

## List of job opportunities to be listed on Cable TV each week

**January 10, 1985**

The University of California, San Diego is going on television to reach the community with current career job opportunities at the campus.

In cooperation with Cox Cable 33 and Southwestern Cable 15, UCSD will present a weekly community service program listing current career job openings at the main campus, the Scripps Institution of Oceanography and the UCSD Medical Center in Hillcrest. The program, produced by the UCSD Staff Personnel Office, will list all clerical, administrative, technical, medical, trade, service and sea-going job openings.

The first program will air Monday, January 14. Southwestern Cable will show the half-hour program at 6 p.m. and Cox Cable will show the program at 8:35 p.m. In addition to the listing of job opportunities, the show will feature a message from Chancellor Richard C. Atkinson and footage of the campus. Notices of special campus events of public interest will also be shown from time to time.

The list of job opportunities will be updated each week.
