  - Physicians assumed HIV symptoms and therefore AIDS
  - 3 positive responses – feel they have received far better care related to being LGBT
7. **What recommendations would you make to improve health care for LGBT's?**  
24 Responses
  - Make a list of LGBT (-friendly) physicians available

  - Remove the sexual orientation question from the intake forms
  - Improve medical record privacy
  - Standardize medical record charting terminology and limit entries to only medically relevant descriptors
  - More LGBT curricula for medical students and nurses; should also be made part of clinical interviewing course
  - Make a list of LGBT (-friendly) physicians available

- Mandatory cultural sensitivity (including LGBT info) for all physicians, medical students, and nurses
- Physicians somehow advertise the fact they are LGBT (-friendly)
- Would be nice to know which physicians are LGBT (-friendly)
- Intake forms should be culturally sensitive- sexual orientation question should precede "are you married?"; "are you taking birth control?", etc.
- Physicians should not assume all patients are heterosexual
- Physicians should be better informed on Lesbian health care
- Physicians should be more sensitive about HIV issues and not assume all Gay men have AIDS
- Physicians should be concerned with patient's mental health not just physical health
- Come out to your PCP
- Come out to your PCP- if they have a problem then switch
- Medical record charting should have standardized terminology and only medically relevant information
- Physicians should receive sensitivity training on LGBT issues
- LGBT information being provided to medical students should be evaluated
- Come out to your PCP regardless of consequences- can always switch
- Understand your approach (as an LGBT person) is as important as the physician's
- Physicians should make patients feel comfortable with revealing their sexual orientation
- Be out to your PCP
- Physicians be better educated on LGBT issues

- LGBT physicians need to come out so more LGBT people will know they are available
- Would like to see an LGBT-specific medical affiliate group- hopefully in Hillcrest

**10. If "No" what is the main thing keeping you from being "out" at work?**

2 Responses

- First couple of weeks heard many homophobic jokes, felt uncomfortable and knew they wouldn't be able to come out; feels uncomfortable enough being a woman within the work unit let alone a Lesbian; afraid they wouldn't be accepted
- People in the office are cruel and mean, "would talk about me like a dog- I swear it!"

**\*\*\*San Diego Pride Parade Info. Come join Chancellor Dynes as he joins our contingent, the first time ever a UCSD Chancellor has marched with us.\*\*\***

**When:**

Saturday, July 25. The parade will start at 12 noon. Participants walking with the "UCSD Umbrella Group" (Continent #48) should be present no later than 11am.

**Where to Assemble**

The whole Parade staging area is on Normal Street in Hillcrest starting from The Lesbian and Gay Center (3916 Normal Street) and going up to the intersection of Normal Street and Polk. The assembly area for the UCSD Group is very near the intersection of Normal and Polk. Located on the street island in that area will be the "Contingent Check-In."

Education groups have been clustered together. Behind our group will be Gay, Lesbian, and Straight Education Network (GLSEN) and behind them will be the San Diego Unified School District (which is suppose to include a big yellow school bus).

**How do I get to Hillcrest?**

HWY 163 intersects the Hillcrest community. From HWY 163 take the University Avenue exit. Normal street is east of that exit. (HWY 163 intersects HWY 8 just north of Hillcrest.)

**Where do I park?**

Here are a couple of options:

1. Park in the Uptown shopping complex that includes the Safeway store with its underground parking located on University Avenue near HWY 163. (You will probably find everyone else there too.)
2. Park on any street and pay the meter...bring lots of quarters (not a recommended option).
3. Go to the Old Navy Hospital located on Park Blvd near President's Way; park in their lot and take the free shuttle to Normal Street (highly recommended). Shuttles will also be available to take you back from the Festival area after the Parade to the Navy Hospital parking lot with a stop at the Auto Museum in Balboa Park.

**What is the Parade Route?**

The Parade will start from The Center near the intersection of University Avenue and Normal Street and will head west on University. A Reviewing Stand will be located on University and Tenth Street. The Parade will turn left on 6th Avenue and head south to Balboa Park. The Parade will end at Ivy Street where participants will be guided into Balboa Park to disassemble and migrate on to the Festival area. Cars will be directed into the Park via Balboa Drive where they will park and be stripped of signs, decorations, etc. before exiting out onto 6th Avenue and Quince Street.

**Should I bring anything?**

Water will be provided by the UCSDMC Nutrition Dept.  
Sensible walking shoes.  
Sun protection (sunscreen, hats, \*\*rainbow umbrellas,\*\* etc.)  
Umbrella hats will be given to those wishing to wear them.

**Some rules of the Parade**

The Pride Parade is considered one of SD's best parades because it is conducted in a very safe and sane but fun manner. Safe and Sane Practices:  
\*\*Scantly clad attire is OK but nudity and simulated sex acts are illegal and will get you a night in jail.  
\*\*No projectile objects may be thrown from a Contingent (beads, frisbees, candy, spurts of water or other fluids, pins, cards, etc.) Members of a Contingent may hand distribute toys, information, goodies, etc.  
\*\*Do not engage with any protestors.  
\*\*Be aware of Parade Safety Monitors who will be walking with Parade groups and attempting to keep everyone moving in a safe and timely manner.  
\*\*Stay together and avoid gaps between groups. The Parade looks great when there are NO GAPS.

Rich Belmontez and Moi are the two contacts for the UCSD Contingent. If you have any questions, please contact us.

It should be a great parade!!

**CHANCELLOR DYNES TO LEAD UCSD IN 1998 PRIDE PARADE**

Saturday, July 25, 12 noon - 3 p.m.  
University Avenue, Hillcrest

The 24th annual Pride Parade will be held Saturday, July 25, 1998, starting at 12 noon on University Avenue in the Hillcrest community. The theme of this year's parade is "Unity Through Diversity: It Begins With Us!" Leading the UCSD contingent under the "UCSD Umbrella Group" banner will be Chancellor Robert Dynes who will be joined by faculty, staff, students, friends, families. The UCSD contingent will include a Shaefer Ambulance and will be joined by UCSD Medical Center's Owen Clinic.

The parade staging area will occur on Normal Street between University Avenue and Polk Street. The parade will begin at the Lesbian and Gay Men's Community Center (3916 Normal Street - near the DMV) and proceed west on University Avenue, then turn south on 6th Avenue (near HWY 163) and terminate at the entrance to Balboa Park where a festival will occur.

A distinguished panel of pride sponsors and local dignitaries will join the emcees in selecting honorees in several categories. UCSD will be eligible for the following awards:

- Best Use of 1998 Theme "Unity Through Diversity: It Begins With Us!"
- Best Community Organization Unit
- P-FLAG Award (Selected by P-Flag)

Those wishing to attend the parade either as participants or observers are encouraged to park in the Old Navy Hospital parking lot on Park Blvd. A free shuttle will be available to transport people to University Avenue and Normal Street; and upon the completion of the parade, the shuttle will make runs from the festival back to the Navy Hospital parking lot with one stop at the Auto Museum in Balboa Park. It is advisable to bring water, to consider some form of sun protection (lotion, hats, etc.), and to wear good walking shoes.

This year will mark the fifth year the University has participated in this community event. The Campus/Medical Center Pride Parade Committee invites the campus community--the colleges, graduate schools, student organizations, faculty and staff--to participate with the UCSD contingent and/ or observe one of San Diego's largest and best parades. ## POSITIVE VISIBILITY

for the lesbian, gay, bisexual and transgender community is a vital aspect of the Community Challenge Ride. This is a unique event in that all people, men and women, of all ages, from all walks of life, can join together for the challenge.

**"I witnessed everyone coming together and achieving a common goal. We all stood together and made this whole event happen."  
— 1997 Crew Member**

**"I took the challenge to help raise money, improve my health, meet new friends and be part of a team."  
— 1997 Rider**

## VOLUNTEERS!

Without volunteers The San Diego County Center could not provide the services or maintain the sense of community that is at the heart of our Center. Volunteers are also a very important part of the Community Challenge Ride. If you are unable to go on the road with the Ride then there are many volunteer opportunities that you can help with during the many months prior to and after the Ride. Volunteers work with the riders, crew and staff as we promote, plan and prepare for the actual event.

## ANYONE CAN PARTICIPATE!

For anyone who does not feel that riding a bicycle is for them — additional opportunities are available. In order for the riders to safely travel for 4 days and 300 miles there must be crew support provided. Take the Community Challenge and go on the road with the riders as crew members.

Crew take the challenge by providing:

- ▼ Course Safety
- ▼ Medical Support
- ▼ Camp Services
- ▼ Security
- ▼ Massage Services
- ▼ Food Services
- ▼ Administrative Team
- ▼ Entertainment
- ▼ Media/PR Team

**If you have an interest in a truly life-changing, unifying and inspirational experience, take the challenge as a Crew Member of the Community Challenge Ride.**

Your skills and energies are needed to help plan the logistics of the ride to work as a member of the Challenge Ride Crew Teams and to give of yourself to ensure that every participant is supported and cared for during this challenge.

## THE COMMUNITY CHALLENGE RIDE

The Community Challenge Ride is a bicycle ride that will take cyclists through the beautiful and scenic roads of Southern California.

Take to the road with hundreds of participants on a 4 day, 300 mile route that has been uniquely designed to enable all levels of participants to ride. During the Ride, experience new challenges, overcome these challenges, have fun and make some wonderful new friends in the process.

**"I participated because in addition to HIV/AIDS we were funding the other programs for the community."  
— 1997 Crew Member**

**"What I liked most was the feeling of community, the camaraderie and I never felt alone riding."  
— 1997 Rider**

## TOGETHER WE WILL RAISE FUNDS

to provide services to youth in crisis, women's health, breast cancer programs, victims of domestic violence, and provide additional support for programs that meet the needs of those living with HIV/AIDS. The Community Challenge Ride will raise funds for lesbian, gay, bisexual, transgender and HIV/AIDS programs of The San Diego Lesbian and Gay Men's Community Center and other participating communities and organizations.

## BRINGING TOGETHER COMMUNITIES

is one of the highlights of the Ride. You can be a part of the pride and fellowship that will take place as we bring together the lesbian, gay, bisexual and transgender communities as well as our supportive friends and families.

Our vision is to bring together cities and communities within our region, join with communities from around the country and perhaps one day, the world!

## REACHING OUT TO ALL COMMUNITIES

with the common goals of providing lesbian, gay, bisexual and transgender services is one of the unique visions of the Community Challenge Ride. We hope to unify our communities in a new way while promoting the importance of health and well being for us all.

Other communities or organizations that take on the riding and fundraising commitments of the Ride will be eligible to receive funds for their programs and services.

## BUILD A HEALTHY COMMUNITY

through your participation in the Community Challenge Ride. As a rider, you will be making a commitment to train in order to prepare for the 300 mile challenge. Like any commitment this will take planning and preparation. The Community Challenge Ride will provide all participants with the resources and guidelines to meet this commitment.

- Attend monthly training seminars.
- Join the daily and weekly training rides that will prepare you to ride these challenging miles.
- Meet with our support teams to learn how to physically, mentally and emotionally prepare for this life-changing event.

For everything you want to know about the Challenge Ride visit our website at:

- Register on-line. • Get the latest info from our on-line newsletter.

## A HEALTHY FOCUS

is shared by all when we join together to support this ride and its participants. Whether you ride it, crew it, volunteer for it or sponsor it, the message is about a community that cares, and a community that is focused on the health and well being of all members.

## FUNDRAISING

In addition to months of training, every rider makes a commitment to raise a minimum of \$1500. This is an incredible commitment and the Community Challenge Ride team will be there to assist every rider in his or her efforts to meet their minimum fundraising goals. Special teams and volunteers have been trained to assist riders with house parties and other fund-raising strategies. This commitment requires time, planning and preparation. Experience has demonstrated that novice riders and fundraisers can achieve not only their minimum commitment — but often exceed it!
