SEXUAL PREFERENCE

DIMENSIONS OF

PROPOSAL TO ESTABLISH AN LGBT CENTER AT UCSD - April 7, 1998

Why is there a need to establish an LGBT Resource Center at UCSD?

- The Lesbian, Gay, Bisexual, Transgender (LGBT) campus community has unique needs which includes support for students, staff and faculty who are "out" or who are "coming-out". This includes counseling, information, referrals, and safety.
- LGBT students in particular can feel isolated and need a place to meet others with similar concerns and experiences.
- Current facilities are inadequate to serve the needs of students, staff, and faculty in a comprehensive manner.

Further discussion of the need for an LGBT Resource Center is included in the 1995 and 1997 Climate Reports prepared by the Chancellor's Advisory Committee on Lesbian, Gay, Bisexual, and Transgender Issues (CACLGBTI). Please see:

<http://orpheus.ucsd.edu/caclgbi/report97.html>

What would an LGBT Center Provide?

1. **Safe space** is the most important function that an LGBT Resource Center can fulfill. The CACLGBTI has collected many personal accounts of people, especially students, feeling isolated due to the lack of a place to get information and support.
2. **Resources.** Currently there is no single location on campus where resources related to LGBT issues can be distributed. An LGBT Resource Center could house a dedicated library of educational materials for the campus community including books, magazines and videos.
3. **Visibility** is an important part of making the campus a safer and more supportive place for all LGBT people on campus.
4. **Student Support.** An LGBT Resource Center would bolster student LGBT organizations and help maintain their continuity. It would also provide services, information, and referrals to individual students.
5. **Outreach.** The presence of an LGBT Resource Center would foster outreach to existing campus organizations, the Cross Cultural Center and the Women's Center. An LGBT Resource Center would become a clearinghouse for important health and human service information to be shared with the rest of campus.
6. **Programming.** An LGBT Resource Center would organize educational and academic programming events regarding issues of sexual orientation, sexuality, and gender. An LGBT Center would promote joint programming and financial sponsorship of events.
7. **Mentors.** An LGBT Center is a place where students, staff, and faculty can work together to provide support and mentoring. Other University of California LGBT Resource Centers offer formal mentor programs, peer counseling, and speaker's bureaus.
8. **Scholarships.** An LGBT Center is a likely place to encourage community links and fundraising efforts to support student scholarships.

Do other UC's offer LGBT Resource Centers?

Yes. Staffed LGBT Resource Centers are established at UC Berkeley, UC Davis, UC Irvine, UC Los Angeles, UC Riverside, and UC Santa Cruz. UC San Francisco employs a LGBT staff person at its Women's Center. Only UC San Diego and UC Santa Barbara lack LGBT Centers.

UCSD LGBT CENTER PROPOSAL
April 7, 1998

What type of facility is most appropriate?

A facility similar to UCSD Women's Center or Cross Cultural Center with large meeting/conference, office, office support, open computer lab, library/commons, and reception/lobby area in the University Center Neighborhood is most appropriate. The space should not replace LGBTA (student organization) space.

What can I do, and whom should I contact if I support establishment of a LGBT Center at UCSD?

1. Write an individual letter of support, to whom it may concern, stating your personal reasons justifying the formation of a staffed LGBT Resource Center at UCSD. Send the letter to:

Jon Welch
University of California, San Diego
Office of Academic Affirmative Action, 0029
La Jolla, CA 92093-0029
E-mail: welchj@ucsd.edu

2. Contact affinity organizations and allies to inform them regarding the need.
3. Seek formal resolutions or letters from campus and community groups supporting the proposal.

For additional information please contact:

The Chancellor's Advisory Committee on LGBT Issues

or, Sarah Archibald, CACLGBTI

E-mail: sarchibald@ucsd.edu.

Time Frame

The Chancellor's Advisory Committee on Lesbian, Gay, Bisexual, and Transgender Issues; the UCSD LGBT (student) Association; and affinity groups would like to submit a formal proposal to the Office of the Chancellor no later than September 1998. Initial funding will be requested for July 1998, to be followed by recruitment for a Director and establishment of a facility in Fall 1999.

Spring Quarter Calendar of Events Here's a list of what's coming up next!

Meetings every Monday 7:00pm in the Graduate Student Association
Our general meetings are held every Monday during the academic quarter (except for Memorial Day). They offer a safe, relaxed and social environment where we inform you of upcoming events and discuss current issues affecting the LGBT community. Every week is something different, whether engaging in discussion, planning for our next event, watching a video or having a pizza party

Monday, May 11 through Saturday, May 17: Gay Awareness Week

A week designated for shedding light on LGBT issues to promote awareness, increase visibility and endeavor to create a more comfortable and safe atmosphere for persons of all sexual orientations. The event will open with a rally from 12pm-1pm at the Price Center Plaza on Monday, followed by a series of lectures and presentations on Tuesday, Wednesday and Thursday in the afternoons. This year, Gay Awareness Week will coincide with the Sun God Festival which will be on Friday, May 15. Be sure to check out our booth at the festival and wear jeans that day, because Friday, May 15 has been designated Gay Jeans Day (wear jeans if you're gay - a hilarious day of both visibility for LGBT and confusion for others who always wear jeans). Gay Awareness Week will culminate in our last dance of the year (see below). Speakers, topics and precise times to be announced soon, so call 534-GAYS for updates.

Saturday, May 16: "Jungle Cruise!" 9pm-1am at The Stage

Still recovering from Sun God? Well get yourself together and get back to campus! This is the last dance of the school year and has been planned to be *after* any second midterms you may have had. We are expecting a huge turnout so don't miss out! Bring an ID if you're over 21. Again, this dance is free, open to all ages, will feature DJ Spaz (the good-looking Latino guy), and is going to be a blast! Free refreshments will be served. All are welcome. See you there!

This calendar is by no means complete, and all events are subject to change without notice.
As events draw near, recorded updates are available by calling the office at 534-4297.

ALL PEOPLES CELEBRATION

THE CROSS-CULTURAL CENTER WILL HOST ITS ANNUAL *All People's Recognition Ceremony and Birthday Bash* on May 22, 1998. This celebration will mark the third full year of operation for the Center. The ceremony is an opportunity to celebrate the achievements and activism of the UCSD community. We will be honoring outstanding graduating, continuing and graduate students, as well as outstanding faculty and staff who have worked to increase diversity for all on the UCSD campus. It is important to recognize those who help to enrich the cultural atmosphere of the campus. These are the people who make a difference in people's lives. Last year, keynote speaker for the ceremony was David Gutierrez, who was instrumental in the acquisition of the Center. UCSD students performed poetry, prose and dance. This year the celebration will continue to focus on the efforts of faculty, staff, and students, that have helped to foster multicultural dialogue. Please fill out a nomination form for a colleague, friend, etc. who you feel should be recognized. All completed nominations are due on or before May 1, 1998 to the CCC. As well, feel free to email us nominations at cccenter@ucsd.edu.
