There was a great fire extending from San Marcos
 Pumasquitos La Jolla Cajon Cheys & Natural Valley
 and at same time we had a sirocco or
 East wind, very strong, which made it
 the hottest day in San Diego that I ever
 experienced! The Thermometer rose to 104⁰
 about 10 o'clock and remained above 100
 till after dark. At nine o'clock P.M. the
 Thermometer was 94⁰
