CAREER NETWORKING PROGRAM FOR UCSD ALUMS TO BE OFFERED JUNE 1 WITH PROGRAM AT IDEC

Another in a series of career networking programs for University of California, San Diego alumni will be held June 1 at a reception and discussion hosted by IDEC Pharmaceuticals Corp.

The programs are designed for alumni who are working or interested in high-tech and biotech industries, and who graduated after 1985. The UCSD Alumni Association and CONNECT, the UCSD program in technology and entrepreneurship, have teamed up as cosponsors of the series.

As host for the first biotech location, IDEC will be represented by William H. Rastetter, Ph.D., president and CEO. Also presenting talks about opportunities in the biotech field will be William Otterson, director of UCSD CONNECT, and Peter Preuss, 1967 UCSD graduate, Alumni Regent, and entrepreneur.

Alumni employees of IDEC, located at 11011 Torreyana Road, are invited as special guests.

The event begins at 6 p.m. Information and registration may be obtained from the UCSD Alumni Association, 534-3900.
