The San Ysidro Coalition for Better Education is today announcing that it has obtained more than enough signatures needed to petition the recall of three members of the San Ysidro School District's Board of Governors. The School Board members being recalled are Mr. Victor Beltran, Mr. Sonny Brown, and Mr. David Quainton. The Coalition petitions the recall on the following grounds:

1) Permit #  
2) Date

- 1.) Lack of concern of these Board members for the security and moral well-being of our children. *How do you prove it*
- 2.) Consistent low academic achievement of the students.
- 3.) Ineffective educational leadership, due to misplaced priorities. *what would you do*
- 4.) Insensitivity, arrogance and indifference of these board members towards the concerns of parents in the community.

The coalition believes that the aforementioned board members have allowed a conspiracy of take-over and control of our schools and our community by a handful of administrative carpet-baggers. Up to now this self-serving conspiracy has consistently blocked the efforts of parents and teachers who have attempted to improve the quality of education in San Ysidro.

The people of San Ysidro are no longer willing to stand by and watch their children suffer the crippling effects of this conspiracy.

In the course of this school year one board member was arrested for child abuse and one principal for child molesting. No parent will stand by in apathy and let his child be sexually molested. No parent can have confidence in a leader who is violent to his own children. In this district, when the security of our children was at stake, these school board members chose not to act in the
