisi at 453-2296 or Roswitha Enright at 459-7375.

WINE TASTING

If you like to sample fine wines and learn more about them, call Betty Shor at 453-0334 to learn if the group has room for one more.

WITS & WITS II

Wits I & II are stock investment groups of 25 members each who meet to learn more about investments, finances, and the stock market. Both groups meet monthly. Call Pat Kampmann for more information at 454-1856.

NEW INTEREST GROUPS WELCOME

All it takes is five or more people to form a new interest group. So, if you want others to share in your pursuits, give them a call and get organized. Just give Barbara Starkey a call at 453-0779 and she'll get you started.
