I, _____, a citizen of the United States, and doing business as a Custom House broker in the district and port of San Francisco, do solemnly swear that I will support, protect and defend the Constitution and Government of the United States against all enemies, whether domestic or foreign; and that I will bear true faith, allegiance and loyalty to the same, any ordinance, resolution or law of any State Convention or Legislature to the contrary notwithstanding; that I will give no aid, assistance or encouragement by word or act, to any person or persons, or pretended government, engaged in rebellion against the Government of the United States; and further, that I do this with a full determination, pledge and purpose, without any mental reservation or evasion whatsoever. So help me God.
