High Resonance-Damping & Heat Resisting Cassette Mechanism

The image shows two black rectangular objects, possibly electronic components or storage devices, stacked vertically. The top object is a thin, flat rectangular strip with two small rectangular notches on its top edge. The bottom object is a thicker rectangular block with a white label on its front face. The label contains the text 'mss180_b270_f07'. On the right side of the bottom object, there is a small circular hole.
