

Three San Diegans awarded Regents and President Scholarships for study at School of Medicine

June 18, 1968

Three San Diegans are among the 16 students awarded Regents and President Scholarships for study this fall at the School of Medicine, University of California, San Diego.

These scholarships are among the highest honors for undergraduate study at the University.

The winners were selected on the basis of demonstrated academic excellence and exceptional promise. The amount of each Regents Scholarship is based on the student's financial need. Each President's Scholarship carries a \$500 stipend.

The award winners are listed below by hometown, undergraduate college attended and major course of study pursued during premedical education.

President's Scholars are: Mrs. Gail Ahumada, Los Angeles, Stanford University, History and Education; Ronald H. Cooper, Riverside, Stanford University, Chemistry and Biology; Stephen P. Staal, Malibu, UCLA, Premedical; Larry N. Baker, El Cajon, UCSD, Biology; John Schey, San Diego, San Diego State College, Chemistry; and Jean E. Ernst, Massapequa, New York, University of California, Davis, Biological Sciences.

Regents Scholars are: Bruce A. Buckingham, Laguna Beach, University of California, Santa Cruz, Premedical; Gregory J. Joy, San Diego, San Diego State College, Zoology; Milton S. Klein, West Covina, McGill University, Zoology; Robert M. Rennebohm, Annandale, Virginia, St. Olaf College, Biology; Frank R. Sharp, Orangevale, UCD, Engineering.

Other Regents Scholars include: David L. Smith, Berkeley, UCD, Zoology; Daniele A. Vecchio, Geneva, Switzerland, University of Geneva, Physiology and Biological Sciences; Robert Wells, Chicago, Grinnell College, Chemistry; James W. Emlen, Madison, Wisconsin, Stanford University, Biology and Neurosciences; and Kalman Holdy, San Diego, UCSD, Chemistry.
