 trouble to learn will important once in a  
 letter file I just remembers somehouse  
 on the field also mountain which signalled  
 from the boys say men complete under control  
 thats sentence I dont mean arms like abroad  
 I mentioned it munitions which I bought once  
 only for a friend in need bought arms once  
 on the farm where the boys struggle over the initials  
 be with them dance twice and my wife might get white  
 like she long hair cut it dreaming say alone  
 if you watch the weather faint also I want out  
 this yesterday buy me meat just for a lamb chop  
 combined blood clots safest meat untold blood  
 pressures low indeed say orientldelicious.  
 some cleanse raise your blood pressure you chill  
 every day sleep I personal night ↑ give up your allowance  
 anyone else ginger I give up speaking ↑ be clever inside

sis my broad belly in the kitchen  
last line first ok I was apples in the kitchen  
have you any bore what a lesson to be a

please your aunt stupid ol silly romance  
included never ha<sup>nd</sup>d children close to my  
childrens sis she was never dont worry  
about children who obey their parents  
quit sis if youre honest continue  
some storm comes I was belligerent  
I was beggar also on the 4th below  
insulted my aunt came have a permanent  
she lived in us separate room like  
jealous she cared for my mother stupid  
when breakfast I came playful headaches return  
spoil sis I was spoiled indeed but restricted  
because I was female old age stupid  
my very clever girl wonders about it always  
sis it happ<sup>e</sup>ns next turn page

your poor aunt dies should follow . page indiscrete  
I had my diaper on dignity sis child  
hood experiences collect poison I was dressed  
very carefully tucked in at the neck warm  
dont spoil it belligerent I was when I  
over forty forgiven childhood remembrances  
stay awhile smile ponder other being  
alone without mother often very difficult  
she was punished with behaviour  
sis <sup>let alone</sup> college was a little jealous of me  
because I was bright frightened off  
when I was eighteen I was outspoken  
when I was tried I was going to this  
college then when I was special member  
of the big group alone for a year at my  
dont home again put yourself on the line  
as everyone does at the college separate  
sis I was offended her the college excited  
when graduated top I had with  
sorry about I didnt suffer I read books only  
sis I was only illiterate every novel  
succession everyone became tonight four  
make five of us sis hold hands up *everyone magna*

sitting go breath I tried hard twice  
enough feel hard sublimate house  
subject filling somewhere speaking  
Ive been a mutation sis shes a  
little hard of hearing dissociate sit  
calmer sis solitude greetings along  
my child same obligates sis she has  
a hearing problem difficult to diagnose  
with some musician who is a leader very strong  
picture reccommended abstinence for childhood  
and to be very old together mother would  
work putting the short have you enough  
penetrated hairlong boy are you forty  
boyson is obligated havent divorced who  
are you say friend invited to bewildered  
who genuitimate refuses to holler  
unless language prohibited guess what  
a scholar is better if you were joking  
he was fake fall and promises all is  
playing now on the shelf stupid horrid  
these little girl havent any nice  
buttons we prize boy are we careful

mother was very careful with her  
childhood: grew up dress suddenly clothes  
she own plate worker as same as me  
making clothes sis blue beads  
sis she wore dress under her coat long  
sleeve like me to touch shoulder very  
hard writing she before it she made  
clothes she wore long dresses in our style  
sis youre wrong in the eighties she  
stop writing twospeed who was tender  
as me loved another behind his wife  
kindly invited me to show off another  
person indicated plus person purses  
put down someone bothersome for not  
calling when I was touchy neighborhood  
calling back put her down for her memory  
forgiven sis if your in shock dress  
very carefully toucy cant spell sis  
touchy mustspell figure it out bust  
in the touchy sis very careful opening  
sis it was hard to be alone with  
condition obsolete paranoia we granted

albatross who navigates have you under  
famous line control have you an different  
half long two days struggle say  
disgusted if you open the boys  
mind sis it after the struggle that  
I hurt I was touchy crawly havent  
you any money I am walking on third  
to be a villain except it becomes shit  
thats how person writes somehow  
downtown street in the black window  
crawling with windows overlooking a  
backyard there are four buildings ~~there~~  
without trees walk back a little side  
collapse careful youll be energy field youre  
stuck with it high flying around  
the mens shelt bridge stupid girl  
who was high early seventies window  
had heartache watchsun difficult two  
complain heating problem difficult  
stairs instead some drink you were poor

↑  
very sunny way I mentioned pick bums they  
walk past skipping I was drunk on the  
complete street camp sis around

so before spilling sis I <sup>e</sup>n<sub>^</sub>ver again  
I was machine so I had a cold  
unfold upset unbent across the page  
I was stopped every minute subsidize  
hard core eventual no weeks sis  
the one who name cares not remember me  
Im like other people big people speak only  
now if I liked the name who is bent  
machine spills event everything machines  
uneventful spill have an upset beach cries  
tohold sis mother would cry a little  
have you untold repeat brother who owns home  
sis it fills up follow the details somewhat  
hint embarrassment comment please  
sis I had to read peoples minds for it  
anywhere so carefully pretty girl someone  
else likes who she lives in a place  
Im always there someone places in a home  
are you believing in a friend who cries suddenly  
someone places forgodsake forgiven  
sis Im very carefully educated France  
everyone changes everything once around

for coffee I drank and some liquor bad boys  
follow me someone else helps where did  
you live bread at the corner baking which I had  
the boys sis I had fresh bread every day thats  
for a cancer problem and no white food eather  
how many doctors write do explain cervix  
complained biopsy examined but problem  
breast cancer absolute sis if I had low  
metabolism all my life stupid hungry  
from eating too fast boy was my brother mad  
sis it was a trick on his mind to obey  
mind instructions when biopsy very  
careful with it includ I almost help say  
Indians wave af a hand from a big who  
names power entailed for a week for a while  
until it was I sat for a week for a while  
until I was healed somewhere drove along  
sis I had a lot visions power then sis  
I give bliss away because nothing but  
recovering the leader sis the some Indians cured  
me for listening thats all and I white big  
leader lives south except for his garments now  
his they save his clothes for a year now

you  
boy are oversized big enjoyed stab  
to the chest got him where not to the  $\frac{1}{2}$  inch  
youre cloth strong from the chest big  
died in his late very his wife explained to me  
sis the baby calls stra that suffices  
some Indians who know me give me old  
sis they thought I was because I fought  
pipe delivered after period which I almost  
you poor dear explain explain children  
like hurt theyre visit some place some  
plains children vote let the children vote  
please sis thats conference peace  
I dont have any to write power left except  
Sunday thats a leader stupid furniture only  
sis doctor I had severe depression my friend thinks  
ever before 6 months exactly to know exactly  
perfume sis I told them early september  
that year remember some page Spoke the author  
answer forbade exact date 7 believe the  
July out of control I had to listen to it four  
months plus subject excused sis  
big guru does write about myself first  
because I was learning to show sis dont  
hint Spoke is a great big book thats all

boy dead have you an intelligent mother stand  
say you had a stroke immediately something  
letter destroyed sis I try very hard to  
please people with obedience make mother

(  
very happy some leader same book with hasnt  
read quietly enough for feel she stopped  
sis I dont spread above name spells nice  
dont you wish you were a nice girl somehow  
name above read august speak above  
have you a very strong mother broke even well  
she died sis I almost died myself a mental  
reject in the someone sis this says goodbye  
sis we last names only just say goodbye  
mother dies slowly put it on the Spoke  
august page date included mothers death  
I was surprised at it both sisters include  
in sis I was laughing it dont Spoke anymore  
sis thats all finished now change style  
problem interlude dont introduce yourself  
sit and still quiet until same month  
mother is dead already september  
stroke<sup>SUBSIDED</sup> by drinking also thats all  
superior mother lived a long life died slowly

sis I repeat my sentences write mother  
death I believed sis I forgot the dont be  
ashamed the date and wasnt slowly coming  
sis I didnt said elsewhere any more words  
sis I didnt see I repeat myself see words  
onmyspell anymore like I want sis I  
cant cry very caused because some people gave  
me what sopills so cancel your  
arrangement mother writes always it down  
skip pills some doctor three years  
silent good any Indian would after death  
sis long period any Indian would signify  
I mean specific sis I like my message  
changed word got cleaner went bill who  
neighbor good neighbors someone else would  
write I wrote twice about mothers suicide  
sis she was getting old cant you tell  
cant the dishes getting cold again my  
mothers book shows sis I was sleep again  
so tonight my light night so I went  
my mother sis she died slowly as older  
some pretty girl older very hard woman too stupid

mother would like a broom mother had  
a cherry poor people ring the doorbell say  
where you providence lived clean modern  
lets chill it us somewhat summer cancels  
address let it go the beach rich sis she sees  
you have on object in mind her mind  
also sequence letter mother dont tease  
would write herself a letter during the drink  
sis we had together some celibate  
abroad is becoming an independent state stay  
celibate sis I always said it twice once silent  
sis thats gurus correct answer once more  
mother would like you to thoroughly sit once'  
in a while stupid for ecstasy sis if youre  
in a great big hurry youll read my car is afraid  
of you transp mind obsolete we know  
the difference true or false distance overhead  
scream at us for the felt sis that was quick  
your father was a period sis he had a  
manuscript about life of childhood dont teach  
with him father's embarrassment older children  
please under the underwater make him underwriter  
make him courage make him please get the underwater

older woman language sis hurries sis  
she had a great big book out of house otherway  
round otherwise hurry it up a lit well I  
explain why sis she gold has a big june  
at the end nobody comes some book finishes her  
sentences thats me sis shes selfish to her office  
off gate sis its tragic fate mothers remorse  
went into a building we came into it like an  
old woman we stick together sis old days .  
sis its a hard woman march is very  
separate unless expected have a  
condiment pray hard joke tender area below  
the button boy are you lying about it trying  
keep lying well you have your safety belt  
have you ever had a rich car sis I lose  
a seat belt in the car sis thats pamphlet  
written every drunk is beside herself mother  
returns her calls sis someone teaches upstate  
sis you didnt have an planned pamphlet  
some hysterical people call it that once more  
one more tribe one more bullshit evening  
who had the advantage of me someone elses address  
sis someone else drives make sun afternoon  
sis she feel attractive boy beside and afternoon

brilliant child has a hurry sis  
practice on her jump sis she hurts jumping  
sis told her twice skiprope jumping along  
sis I was working inside describe your  
moments sis I cancel this sis skip  
necessary under influence sis I had a  
baroque influence sis thats cracy<sup>K</sup><sub>↑</sub>  
you solve problems otherwise known  
downtown you were hungry you were living  
it green people speed about the evening  
somebody calls very no wedding late yesterday  
like beautiful like working we were hungry  
at liver problem very journal please sis next  
year I write as I please like office boy did  
you have a terrible mother who is living upset  
sis telephone say youre broke over the envelopes  
mailing keep track away every bullshit artist  
has me over to dinner stupid would everything  
oh skip skipping sis mother skips a  
point relaxing over the underwear how  
many people some dear friend has a bed sis  
youre saying skip reading also sis we weaken  
sis mother would add young poets live

sis I cant write a novel anymore until sis  
death someone else suggests it longtime  
overwight introduce sis its a low  
keep pills off and waking in the  
morning have you finished your novel  
sis I almost ended with a picture instead  
Im a woman big church the season is  
skip ended season sis mother  
would smell cocaine come child has it in her  
it keeps her busy on time sis thats  
someone who has she shouldnt be working  
she shouldnt after fifty has name is it  
hands in pocket put it away smell  
sis I mean man someone who is in the street  
without a car name has snow in her keep secret  
like older who is in Indians someone else  
would like a trip offer sis she has wisdom  
in her coat that means high sis everyone carries .  
cash in the dont say hang continue ; clothes are experience  
sis thats what they city say in autumn mother  
says nothing sis ~~add~~ words in sequence study  
boy do you have the advantage poetry style

sis we had a wisdom for phoning sis  
 ok messages even event two hours long  
 sis big reader very jealous certainty  
 very reward honesty sometimes he heard  
 very hard manuscript following orders  
 from different people and my orders  
 sis invents some interesting below  
 enough christain someone explains every  
 thing to you cost plus books plus energy  
 thats how we describe it field only rises  
 plus a trick lost get the past in the mail  
 sis silly question guess what it costs  
 sandwiches extra for food enough try harder  
 eat easter sis mother would come pull  
 that cord something else solution to what problem  
 what finishes promise four pages go everyone  
 edits everyone was in <sup>say practice</sup> some party  
 solitude rushes mother finishes make it  
 thursday or alternate sis hint please what  
 to do for yourself when your mother dies  
 sis I had dying to me so it was said say where  
 remember the forgiven the pages sis I spoke  
 promises afterfall in this winter if Im alone  
 seen words finishes happy myself I must explain  
 just take a chance add addition seen words although  
 I had to handle it like someone please through  
 make yourself a poet sit strong and please

Dear hero,

Well I have just finished this new pages which I discussed with you  
important on the telephone I submit. glad. hannah. perverse perio  
Three sections: PAGE (44 pages), ARTICLES (53 pages), SAME PAGE (19 pag  
If you want to disorder them complete you obediently you stuck confident.  
So clear I didn't number in order. In order sequence written honest.  
Be terrific. Same written be careful overconfident historical submit.  
116 page sacrifice omit scared two more pages conflict singlewoman.  
Sisclear be period he laugh bespell beside laughter overlaughter. I  
dont finish article speech two pages sis two pages richard conflicted.  
Hannah just suggest there are two more pages in conflict Indians if you  
want to see them protect confident struggle inform let me agree richard.  
Hope you like this pages sign obedient like scrawl omit richard please.

oh I was finish a article you're joking  
poor stupid stop correctly it wouldn't  
hurt stop names somebody watching feelings  
publish this article whens a period have you a  
publish page make this a article book some other  
subjects do you have a reading well it  
cancels it just us sis it lasts ten days  
in our silence well we dont cancel this girls  
page this little book returns sis I'm  
writing return watch the weather plus I  
get young girl my headachê sometime  
well you had the news plus this article book  
sis it makes it clear consciens~~ious~~ like this  
book make the fast publish it says it has  
two periods make more complete sis it says  
something did you invent sis it hurts  
itself reading the book well you get stuck  
she puts it in the mail sentence because  
I fear a mistake qusstion dont feel ~~gues~~ you  
last sublime your power not complete  
this sentence page uncomplete on this page end  
surprise he hero subject watchful thats  
end sentence which is it a paragraph

sis I have just adjusted oh I was me on  
the radio twice simple if youre very tired  
quit spiritual leadership stupid ol  
girl on the page what is practical  
whoworship sequences ontheleadership  
continue on this particular honest intrude  
page ol stupid plus included I was  
just publish reading sis I was article  
whats in a article whats in a board plus  
I have a period plus combustion she is very  
tired sequence plus my is this a confusing place  
book continue we judging how to be a  
woman you were eating stretch in a bowl  
continue para sentence please parasentence above the  
sis have you been street twice an event  
cut this page its all subsist sequence  
writing without they were being cruel  
to the older able dissident writers like energy  
forms does this page hurt does the extra page  
sis youre stuck on this page it just quits  
someone likes a paragraph boy are you stupid  
hungry I was just a paragraph I omit  
stupid sentence structure I was a picture in

spiritual blank space is hurry a special  
interrupted on this <sup>V</sup> slip page paragraph  
insist a sentence I was undership publish  
sis hard make it plain this poem public  
leadership ownership condemned try an  
apartment thats what they say in the sis  
has empty room someone else likes spiritual crises  
it was hard people p<sub>i</sub>ractice have a little  
bit historship more fun dont start a  
penmanship quarrel insisted language  
about insisted about conquest on the subject  
preference she it was very hard to be with  
try to be careful the leadership its sis its a  
signal to the elbow like everyone else  
hurry it up a little space in a paragraph  
Lewhofinish make this sen<sup>u</sup>tence about clear  
advice read pimples sis I think I was  
very careful this subject satisfy very strict cruel  
well youre painting put in the practical be a girl  
sis shes hard twicesimple incomplete  
informal untutored unnatural it was very  
hard put in plac<sup>e</sup> to quarrel end this submit  
submit this destroy sequence elegance sentence

boy are you playful written trying to be  
careful writing a paragraph practice my  
dear on me have you been a practical girl  
sign above on this subliminal page unlimited  
sis sequence unlisted sis Im  
trying to be hardship with myself more  
contractual unpublish sentence to be frequented  
trying to be more clever with paragraph  
yourself included dont intended try ended  
spiritual hungry eaten they submit very  
carefully next paragraph subliminal  
context what is a languageship unplace  
sometime in a hurry it up a little the  
words are silent have eaten being un-  
practical written above sis please be  
honest with yourself practical very careful  
have you been a leadership subliminal  
leadership careful is often sis youre in  
a hurry are you being written some small  
pamphlet describe your language extra  
make it careful agreement place it was requested  
some boys are religious sis it was  
expected some ~~papers~~ scareful  
papers unsold #

youre very different watch yourself  
carefully in the Indians undress hut  
I am wondering if the pages hurt  
try to be burning more careful letters  
with yourself in a ~~dar~~wer upstairs  
thats a submage Im a written in torment  
slowly dont be slow in a subdiment  
confractural unbleminate very careful  
with it very complete the sentence period  
I was afraid withdrawn of with it  
have you been unsuccessful boy are  
you being hard to handle scramble difficult  
with a page to submit form it was practicable  
sis was with hard thats unexplained  
like Indians on the farm three times  
four unexplained herowrstronstructeacher  
on this word above subject withd<sup>h</sup>rawn  
for a complete I was afraid with it updrawn  
dont you please have you enough subject  
matter have you everyhard I make  
up subliminevocareful make paragraph  
on this page when ended as above youre  
have you been incomplete any digest thing

mother would insist in a drawer  
was indifferent to be popular was  
someone indifferent to be more complete  
unsatisfactory difference please be incomplete  
so is indifferent mother in a drawer  
mother purposeful very careful straight  
writing was very careful did you tell anyone  
else submit place because I was very careful  
anyone place stop language inscribed  
sis have you submit language indescribable  
put language playful mother would scribble  
in above mother would have you and page  
do you scintillate some public invest  
indifference it is our aunt are you scared have you  
any more spiritual power hungry now  
to be fed investiture mother would  
entry to be more humid above in one  
sentence means sentence complete insurance in the submit  
complete insurance mother would be more  
careful because I was sentence please  
submit on the page on the page sis  
honest in a drawer please underwrite language

do you have any stupid just conse  
quencomplete boy are stupid incomsentence  
it reverts inconsequentially did you write  
anymore fresh fruit on the table  
can anymore you acupdepress did you  
incomplete acuabove did you committ  
ourselves to the public sis I was told so  
just be silly ol terrible I was unquilt  
mother incomplete do you have succient  
mother thinks unstupid boy are we  
careful insuccient in a on the left  
so is the underfit on the letter in a  
drawer intrepid mother is unjust have  
you any quarrels about you being in with  
it subject boy are you stupid do you  
have an average thermometer dont describe  
said in one book your name honestly describe  
said in advertise say quilt I dont describe  
myself difficult situations watch yourself  
situations pressure above dont be acupressure  
sometimes page describe curly despair  
that was horricontent please eat a sandwich
