SEVERAL OF
SAN DIEGO'S
PREMIER
EMERGING
TECHNOLOGY
COMPANIES
WILL PRESENT
AT THE
SPRINGBOARD
LUNCHEON

The sixth annual Springboard Luncheon (showcases San

Diego's premier emerging technology companies to private

investors and venture capitalists. It is the yearly capstone

event of CONNECT's Springboard program which assists

early stage companies in developing business strategies.

CONNECT launched the Springboard program in August

1993. The program has now helped over one hundred

entrepreneurs develop their businesses by assembling select

panels of CONNECT sponsors and members to provide

expert advice. Since their involvement, many of these

entrepreneurs have further defined their strategies and

many have successfully secured funding. On August 11, the

CEO's of several Springboard companies will present their

businesses and address their funding requirements.
