- officer refused to give name
 - out in the field - 117-preway
 - date: Dec. 1984 - 11:00 A.M.

Wit. - Ray [REDACTED]

- details: I was picked up by B/P and taken to Gray Station. I was asked twice to co-operate with them by ~~asking~~ asking for an audience to op against the Cacho Farms.

I was told then since I would not cooperate I should sign the voluntary departure, and I was returned to Tijuana.
