Preuss School Intern

Lexus Robinson?

My name is Lexus Robinson, and I am a senior at The Preuss School UCSD. As a requirement for graduating at Preuss seniors have to perform an internship here at UCSD. I wanted to be an intern at UCSD's LGBT Resource center, because I have been here before for a high school conference called Q-POQ. I really enjoyed the Q-POQ high school conference, and all the staff was really nice. At the LGBT Resource Center my job is to greet people when they walk in, and ask them if they want a tour. I also get a chance to work the front desk and answer the phone. My favorite color is purple, and in interesting fact about me is my favorite animal s a giraffe, but since I can't own one my favorite domestic animal is a dog. I enjoy watching scary movies, trying new baking recipes, and playing basketball. I look forward to meeting more new people at the LGBT resource center, and strengthening my social skills by interacting with new people.

Sandy Machado

Preuss School Intern

My name is Sandy Machado and I am one of the Preuss School interns. I am currently a senior at the Preuss School and I love the LGBT community. My few hobbies are reading, drawing, and writing. I love learning new words to use in my vocabulary. I also like cats and reading poetry. I am interested in Social Work and Psychology. I also like Musical Theatre and Drama. I was a Drama student for two years and enjoyed it very much. I like backstage work, costume design, and set design work. I look forward to meeting new people here at the Resource Center. I also wish to get more people to visit or become a member of the Resource Center. I hope to have an impact on the Resource Center by getting more people to come out to the Resource Center.
