BRUNCH WILL MARK 25TH ANNIVERSARY

Members of the UCSD Medical Center Auxiliary will note the organization's 25th anniversary at a membership brunch to be held Sept. 29 at University House, the home of UCSD Chancellor and Mrs. Richard Atkinson.

The annual fall event is under the direction of Victoria Powell, assisted by members of the executive board.

Following the champagne brunch, UCSD Medical Center Director Michael R. Stringer will report briefly on plans for the Bannister House, a facility to house relatives of out-of-town patients undergoing care at the Center. The Bannister Family House will be the recipient of proceeds from the "Evening With the Capitol Steps" benefit to be held by the Auxiliary Oct. 30 at Hotel del Coronado.

Joining Stringer on the program will be Dr. John Alksne, newly appointed dean of the UCSD School of Medicine. The session will be conducted by Ellen MacVean, president.

Persons interested in attending may contact Powell at 455-6633.
