Robert Nguyen Photos

May 10, 2000

Dearest Scott,

Here are 31 photos that I thought would fit for the archives. Please return them when you are done. If there is anything else you need, please feel free to let me know.

You can return the photos to my home address:

Mr. Robert Nguyen
1601 S Douglas St.
Santa Ana, CA 92704-4200

changed my mind. It's all in one!

I am also sending in a different package of fliers and articles from my UCSD days for the archives. Those need not be returned to me. I think I'm sending you all I've got. I can't think of where else I could have stored my UCSD materials.

I know there are photo albums and old fliers in the LGBTQA office. I don't know if they want to keep them or hand them over. They should at least lend them to you for copying. There's so much in that office. Do you know if my timeline is still up on the wall? There's a story behind that project. My professor was an ignorant man and made some really stupid remarks without realizing that his comments were offensive to lesbians and gays!

I didn't include the Chancellor's brochure of the one with me sporting a geri curl. I figured you guys would already have that.

Miss you lots!
