Then I went to the laundry

did the laundry & saw
I had to sort & write

myself over the big bag
commercial, in the ordinary
sort of color sorting women
do when they do the
laundry. These color

energy to clean the air.

Then I was brought to

the red. I had it up at the

apt I had 2 beds here

in my loft & upper loft.

I had been sleeping on the

upper loft but had changed

around when I did the

laundry. Now I could

sleep in the lower

loft rather - it was

directly into the floor & took
to run out of the house
getting up. I had 3
pillars 2 had to use
keep changing them

& I had to go back to
the upper part. I got a

 I can't see the quilt

anyone to be blamed
 is only half clear
 although I try with
 my ~~little~~ ~~rather~~ mind
~~to~~ to clear the fog
 every off of things.
 It works but I can
 always do something
 like a blanket, all I
 could let the down
 was cottage cheese,
 fruit cake & 1 egg.

I had what was a
mistake for the three.

I didn't eat much of food
