The Alfaro Law Suit

dnq

Feb. 8th - Alfaro had asked the 5th Court to ask you some questions. To this I replied that you being absent, I was ready to answer, as I had full instructions and know everything in the case. The Judge decided that, as Alfaro wished you to personally answer his questions, I was not to be asked.

At the 3rd High Court, I had been summoned to answer some questions put by Alfaro. But Sr. Oregon advised me not to appear, and to wait for a new summons.

Feb. 9th - Alfaro has petitioned the 5th Civil Judge to revoke his order for publication of proofs, asked by me. He offers to file a new paper, giving his reasons. The Judge appoints the 16th of this month, at 11 A.M. for the publication asked.
